

“Achieving Tomorrow by Educating Today”

HOME/SCHOOL PARTNERSHIP LETTER

Kindergarten through Grade 6

Roseville City School District believes that student success depends on a strong bond between a child’s home environment and the school environment. It is our intent to maintain an ongoing partnership with the parents in our school community.

The school plays a very important role in developing learning skills for life. To enhance your child’s education and success in school, the staff will make every effort to:

- Provide each student with the best educational program possible.
- Provide a safe, friendly environment in which students can learn.
- Communicate your child’s progress in a timely manner.
- Provide an environment in which all students are treated fairly, individually, and with respect.
- Maintain professional and positive attitudes.

Parents and family are a child’s first and most important teachers. To encourage my child’s learning and success in school, I will make every effort to:

- Send my child to school on time, well rested, nourished, and ready to learn every day.
- Attend Back-to-School Night, Parent-Teacher Conferences, Open House and other school events.
- Encourage my child to complete all homework.
- Provide a quiet place for my child to study every night.
- Spend at least 15 minutes per day reading with/to my child.

Students who take responsibility for their education learn more. To improve my education, I will make every effort to:

- Come to school on time, ready to learn, and bring necessary materials and completed assignments/homework.
- Respect the school, other students, staff, and families, and know and follow school and class rules.
- Read and follow the Parent-Student Handbook.
- Communicate regularly with my parents and teachers about school experiences so they can help me to be successful in school.
- Read or be read to each night.
