3. An interview of all in-District applicants will be conducted by a panel consisting (when possible) of, but not limited to, a site administrator and two (2) teachers. The committee will make a recommendation. The final decision is to be made by the District. (Criteria in "D" shall apply.)
4. Employees not selected are entitled to a conference with the site administrator regarding their interview.
5. Any openings occurring after the close of the school year, prior to 15 working days of the first date of school, will be advertised by mail to school site employees of the school where there is an opening, then to all applicants for transfer (who have not been reassigned).
6. Vacancies occurring 15 working days prior to the first date of school through the current school year shall be filled at the discretion of the District. After the opening of the school year, a probationary/permanent employee working less than full-time may be considered for any increase in assignment available in the District.

**Article X - Leave: Association**

- A. The Association shall be given twenty (20) release days per year to be used for the purposes of preparation or discussion concerning modification of the contract or for the purpose of fulfilling Association duties. During this release time, any bargaining unit member released will retain all rights and benefits as if in regular work status. This release time in no way limits the Association's/President's right to use other release time allowed under this contract by statute or administrative ruling.

**Article XI - Leave: Bereavement**

- A. Employees are entitled to a District paid leave of absence not to exceed five (5) days on account of a death of any member of their immediate family, including reproductive loss. These 5 days do not need to be consecutive but must be taken within 3 months of the date of the family member's death.
- B. Employees will be entitled to an additional District paid five (5) days of leave of absence if the family member is the spouse or child of the employee, including reproductive loss.
- C. No deduction shall be made from the salary of such employee, nor shall such leave be deducted from leave granted by other sections of this contract. Except as provided under Section E of this Article.

These days shall be deducted from any accrued sick leave. If the employee has no sick leave available, the rate for a substitute will be deducted from their pay.

## **Article XII - Leave: District Liability**

**Article XIII - Leave: Industrial Accident or Illness**

- A. Industrial Accident or Illness Leave is granted to employees who have had an accident or illness arising out of and in the course of their employment with the District. All probationary and permanent certificated employees shall be entitled (in any one (1) fiscal year for the same accident or illness) to sixty (60) days of Industrial Accident or Illness Leave during which the schools of the District are required to be in session or when the employees would otherwise have been performing work for the District. Such Industrial Accident or Illness Leave shall commence on the first day of absence and shall be reduced by one day for each day of authorized absence, regardless of a temporary disability indemnity award. (Part-time employees assigned to a full-time position are not eligible.)
- B. Allowable leave shall not be accumulative from year to year, except when an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year. The employee shall then be entitled to only that amount of unused leave due him/her for the same illness or injury.
- C. During any paid industrial leave of absence, Temporary Total Disability checks will be sent directly to the District and distributed to the employee via their normal end-of-the-month payroll. The District must make adjustment on payroll by reducing employee's regular check by the full amount of said benefit check(s). The District will notify the County Office that the adjustment is for Workers' Compensation and that the retirement contribution from the employee must be adjusted to an amount equal to the full amount of pay before the compensation benefit reduction. - E. Any employee receiving benefits from an Industrial Accident or Illness Leave shall, during periods of injury or illness, remain within the State of California unless the District authorizes travel outside the state.
- F. The Industrial Accident or Illness Leave of Absence is to be in lieu of entitlement acquired under "Sick Leave." An employee's absence shall be deemed to have commenced on the date of termination of the Industrial Accident or Illness Leave, provided that if the employee continues to receive temporary disability indemnity, he/she may elect to take as much accumulated sick leave which, when added to the temporary disability indemnity, will result in a payment of not more than his/her full salary.
- G. Industrial Accident or Illness Leave for each occurrence shall cease when temporary disability benefits under workers' compensation laws of the State of California are discontinued for the applicable industrial accident or illness.
- H. An employee who is eligible for reemployment and has been medically released for return to duty but fails to accept an appropriate assignment shall be terminated or placed on a health leave of absence.

- C. A written request for a Leave of Absence shall be submitted to the employee's principal and then to the Superintendent. The request must specifically state the reason for the request and its duration. The Superintendent will present a recommendation for approval or disapproval to the Board. Time spent on a leave of absence without pay shall not count toward salary step advancement.
- D. Employees given Leaves of Absence for an academic year shall give the District written notice on or before March 1 of their intention to return. Failure to notify the District shall constitute a resignation on the part of the employee; such resignation may be accepted by the Board at any time within twenty (20) days after the due date of the required notification by the employee. At least ten (10) days prior to March 1, the Superintendent will remind the employee of the obligation by certified letter.
- E. A request for a leave based upon a reason not specified in this article will be considered by the Superintendent and the Board from the standpoint of value to the District, urgency of the request, and the employment record of the employee making the request.
- F. An application for Leave of Absence for reasons of personal health must be

- B. Health insurance coverage to the level of the benefit cap shall be maintained and paid for by the District for the duration of the leave, not to exceed 12 work weeks in a 12-month period. - C. There is no carry-over of unused leave; Family Care Leave does not accumulate from year to year.

- H. If verification is required by the District to verify the serious illness of the child, spouse, parent, or employee, the District may accept medical verification by the treating health professional.

## **Article XX - Leave: Requested Absence from Assigned Duties**

- A. When a circumstance occurs in which an employee requests permission to miss service days in order to attend an activity which is of professional interest to that individual and offers to pay all trip expenses involved, or when an employee requests permission to miss service days based upon a personal problem to that individual, the Superintendent is then charged with the responsibility of either granting or refusing authorization in each circumstance. Such request shall be made to the Superintendent at least three (3) days prior to the date the individual requests to be absent from the assigned duties. Further, it is the responsibility of the Superintendent, if authorization is granted, to consider each request individually and without precedent to any other like request and render decisions as to substitute pay responsibility, sick leave deduction, and travel expense with reference to District responsibility in the matter.
- B. Should an employee have an emergency which requires the possible application of this section without the opportunity of providing the advance request required, the employee should immediately advise the appropriate principal or immediate supervisor of that need. Such an action does not automatically signify that the absence will be approved. Within three (3) days of returning, the employee must discuss the absence with the Superintendent, who will then determine the appropriate financial decision as if the information had been submitted in advance.
- C. The Superintendent is to have complete authority in all such matters of this nature and his/her decisions are final so far as the District is concerned and are not appealable either to the Board of Education or through the grievance procedure.

**Article XXI - Leave: Sick**

An employee working less than full-time shall be granted sick leave in the same ratio that the employment bears to full-time employment.
- B. Use of current annual sick leave need not be accrued prior to taking such leave. When an employee has exhausted the accrued annual ten (10) days of earned sick leave, absences beyond that period shall be continued with pay for a period of five (5) months from the end of that accrued earned sick leave period. During the five (5) month period, the employee shall have deducted from his/her monthly salary the sum actually paid to a substitute to fill the position, or if no substitute is hired, the amount which would have been paid to the substitute had one been employed.
- C. In cases of absence in excess of the extended five (5) month period, the employee may be granted a leave of absence without pay for the remainder of the school year; however, the employee's medical and dental insurance shall be paid by the District until the end of the year.

**Article XXI-B - Leave: Donation of Leave for Catastrophic Illness**

- A. Open contribution time will annually occur in May. If the Catastrophic Leave Bank is depleted of sick leave, contributions may be donated as needed during the school year. The Personnel Office, in cooperation with the Roseville Teachers' Association, with permission of the requesting employee, will make known to all certificated employees the need for donations. The donation and receipt of such credits are subject to the following conditions:
1. Catastrophic illness or injury is defined to mean an illness or injury that is expected to incapacitate an employee or a member of an employee's family for an extended period of time, which incapacity requires the employee to take time off from work to care for that family member for an extended period of time, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave.
  2. Eligible leave credits are defined to mean sick leave accrued to the donating employee. An employee cannot donate future sick leave that has not been accrued. An individual employee may not donate more than forty-five (45) sick leave days in any one school year.

  - b. For eligible employees, the Catastrophic Leave Bank will supplement the District-provided Income Protection Plan up to a maximum of 100% of salary for one year.
  - c. For eligible employees, the Catastrophic Leave Bank will provide a maximum of sick leave for one year to the extent of days available in the Catastrophic Leave Bank.
  - d. The Catastrophic Leave Committee's decision to deny the

employee's request to receive donated leave credits is final and is not subject to review or appeal under the grievance or any other procedure.

8. If the Catastrophic Leave Bank exhausts all available sick leave, there is no obligation to provide sick leave to any eligible employees.
9. If the option of the Catastrophic Leave Bank is negotiated out of the contract, then the District and the Association agree to negotiate how the remaining sick leave days will be utilized.
10. The Association will not be held responsible for the District's determination of eligibility. The District will not be held responsible for the Association's distribution of sick leave days in the Catastrophic Sick Leave Bank.

## **Article XXII - Leave: Unauthorized**

- A. Unauthorized leave is defined as non-performance of those duties and responsibilities assigned by the District Administration including all duties and responsibilities as defined by statute, rules and regulations of the District and the State Board of Education, adopted job descriptions for certificated employees, which are incorporated by reference into this contract and may not be modified during the term of this contract, and the articles of this contract.
- B. Such unauthorized leave may include but is not limited to refusal to provide service, unauthorized use of sick leave, unauthorized use of other leave benefits, non-attendance at required meetings, and failure to perform required supervisory functions at school-sponsored activities.
- C. An employee is deemed to be on unauthorized leave when the employee is absent from such required duties. The employee will receive a deduction of pay for the period of such absence.

## **Article XXIII - Grievance Procedure**

### **A. Definitions**

1. A "grievance" is a claim by an employee that there has been a violation, misinterpretation, or misapplication of a written provision of this Agreement.
2. A "day" is an employee duty day.
3. Grievant" is the employee or the Association making the claim.
4. An "immediate supervisor" is the principal or supervisor having jurisdiction over the employee filing the grievance and who has the authority to resolve the grievance.
5. A "representative" is an employee or representative of the Association or legal counsel who participates in this procedure.

### **B. General**

1. The purpose of this procedure is to secure, at the lowest possible administrative level, solutions to grievances. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. An employee may present grievances to the District and have such grievances adjusted without the intervention of the Association as long as the adjustment is not inconsistent with the terms of this agreement. The District shall not agree to the adjustment or resolution of a grievance until the Association has received a copy of the grievance and the proposed resolution and has been given five (5) days to file a response.
3. Failure by the administration to adhere to decision deadlines constitutes the right for the grievant to appeal automatically to the next level. Failure of the employee to adhere to the submission deadlines shall mean that the employee is satisfied with the latest decision and waives any right to further appeal. However, nothing prevents the parties from extending the time limit by mutual agreement.

**Grievance Procedure**  
**Continued**

4. Until the final disposition of a grievance takes place, the grievant is required to conform to the original direction of the supervisor.
5. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
6. Every effort will be made to schedule meetings for the processing of grievances at times which will not interfere with the regular work day and assignments of the participants. If any grievance meeting or hearing must be scheduled during the school day, any employee required by either party to participate as a witness in such meeting or hearing shall be released from regular duties without loss of pay for the amount of time necessary for the hearing.
7. When a grievance has been filed by an employee, the grievant may terminate the grievance at any time by giving written notice to the District. Failure to comply with time limits, to attend scheduled meetings, to discuss or hear the grievance, or to provide requested information at the grievant's disposal relating to the grievance shall be deemed a termination of the grievance by the employee. The District shall give written notice of such termination to the employee.
8. The grievant has the right to have a representative present at any formal level. The grievant, however, must be present at each level.
9. Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level shall be adhered to. The time limits may, however, be extended by mutual agreement.
10. In the event a grievance is filed at such a time that it cannot be processed through all levels by the last day of the school year, and if left unresolved until the beginning of the following school year could result in harm to a grievant or to the District, the time limits will be reduced by agreement of the parties, so that the procedure may be exhausted as soon as practicable.

**Grievance Procedure**  
**Continued**

C. Non-Grievable: The following are not grievable:

1. The termination of services of or failure to reemploy any probationary employee.
2. The termination of services of or failure to reemploy any employee to a position for which extra compensation is received.
3. Any claim or complaint for which there is another procedure or forum established by law or by regulation having the force of law. Examples of other procedures or forums include, but shall not be limited to: EEOC, FEPC, Workers Compensation Appeals Board, Unemployment Compensation Commission.
4. Any matter involving employee evaluation content.

D. Procedure

1. Informal. Employees who believe there is a grievance shall present the grievance orally to the immediate supervisor within five (5) days after the circumstances occurred which form the basis for the grievance. Failure to do so will render the grievance null and void. The immediate supervisor and the employee shall meet and attempt to resolve the matter within three (3) days after the presentation of the grievance. It is the intent of this informal meeting that at least one (1) personal conference be held between the employee and the immediate supervisor.
2. Formal
  - a. Level 1 - If not settled at the informal level, a grievance shall be presented in writing to the immediate supervisor within five (5) days. The immediate supervisor shall meet with the grievant before making a decision. The immediate supervisor shall make a decision within five (5) days of having the meeting.
  - b. Level 2 - If the grievant is not satisfied with the decision at Level 1, or if no decision is rendered within the time limits, the grievant may appeal the decision to the Superintendent or his designee within five (5) days. The Superintendent or his designee shall meet with

**Grievance Procedure**  
**Continued**

the grievant before making a decision. The Superintendent or his designee shall make a decision within five (5) days of the meeting. The written decision shall be provided to the grievant and to the Association president.

- 3. The parties shall select a mutually acceptable arbitrator. Should the parties be unable to agree on an arbitrator within seven (7) days of the Association's submission to advisory arbitration, submission shall be made to the American Arbitration Association, who shall be requested to supply a list of names to the parties. Thereafter, the parties shall follow the rules and procedures of the American Arbitration Association.
- 4. It shall be the function of the arbitrator to make an advisory recommendation to resolve the grievance. The arbitrator shall be subject to the following limitations:
  - a. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this agreement.
  - b. The arbitrator shall have no power to establish salary structures or change any salary.
  - c. The arbitrator shall have no power to change any practice, policy, rule, regulation, or procedure of the District nor to substitute any judgment for that of the District as to the reasonableness of any such practice, policy, rule, regulation, procedure, or any action taken by the District.
  - d. If either party should dispute the arbitrability of the grievance, whether or not arbitrability has been raised in a prior step of this procedure as a defense, such a claim shall be heard and a ruling given by the arbitrator prior to any hearing on the grievance.

**Grievance Procedure**  
**Continued**

**E. Miscellaneous**

1. No reprisals of any kind will be taken by either party against the other party.
2. All costs for the services of the arbitrator, including but not limited to per diem expense, travel and subsistence expenses, and the cost of any hearing room, will be borne equally by the District and the Association. All other costs will be borne by the party incurring them.
3. Upon receipt of the recommendation, the Board shall render its decision within thirty (30) days. It alone has the power to render a final and binding determination of a grievance.
