Pupil Protections Relating to Immigration and Citizenship Status:

All students have a right to a free public education, regardless of immigration status or religious beliefs. The California Attorney General's website provides resources for immigrant students and family members online at: <https://oag.ca.gov/immigrant> Education Code § 234.7.

Know Your Educational Rights: Your Child has the Right to a Free Public Education

All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students' parents or guardians.

In California:

- a. All children have the right to a free public education.
- b. All children ages 6 to 18 years must be enrolled in school.
- c. All students and staff have the right to attend safe, secure, and peaceful schools.
- d. All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
- e. All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment:

When enrolling a child, schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of child's age or residency.

You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information:

Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.

Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy, and let you know of your option to refuse release of your child’s information in the directory.

Family Safety Plans if You Are Detained or Deported:

You have the option to provide your child’s school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported.

You have the option to complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may give a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint:

Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated, or bullied on the basis of his or her actual or perceived nationality, ethnicity, or immigration status.

Professional Qualifications of Teachers:

At the beginning of each school year, parents/guardians may request information regarding the professional qualifications of their child’s classroom teachers, including, at a minimum:

- Whether the teacher has met state qualification and licensing criteria for the grade level(s) and subject area(s) in which the teacher provides instruction.
- Whether the teacher is teaching under an emergency or other provisional status through which state qualification or licensing criteria have been waived.
- Whether the teacher is teaching in the field of discipline of the certification of the teacher.
- Whether their child is provided services by paraprofessionals, and if so, their qualifications.

20 U.S.C. § 6312; 34 C.F.R. § 200.61.

Model Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA):

PPRA affords parents/guardians of elementary and secondary students certain rights regarding the conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include, but are not limited to, the right to:

- Consent before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED):
 1. Political affiliations or beliefs of the student or student's parent;
 2. Mental or psychological problems of the student or student's family;
 3. Sex behavior or attitudes;
 4. Illegal, anti-social, self-incriminating, or demeaning behavior;
 5. Critical appraisals of others with whom respondents have close family relationships;
 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
 7. Religious practices, affiliations, or beliefs of the student or student's parent; or
 8. Income, other than as required by law, to determine program eligibility.
- Receive notice and an opportunity to opt a student out of:

1. Any other protected information survey, regardless of funding;
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
3. Activities involving collection, disclosure, or use of personal information collected from students for marketing or to sell or otherwise distribute the information to others. (This does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions.)

- Inspect, upon request and before administration or use:

1. Protected information surveys of students and surveys created by a third party;
2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law. Board policies regarding these rights may be obtained from the school district or county office.

Parents/guardians who believe their rights have been violated may file a complaint with:

Firearms Safety Memorandum

To: Parents and Guardians of Students in the **Roseville City School District**

From: Derk Garcia, Superintendent

Subject: California Law Regarding Safe Storage of Firearms

The purpose of this memorandum is to inform and to remind parents and legal guardians of all students in the **Roseville City School District** of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. **These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.**

To help everyone understand their legal responsibilities, this memorandum spells out California law regarding the storage of firearms. Please take some time to review this memorandum and evaluate your own personal practices to assure that you and your family are in compliance with California law.

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; **or** (3) unlawfully brandishes the firearm to others.¹
 - **Note:** The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor **never** actually accesses the firearm.²

¹ See California Penal Code sections 25100 through 25125 and 25200 through 25220.

² See California Penal Code section 25100(c).

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.³
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.⁴

Note: Your county or city may have additional restrictions regarding the safe storage of firearms.

Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

Sincerely,

Derk Garcia, Superintendent

Policy 1312.3: Uniform Complaint Procedures

Status: ADOPTED

Original Adopted Date: 05/03/2018 | **Last Revised Date:** 06/20/2024 | **Last Reviewed Date:** 06/20/2024

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The Board encourages the early resolution of complaints whenever possible. To resolve complaints which may require a more formal process, the Board adopts the uniform system of complaint processes specified in 5 CCR 4600-4670 and the accompanying administrative regulation.

Complaints Subject to UCP

The district's uniform complaint procedures (UCP) shall be used to investigate and resolve complaints regarding the following programs and activities:

1. Accommodations for pregnant and parenting students (Education Code 46015)
2. After School Education and Safety programs (Education Code 8482-8484.65)
3. Career technical and technical education and career technical and technical training programs (Education Code 52300-52462)
4. Child care and development programs (Education Code 8200-8488)
5. Compensatory education (Education Code 54400)
6. Consolidated categorical aid programs (Education Code 33315; 34 CFR 299.10-299.12)
7. Course periods without educational content (Education Code 51228.1-51228.3)
8. Discrimination, harassment, intimidation, or bullying in district programs and activities, including in those programs or activities funded directly by or that receive or benefit from any state financial assistance, based on a person's actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, immigration status, ethnic group identification, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on the person's association with a person or group with one or more of these actual or perceived characteristics (5 CCR 4610)

Discrimination includes, but is not limited to, the Board's refusal to approve the use or prohibit the use of any textbook, instructional material, supplemental instructional material, or other curriculum for classroom instruction, or any book or other resource in a school library, on the basis that it includes a study of the role and contributions of any individual or group consistent with the requirements of Education Code 51204.5 and 60040, unless such study would violate Education Code 51501 or 60044. A complaint alleging such unlawful discrimination may, in addition to or in lieu of being filed with the district, be directly filed with the Superintendent of Public Instruction (SPI). (Education Code 243)

9. Educational and graduation requirements for students in foster care students experiencing homelessness, students from military families, students formerly in a juvenile court school, students who are migratory, and students participating in a newcomer program (Education Code 48645.7, 48853, 48853.5, 49069.5, 51225.1, 51225.2)
10. Every Student Succeeds Act (Education Code 52059.5; 20 USC 6301 et seq.)

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process for resolving a complaint in a manner that is acceptable to all parties. An ADR process such as mediation may be offered to resolve complaints that involve more than one

student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

11. Local control and accountability plan (Education Code 52075)
12. Migrant education (Education Code 54440-54445)
13. Physical education instructional minutes (Education Code 51210, 51222, 51223)
14. Student fees (Education Code 49010-49013)
15. Reasonable accommodations to a lactating student (Education Code 222)
16. School plans for student achievement as required for the consolidated application for specified federal and/or state categorical funding (Education Code 64001)
17. School site councils as required for the consolidated application for specified federal and/or state categorical funding (Education Code 65000)
18. State preschool programs (Education Code 8207-8225)
19. State preschool health and safety issues in license-exempt programs (Education Code 8212)
20. Any complaint alleging retaliation against a complainant or other participant in the complaint process or anyone who has acted to uncover or report a violation subject to this policy
21. Any other state or federal educational program the SPI or designee deems appropriate

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. For any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep the identity of the complainant, and/or the subject of the complaint if different from the complainant, confidential when appropriate and as long as the integrity of the complaint process is maintained.

When an allegation that is not subject to UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and requirements related to UCP, including the steps and timelines specified in this policy and the accompanying administrative regulation.

The Superintendent or designee shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

Non-UCP Complaints

The following complaints shall not be subject to the district's UCP but shall be investigated and resolved by the specified agency or through an alternative process:

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services Protective Services Division or the appropriate law enforcement agency. (5 CCR 4611)

 5. Any complaint alleging a violation of a state or federal law or regulation related to special education, a settlement agreement related to the provision of a free appropriate public education (FAPE), failure or refusal to implement a due process hearing order to which the district is subject, or a physical safety concern that interferes with the district's provision of FAPE shall be submitted to the California Department of Education (CDE) in accordance with Administrative Regulation 6159.1 - Procedural Safeguards and Complaints for Special Education. (5 CCR 3200-3205)
 6. Any complaint alleging noncompliance of the district's food service program with laws regarding meal counting and claiming, reimbursable meals, eligibility of children or adults, or use of cafeteria funds and allowable expenses shall be filed with or referred to CDE in accordance with Board Policy 3555 - Nutrition Program Compliance. (5 CCR 15580-15584)

The Board believes that the education of the district's students is a shared responsibility. The Superintendent or designee shall work with parents/guardians, including parents/guardians of English learners, to determine appropriate roles and responsibilities of parents/guardians, school staff and students for continuing the intellectual, physical, emotional and social development and well-being of students at each school site, including the means by which the schools and parents/guardians can help students achieve academic and other standards of the school.

Within this framework, the school's primary responsibility shall be to provide a high-quality curriculum and instructional program in a supportive and effective learning environment that enables all students to meet the academic expectations of the school.

Parents/guardians shall have the opportunity to work with schools in a mutually supportive and respectful partnership and to help their children succeed in school. (Education Code 51100)

(cf. 5022 - Student and Family Privacy Rights)

(cf. 6020 - Parent Involvement)

The Superintendent or designee shall ensure that district staff understand the rights of parents/guardians afforded by law and Board policy and follow acceptable practices that respect those rights.

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(Education Code 51101.1)

Policy 5145.7: Sex Discrimination and Sex-Based Harassment

Status: ADOPTED

Original Adopted Date: 11/17/2016 | **Last Revised Date:** 09/09/2021 | **Last Reviewed Date:** 09/09/2021

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages students who feel that they are being or have been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult, or who have experienced off-campus sexual harassment that has a continuing effect on campus, to immediately contact their teacher, the principal, the district's Title IX Coordinator, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 5145.71 - Title IX Sexual Harassment Complaint Procedures or BP/AR 1312.3 - Uniform Complaint Procedures, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 5145.71 concurrently meets the requirements of BP/AR 1312.3.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

The Superintendent or designee shall inform students and parents/guardians of the district's sexual harassment policy by disseminating it through parent/guardian notifications, publishing it on the district's web site, and including it in student and staff handbooks. All district staff shall be trained regarding the policy.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment even when the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and action shall be taken to respond to harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedures for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as

applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues

8. A clear message that, when needed, the district will implement supportive measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation.

Disciplinary Actions

Upon completion of an investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-8, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Upon investigation of a sexual harassment complaint, any employee found to have engaged in sexual harassment or sexual violence toward any student shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

Record-Keeping

In accordance with law and district policies and regulations, the Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in district schools.

HPV Cancer Prevention - Ed Code 48980.4**For incoming 6th - 8th grade parents and guardians:**

This information is for the parents/guardians of students admitted to or advancing to the 6th grade. Pupils in the state are advised to adhere to current immunization guidelines, as recommended by the Advisory Committee on Immunization Practices (ACIP) of the Federal Centers for Disease Control and Prevention (CDC), The American Academy of Pediatrics, and the American Academy of Family Physicians, regarding full human Papillomavirus (HPV) immunization before admission or advancement to the eighth-grade level of any private or public elementary or secondary school. Per HSC 120336, "HPV vaccination can prevent over 90 percent of cancers caused by HPV. HPV vaccines are very safe, and scientific research shows that the benefits of HPV vaccination far outweigh the potential risks."

**English Language Proficiency Assessments for California (ELPAC)
Administration and Annual Parent Notice**

The English Language Proficiency Assessments for California (ELPAC) is a state assessment that is administered in grades TK-12 to determine the English proficiency of students who have a primary language other than English.

Initial English Language Proficiency Assessment for California (Initial ELPAC):

The purpose of the Initial ELPAC is to determine the English proficiency of students entering California schools for the first time. The results of the Initial ELPAC will inform educators and families if a student is classified as an English Learner (EL) or if a student is Initially Fluent English Proficient (IFEP). It is important to identify students who may need additional support learning in English so that educators can plan instruction and provide resources accordingly.

Students will be administered the Initial ELPAC within 30 days of the first day of school if:

- A language other than English is listed for any of the first 3 questions of the Home Language Survey (HLS), *and* the student has never taken the Initial ELPAC before
- or-
- There is an indication that the student has a primary language other than English *and* the student has never taken the Initial ELPAC before

Summative English Language Proficiency Assessment for CA (Summative ELPAC):

All students who are classified as English Learners (based on the results of the Initial ELPAC) are required to take the Summative ELPAC once per year until they are reclassified to Fluent English Proficient (RFEP). The Summative ELPAC is administered between February and May and allows students to demonstrate their progress towards English language proficiency. RCSD uses the results of the Summative ELPAC to plan instruction and to determine when students can be considered for reclassification.

Student Mobile Device Loaner Agreement

The Roseville City School District (RCSD) is pleased to offer students a mobile device for educational use at school and home. Just like any other borrowed school property, such as library books or sports equipment, the responsibility for the safety and security of the device lies with the legal parent/guardians and the student. Our aim is to create an authentic, engaging, and innovative learning environment. Please carefully review the Responsible Use and Care Guidelines provided below.

Responsible Use and Care

- I have received and agreed to the [Student Acceptable Technology Use Agreement](#) - BP 6163.4(a) during my student's registration, and it is available for review at www.rcsdk8.org, under Technology Services.
- I will use my device(s) in ways that align with Roseville City School District expectations and are appropriate and educational.
- I will not add any identification to the device(s), including stickers, labels, drawings, or other marks.
- The device(s) must never be left visible in a car or any unsupervised area.
- The device(s) should be treated as valuable objects, not thrown, purposely dropped, or abused.
- The device(s) should not be used in or near proximity to water, household chemicals, or other liquids.
- The device(s) should be protected from environmental factors to prevent damage.
- Pencils, pen tips, and other pointed objects should never be used on the screen.
- I will only use a clean, dry, soft cloth to clean the device(s); no cleansers or liquids of any kind should be used.
- Upon request by the Roseville City School District Administration, I will return my device(s).

Parent/Guardian Responsibilities and Permission

I authorize the assignment of a mobile device to my student and understand that the device is meant to be used as a tool for learning. I confirm that my student will comply with the RCSD Responsible Use and Care Guidelines. I will help ensure the safe and timely return of the device(s) within the designated loan period. I acknowledge that I am financially responsible for any loss, theft, or damage to the device(s) issued to my student for both in-person instruction and at-home use. I understand that the approximate replacement cost for a Chromebook is up to \$300, and the approximate replacement cost for a Chromebook power supply is up to \$30. Furthermore, I am aware that my student may lose future loan privileges if the device is damaged or not returned promptly. All financial obligations must be settled before the end of the school year. Please address any financial obligation to avoid a hold placed upon report cards, transcripts, diplomas, or the transfer of records.

The student, parent, or guardian must immediately notify the student's teacher or principal of any issues with the mobile device(s) provided. It is important not to attempt any repairs on the mobile device(s).

If the device(s) is lost due to theft, burglary, robbery, or vandalism, it is crucial to report the incident immediately to Technology Services and local law enforcement. An official police report should be presented to the administration in the school office to assist in providing a replacement.

Dear Parents/Guardians,

Roseville City School District is dedicated to creating an educational environment where students thrive and develop essential skills for their future success. We aim to foster innovation, creativity, collaboration, and global citizenship among our students, ensuring they are well-prepared for high school, college, and career opportunities.

To support our mission, we offer Google Workspace for Education, an all-inclusive platform that provides a range of tools and applications designed to enhance the educational experience. Through applications such as Google Docs, Drive, Sheets, Slides, and Translate and services such as Jamboard and YouTube, students will have seamless access to collaborative tools, creating a dynamic and engaging learning environment. With these tools, students can collaboratively create, edit, and share files and websites for school projects. They can communicate with other students and teachers via Gmail from anywhere. Rest assured that our District staff will closely monitor each student's account to ensure compliance with the [Student's Acceptable Use Agreement](#) and [Internet Safety Policy](#). Please take a moment to review both documents with your student.

As part of the account creation process and to support teacher-student engagement, specific details, such as the student's first and last names, their enrolled grade, enrolled school, and student number, are shared with Google. Additionally, while the student's date of birth is not shared with Google, it is encrypted for third through eighth-grade students to generate a temporary password for login.

The use of technology in the Roseville City School District is governed by federal and state laws, including the Children's Online Privacy Protection Act ([COPPA](#)), the Children's Internet Protection Act ([CIPA](#)), and the Family Educational Rights and Privacy Act ([FERPA](#)). COPPA restricts commercial companies from collecting personal information from children under 13. CIPA requires public and school libraries to implement an internet safety policy that includes blocking or filtering access to visual content that may be harmful or obscene to minors. FERPA and corresponding California laws protect students' educational records from disclosure to third parties. The District does not collect personal student information for commercial purposes or share student information with third parties except when legally permissible or mandated by statute.

Google Workspace for Education comes with a robust program that gives our District control over applications and content. It restricts access to non-approved applications or content and enables administrators to establish policies regarding Gmail communication between users. Additionally, each student's account will be filtered to prevent the transmission of profanity, hate mail, bullying, explicit language, and other inappropriate content. We have implemented a "walled garden" feature that ensures student accounts can only send or receive mail from whitelisted domains within [rcsdkids.us](#) and [rcsdk8.org](#), thus maintaining a safe online environment.

Integrating Google Workspace for Education will empower our students to excel academically and develop crucial digital skills needed for success in today's world. We are fully committed to providing ongoing support and training to ensure a smooth transition and maximize the benefits of this powerful platform. If you have any questions or DO NOT want your student to have access to a Google Workspace for Education for the upcoming school year, please feel free to contact your student's teacher or principal.

Thank you for your continued partnership in creating a nurturing and innovative learning community.

Sincerely,

Laura Assem
Executive Director of Technology

STUDENT ACCIDENT INSURANCE
2025-26 School Year

Dear Parents:

The Roseville City School District does not provide medical, accident or dental insurance for pupils injured on school premises or through school activities. In accordance with Education Code Section 49472, the District is making available a low cost medical/dental accident insurance program. The purpose of this plan is to provide assistance at a minimum cost to meet some of the expenses for accidental injury. The plan does not provide unlimited coverage, but does offer substantial assistance in the event of injury.

There are two levels of benefits available. The “High Option” is recommended if your child has no family coverage or if your private coverage has a high deductible. All plans are available on a “School Time” or “24-Hour” (all day, everyday) basis and can cost as little as \$11 (one time annual payment). See rates below.

Please visit your Childs’ School Office to obtain a detailed brochure/application, or you may obtain one and sign up online at www.peinsurance.com (click on Products, then Student Insurance). Please read the Student Benefits Plan Brochure to select the plan that best meets your needs.

NOW AVAILABLE AT NO COST – FREE PRESCRIPTION DRUG CARD – GET ONE AT YOUR CHILD’S SCHOOL OFFICE OR THE WEBSITE ABOVE

The plans pay the first \$500.00 in benefits in addition to other insurance, which can help you meet your primary insurance deductibles and/or co-payments.

Since the district does NOT provide medical/dental accident insurance, we urge that serious consideration be given to the program. If you have further questions, please call Pacific Educators, Inc., Student Accident Department at (800) 722-3365 or (714) 639-0962.
