Article I - Recognition and Scope of Representation

A. The District confirms its recognition of CSEA as the exclusive representative of classified employees as set forth in Board Resolution #4 dated July 7, 1976, and acknowledges that CSEA is the exclusive bargaining representative for all classified employees, except employees classified as:

Management

Supervisory

Confidential Employees

Short Term*

Substitute*

“Substitute employee”, as used in this section, means any person employed to replace any classified employee who is temporarily absent from duty.

“Short-term employee”, as defined in California Education Code Section 45103

*Education Code #45103 states in part:

B. The District shall notify CSEA of any newly created positions. Newly created positions will be designated by the District subject to the unit clarification procedures of the Public Employment Relations Board.

C. The scope of representation shall be limited to matters relating to wages, hours, and other terms and conditions of employment. "Terms and conditions of employment" means health and welfare benefits as defined in section 53200, leave and transfer policies, safety conditions of employment, class size, procedures to be used for the evaluation of employees,

Recognition and Scope of Representation (Cont.)

organization security pursuant to section 3546 of the Rodda Act, and procedures for processing grievances.

- D. All matters not specifically enumerated are reserved to the District and may not be a subject of meeting and negotiating. However, nothing may be construed to limit the right of the District to consult with CSEA on any matter outside the scope of representation or to consult with other employee organizations or employees.

Article II- CSEA Obligations

- A. CSEA shall file with the District Office annually and keep current the following information:
 - 1. Name, mailing address, and telephone number of CSEA Roseville Chapter #475, CSEA local Field Office, and State CSEA.
 - 2. Name, mailing address, and telephone numbers of the officers and representatives of Roseville Chapter #475 of CSEA.

- B. Any CSEA correspondence related to the negotiation process including requests for information but excluding grievances, shall be directed to the Superintendent with a copy provided to the District representative. CSEA correspondence related to District operations shall also be directed to the Superintendent.

Article III - Association Privileges

- A. The Association may use school buildings for meetings subject to the facility's use or civic center permit regulations.

- B. On work sites of Association members, one bulletin board or section thereof shall be designated as the bulletin board available for the Association to post Association-to-membership communications. Copies of all such material will be submitted to the site supervisor at the time of posting or shown to the site supervisor at the time of posting. The authorized Association representative shall be responsible for the posting and contents of all such communications.

- C. The Association may use the District mail service and employee mailboxes for Association-to-membership communications, provided that the communication bears the name of the Association. A copy of each item so distributed will be submitted to the principal or supervisor no later than the time of distribution, provided that it is not in a sealed envelope.

- D. School equipment may be used for official Association business if there is no conflict with other school use and upon notification and prior written approval from the site supervisor. The Association shall use its own supplies or pay for any District materials used. The Association shall pay for any damage incurred to the equipment as a direct result of the use or misuse of equipment by the Association representative.

- E. The District agrees to provide the CSEA with a list of the names of newly hired unit employees each month. List will include: Full name, date of hire,

Association Privileges (Cont.)

classification or title, worksite location(s), work schedule, e-mail address, home address and phone number.

- F. The District shall provide a seniority list for each classification to the Association. The seniority list shall be updated and distributed by October 1st and February 1st of each school year.
- G. Official representatives of the Association visiting a work site shall follow the school's or department's procedures for visitors.
- H. The District agrees to furnish each bargaining unit member with an electronic copy of this agreement within thirty (30) days of its ratification. The District agrees to furnish each bargaining unit member a copy of any changes to this agreement upon ratification of the changes unless other arrangements are made by the parties. The District agrees to furnish each new employee of the bargaining unit a copy of this agreement after employment.
- I. Whenever notice is required to the District or the Association under this Agreement or by law, and no form of notice is otherwise designated, notice to the District shall be written notice made by personal delivery or first class mail to the District Superintendent and notice to the Association shall be specific written notice made by personal delivery or first class mail to the President of C.S.E.A. Chapter #475.
- J. The District agrees to provide each new bargaining unit member, upon employment, information concerning the Association as provided by the Association.

Association Privileges (Cont.)

- K. If the District provides a new employee orientation for classified staff, CSEA will be invited to speak with new employees at the orientation session.

Article IV - District Rights

The public school employer retains the right to manage the District and direct the activities of the employees except as limited by the terms and conditions of this agreement.

Article V - Hours

- A. The normal work week shall consist of five (5) consecutive days, Monday through Friday, of eight (8) hours per day and forty (40) hours per week. The regular work day and work week may be extended on an overtime basis.

- B. Each employee shall be assigned a fixed, regular, and ascertainable minimum number of hours. A temporary assignment for an exchange of hours to facilitate the educational program of the District may, by mutual agreement, be scheduled by the supervisor. The District shall make every effort to fill consistently the vacancy on an ongoing basis until such time as the employee returns.

All positions will be assigned on the basis of minimum 1/4 hours increments; i.e., 3 hours, 3-1/4 hours, 3-1/2 hours, etc. This provision will not reduce the hours of any current employees, nor will it reduce the hours of vacated positions.

- C.
 - 1. Any hours which an employee works above and beyond eight (8) hours per day or forty (40) hours per week shall be compensated at 1-1/2 times the regular rate. Any such hours must normally have prior approval of the immediate supervisor. Employees who work overtime without the prior approval of their supervisor may not be compensated for the time worked.
 - 2. This provision is effective for evaluations occurring during or after 1992. District-initiated overtime, as opposed to site-level overtime, shall be assigned as need dictates by District level supervisor. Only employees possessing necessary skills or knowledge and not having an overall unsatisfactory evaluation will be considered for the overtime assignment.

Hours (Cont.)

In the event more than one employee possesses skills or knowledge needed to complete such an assignment, the assignment shall be made on a rotational system based upon seniority within the classification. The list will be established starting with the most senior employee and working down the list with each assignment. When an overtime assignment is offered to an employee, the employee has the right of refusal of the assignment, with an employee refusing moving to the bottom of the rotational list. If all qualified employees refuse the assignment, and the assignment must be completed, the supervisor shall assign the first qualified person on the rotational list to the assignment. Overtime needed to complete a specific task already begun by an employee may, at the discretion of the supervisor, be completed on overtime assignment by that employee. This overtime will not affect an employee's position on the rotation list.

3. Extra Time: Whenever feasible, extra time will be distributed to employees who wish to work additional hours. Any such extra hours, beyond an employee's contracted hours, must have prior supervisor approval.
4. Short-term projects: The District will strive to use qualified regular part-time employees to complete short-term projects in lieu of hiring substitutes whenever practical.

D. All employees working five (5) hours or more per day shall be entitled to a lunch period of not less than $\frac{1}{2}$ hour. Lunch periods shall be granted at approximately the midpoint of the work shift.

E.

1. Employees working three (3) consecutive hours but less than four (4) consecutive hours shall be entitled to at least a five (5) minute break.

Hours (Cont.)

2. Employees working four (4) or more hours but less than seven (7) hours per day shall be entitled to a ten (10) minute rest break. Employees working (7) hours or more per day shall be entitled to two (2) rest breaks of ten (10) minutes each during the day.
 3. Insofar as practical, rest breaks shall be scheduled in the middle of the work period.
 4. If a recess period falls within an instructional aide's work period, the aide will be granted the appropriate rest break, if any, during a part of that recess.
 5. The District shall make every effort to ensure that break times are made available so that employees are able to take the breaks to which they are entitled.
- F. An employee who works a minimum of thirty (30) minutes per day in excess of their part-time assignment for a period of twenty (20) consecutive days or more shall have their basic assignment changed to reflect the longer hours in order to acquire employee benefits on a properly prorated basis.
- G. Any employee called in to work on a day when the employee is not regularly scheduled to work shall receive a minimum of two (2) hours' pay at the appropriate rate of pay under this agreement. All hours worked on holidays designated by this agreement shall be compensated at one and one-half (1-1/2) times the regular rate of pay plus holiday pay for those eligible.
- H. Any employee called back to work to provide services which do not continuously precede or follow an employee's regularly scheduled shift shall receive a minimum of two (2) hours' pay at the appropriate rate.

Hours (Cont.)

I.

1. Notwithstanding the provisions of Section A of this Article, the work week shall consist of not more than five (5) consecutive days for any employee having an average work day of four (4) hours or more during the work week. Such employees shall be compensated for any work required to be performed on the sixth or seventh day following commencement of the work week at a rate equal to one and one-half (1-1/2) times the regular hourly rate of pay for the employee designated and authorized to perform the work.
2. An employee having an average work day of less than four (4) hours during a work week shall, for any work required to be performed on the seventh day following the commencement of their work week, be compensated at a rate equal to one and one-half (1-1/2) times the regular rate of pay of the employee designated and authorized to perform the work.

J. Minimum days for students shall not be minimum days for employees.

K.

1. For the purpose of computing the number of hours worked, all time during which an employee is in paid status shall be considered as hours worked, with the exception of overtime.
2. In order to accomplish maintenance projects made more difficult when classes are in session, the District may alter the regular five (5) day, eight (8) hour work week to a four (4) day, ten (10) hour work week on a temporary basis. Assignments shall be made on a rotational basis.

Hours (Cont.)

L.

1. Any regular eight (8) hour-per-day employee whose daily shift commences at one(1:00) p.m. or later shall receive an additional five (5%) percent of base salary as a night-shift differential.
2. The District may alter regular work hours when school is not in session to allow work to be completed earlier in the day. Exceptions to the above will be considered on a case-by-case basis.

M. When compensatory time off is authorized in lieu of cash compensation, such compensatory time off shall be granted by June 30 of each year following the month in which the overtime was worked and without impairing the services rendered by the employing District. If compensatory time off is not granted or taken, it shall be paid to the employee.

N. 261-DAY WORK YEAR FOR TWELVE-MONTH EMPLOYEES

Twelve-month employees are paid for a two hundred and sixty (260) day work year. However, some years, the calendar actually results in a two hundred and sixty-one (261) day work year. This section only applies to years with more than 260 calendared work days.

1. The District agrees to allow the employee to schedule additional time off equal to the time in excess of 260 days, in full workday increments, to be taken at a time mutually agreed upon between the supervisor and the employee.

Hours (Cont.)

In order to qualify for the "261" floating holiday, the employee must have been employed on or before July 1 of that year. Employees in probationary status employed on or before July 1 will be eligible to take the "261" floating holiday after they attain permanent status. This benefit needs to be taken during the current work year and can not be carried over from year to year.

2. If a mutually agreed upon time can not be reached by the employee and their supervisor, the Assistant Superintendent, Personnel Services, will review the interests of each party and determine a time when the employee shall take this additional day or days off.
3. The intent of the time off is not to have a negative impact upon the instructional program and/or operational needs of the District. Every effort will be made to ensure that the implementation of the above language will result in no additional cost to the District (i.e., costs of substitutes, etc.).

O. Bus Driver Hours

1. District has the flexibility to assign seven (7) or more hour drivers to six to eight (6-8) hours per day without negatively impacting benefits. If additional time is assigned, holidays and paid eaves will be increased accordingly after twenty (20) consecutive days.
2. Less than seven (7) hour drivers: District has flexibility to:
 - a. Add up to one hour as needed. Benefits will be increased after twenty (20) consecutive days.
 - b. Decrease up to one hour with no decrease in benefits.
3. If more than one hour is added, time becomes part of regular assignment after twelve (12) weeks. Time will be granted fifteen (15) minute increments.

Hours (Cont.)

4. If additional hours are available, hours will be assigned first to drivers who have had hours reduced.
5. Decreases over one hour will be handled in accordance with Article XXII, Layoff and Reemployment.

P. Fluctuating Calendars

1. Classified employee calendars may increase annually by no more than two days from the published number or days assigned to any particular classification. These days, if necessary, shall only be added due to annual adjustments to the school calendar or due to fluctuating days in the yearly calendar that are out of the control of the District.
2. No additional work days shall be added to the calendar that are not driven by the school or yearly calendar.

For purposes of this section, benefits include insurance, holidays, and paid leaves.

Article VI - Evaluation Procedures

- A. New employees shall be on probationary status for six (6) work months from date of employment. An employee will serve a six (6) month probationary period upon promotion, which will not affect his or her permanent status in the District.

- B. Probationary employees will be evaluated at least twice during their probationary period and once during their first year of permanent employment. Employees whose probationary evaluation reflects "unsatisfactory" or "needs improvement" ratings may be required, at the discretion of the District, to serve an additional probationary period. The probationary period will not exceed one (1) calendar year.

- C. Thereafter, permanent employees with a current satisfactory evaluation shall be evaluated every third (3rd) year by their immediate supervisor. Evaluations shall be completed prior to May 15, except for employee and/or supervisor absence, which could reasonably be construed to delay the completion of the evaluation. No evaluation will be undertaken for arbitrary or capricious reasons.

- D. After conferring with the Superintendent or Assistant Superintendent, a supervisor may develop an Assistance Plan with a permanent employee to address areas of concern. If areas of concern are not improved through the Assistance Plan, then a follow-up conference shall be scheduled no later than two (2) months to re-evaluate the overall job performance. If the employee receives an overall rating of unsatisfactory, then the District may move for dismissal.

- E. If the employee receives an overall evaluation of "needs improvement,"

Evaluation Procedures (Cont.)

then a follow-up conference shall be scheduled no later than three (3) months to re-evaluate only those areas marked "needs improvement" or "unsatisfactory." If areas of concern have not improved to satisfactory, then the employee shall receive an overall evaluation of unsatisfactory. If the employee receives an overall evaluation of "unsatisfactory," then a follow-up conference shall be scheduled no later than two (2) months to re-evaluate the overall job performance. If the employee does not receive an overall rating of satisfactory, then the District may move for dismissal. The employee may have Union representation present during any evaluation conference.

- F. Reasons for any "unsatisfactory" or "needs improvement" ratings and specific recommendations for improvement shall be part of the written evaluation.
- G. In addition, a permanent employee may be evaluated more often where an overall "unsatisfactory" or "needs improvement" rating was given or after the supervisor discusses the need for reevaluation with the Superintendent or Assistant Superintendent.
- H. No evaluation of any employee shall be placed in the employee's personnel file without an opportunity for discussion between the employee and the evaluator.
- I. The employee's signature on the evaluation form does not signify agreement with the evaluation but merely indicates that review and evaluation has taken place.
- J. If an employee disagrees with the completed evaluation, the employee may submit a signed, written statement, which will be attached to the evaluation prior to placement in the employee's personnel file. The employee may notify the supervisor if such statement is forthcoming and shall submit it within five (5) working days after receipt of the evaluation.

Evaluation Procedures (Cont.)

K. Employees must be informed of any derogatory material to be placed in the employees' personnel file. Employees have ten (10) working days to have their written response attached to such material.

Article VII - Problem Resolution/Grievance Procedure

The Problem Resolution Procedure involves an informal and formal process. The informal process utilizes the basic philosophy of the interest-based problem-solving model. The formal process utilizes the traditional grievance procedures. The employee has the right to have representation present at any level.

INFORMAL PROCESS

The District and the Association encourage the use of the interest-based problem-solving model. However, the use of the informal process is not a prerequisite to the formal process. Both groups recognize that the success of the interest-based problem-solving model is dependent upon open communication between all parties and a willingness to objectively discuss the issue(s) or concern(s) and work together toward a viable solution.

STEP I: An employee who believes there is a possibility of filing a grievance shall present the concern orally to the immediate supervisor within fifteen (15) working days after the alleged violation. The immediate supervisor and employee shall meet within three (3) working days in an attempt to resolve the matter. During this conference, the employee and immediate supervisor will informally follow the interest-based problem-solving model by:

- Clearly stating the area(s) of concern
- Having open dialogue about interests of each party
- Share possible solutions to the problem
- Employee may have representation at this step

Problem Resolution/Grievance Procedure (Cont.)

STEP II: In the event a resolution is not reached at Step I, the employee may request within five (5) working days from the date of the meeting in Step I that the Assistant Superintendent of Personnel meet with the employee, a representative of the Association, and the employee's immediate supervisor to engage in the interest-based problem-solving model. The meeting shall occur no later than ten (10) working days from the request. The interest-based problem-solving model shall include the following steps:

1. Identify issue(s) or areas of concern
2. Discuss individual and mutual interests
3. Generate options
4. Clarify commitments

FORMAL PROCESS

The District and Association recognize that problems may not always be solved at the informal steps. If an employee has chosen to follow the informal steps and remains convinced that he/she has cause for a grievance, then the employee may choose to do the following, beginning with Step II. If the informal process was not used, then the employee must begin with Step I of the formal process.

STEP I: If an employee believes he/she has cause for a grievance, he/she shall file a written grievance with his/her immediate supervisor within twenty (20) working days of the alleged violation. The written information shall include: a) a clear statement of the grievance, including names, dates, and places if known, necessary for a complete understanding of the grievance; b) a listing of the provision(s) of this agreement which are alleged to have been violated; and c) a listing of the remedy(ies) requested of the District. The supervisor shall respond in writing within five (5) working days after receipt of the grievance. Within the above time limits, the grievant or the supervisor may request a conference with the other party. If resolution was not reached, the employee may proceed to Step II.

Problem Resolution/Grievance Procedure (Cont.)

STEP II: If the informal process was used: File a grievance with the Superintendent or designee within ten (10) working days from the date of the informal Step II meeting.

If the informal process was not used: File a grievance with the Superintendent or designee within ten (10) working days from the receipt of the written response in Step I of formal process. The written information shall include: a) a clear statement of the grievance, including names, dates, and places if known, necessary for a complete understanding of the grievance; b) a listing of the provision(s) of this agreement which are alleged to have been violated; and c) a listing of the remedy(ies) requested of the District. The Superintendent or designee shall communicate a decision within ten (10) working days after receiving the grievance. Within the above time limits, the grievant, superintendent, or superintendent's designee may request a conference with the other party.

STEP III: If a grievance is not resolved at Step II, the grievant, with the approval of the Association, may request in writing a hearing before an advisory arbitrator. The written request shall be filed in the Office of the Superintendent within ten (10) working days after receipt of the decision at Step II.

The advisory arbitration proceeding shall be conducted by an arbitrator, which may be mutually selected by the parties. If the parties fail to reach agreement on an arbitrator within ten (10) working days, the American Arbitration Association will be requested to supply a list of names. The American Arbitration Association, Voluntary Rules of Arbitration shall apply. The District and the Association will share equally in payment for the fees and expenses of the arbitrator. All other costs shall be paid by the party incurring them.

Problem Resolution/Grievance Procedure (Cont.)

ADVISORY ARBITRATION

It shall be the function of the arbitrator to make a recommendation to resolve the grievance. Such recommendations are advisory only.

- A. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this contract.
- B. If the District should dispute the arbitrability of the grievance, such a claim shall be heard and a ruling given by the arbitrator prior to any hearing on the grievance.
- C. Either party may request a certified court reporter to record the entire arbitration hearing. The cost of the services and expenses of such court reporter shall be paid by the party requesting the reporter or shared by the parties if they mutually agree. If the arbitrator requests a court reporter, then the costs shall be shared by both parties.
- D. Upon receipt of the arbitrator's recommendation, the Board of Education shall render its decision within thirty (30) days. It alone has the power to render a final and binding determination of a grievance within this procedure. The recommendation of the arbitrator shall only be advisory, and if, upon review, the Board of Education determines that it is unable to render a final determination on the record, it may reopen the record for the taking of additional evidence. Nothing herein shall abrogate the right of the grievant to pursue the grievance in a court of competent jurisdiction.

Problem Resolution/Grievance Procedure (Cont.)

GENERAL INFORMATION

- A. For the purpose of this agreement, the term "grievance" means an allegation by an employee or the Association that he/she has been adversely affected by a violation, misinterpretation, or misapplication of the written terms and conditions of this agreement.

- B. The District shall grant reasonable release time for grievance processing.

- C. If the grievance arises from an action of authority higher than the supervisor, the employee may present such grievance at Step II of the formal process.

- D. Time limits provided in this agreement may be extended by mutual written agreement of the parties. Failure at any step of this procedure by the District to communicate the decision on a grievance within the specified time limit shall cause the grievance to automatically move to the next level. Any grievance not advanced when due on behalf of CSEA/grievant response from one step to the next within the time limits of that step shall be deemed null and void, and the grievant thereby waives the right to appeal.

- E. Nothing contained herein shall deny employees their rights under state or federal constitutions or laws.

- F. The grievant shall be present at each grievance conference or hearing. Each grievance, conference, or hearing shall be scheduled at a mutually agreeable time when all parties will be present.

Article VIII - Vacations

A. Employees shall be entitled to an annual vacation at regular pay. Employees in a paid status for fifty percent or more of their assigned workdays earn one year of vacation credit for vacation schedule movement. Vacation leave shall be as follows:

- First through Fifth Year 12 days
- Sixth through Tenth Year 16 days
- Eleventh through Fourteenth Year 18 days
- Fifteenth through Nineteenth Year 20 days
- Twenty years and above 22 days

Effective July 1, 2008

B. If the employee is not permitted to take his/her full annual vacation, the amount not taken shall accumulate for use in the next school year or be paid in cash at the option of the employer.

C. Earned vacation shall not become a vested right until completion of the probation period of six (6) months. Prorated vacation for employees working less than twelve (12) months shall be included in their computed pay.

Eleven and one-half months Food Service employees will earn vacation prorated to eleven and one-half months and will take vacation like twelve-month employees. If an eleven-and-one-half-month employee goes to a ten or eleven-month position, the vacation they have accrued and have not taken will be reimbursed

Vacations (Cont.)

by the district or the employee will be allowed to take the remaining days according to provisions in Article VIII.

- D. If an employee's vacation becomes due when he/she is on leave due to injury or illness, the District will, upon request, change the employee's vacation date in accordance with vacation dates available.
- E. When an employee leaves District service, he/she shall be entitled to a lump sum payment for all earned and unused vacation leave, or upon mutual agreement of the employee and the District, the employee may be allowed to take vacation for the number of days accumulated prior to termination.
- F. A permanent employee may elect to carry over no more than ten (10) days of vacation to the following fiscal year.
- G. Twelve (12) month employees shall have the option of using vacation days during the school year as mutually agreed. Approval shall not be unreasonably withheld. Custodians may take a maximum of four (4) days vacation during Winter Break.
 - 1. Vacation will not normally be granted during the week before school starts, the first week of school, the last week of school and the first week after school is out.
 - a. Where two or more employees working in the same classification at the same site are eligible for vacation, all of these employees may not be scheduled for vacation at the same time. The scheduling of vacation dates between those employees at the same site shall alternate from year to year. If employees change sites, the previous year's vacation schedule shall be reviewed and the employee who had those scheduled vacation dates the prior year will have to

Vacations (Cont.)

select alternate dates. In cases that contract language does not apply, seniority will be the determining factor.

- b. All vacation days shall be mutually agreed upon by the employee's immediate supervisor. Approval shall not be unreasonably withheld.

H. Vacation planning calendars will normally be distributed to employees by March 1st. Employees should submit tentative vacation requests for June and the ensuing school year to their immediate supervisor and Principal by March 15th. Dates may be changed on a case-by-case basis. Employees are still required to submit a Request for Leave (Form #50) prior to planned vacation.

Article IX - Holidays

1. Admission Day*
 2. Labor Day
 3. Veteran's Day
 4. Thanksgiving Day
 5. The Friday after Thanksgiving Day
 6. Christmas Eve Day
 7. Christmas Day

- D. Regular employees of the District who are not normally assigned to duty during the school recess period during the school holidays of December 24, 25 and January 1 shall be paid for those three (3) holidays provided that they were in a paid status during any portion of the working day of their normal assignment immediately preceding or succeeding the holiday period.

Article X - Leaves

LEAVE OF ABSENCE FOR (SICK LEAVE) ILLNESS OR INJURY (NON-INDUSTRIAL)

1. As provided in Section 45191 of the Education Code, every classified employee employed five (5) days a week by the District shall be entitled to twelve (12) days leave of absence for illness or injury, exclusive of all days he/she is not required to render services to the District, with full pay for a fiscal year of service.
2. A classified employee, employed five (5) days a week, who is employed for less than a full fiscal year is entitled to that proportion of twelve (12) days leave of absence for illness or injury as the number of months he/she is employed bears to twelve (12).
3. A classified employee employed less than five (5) days per week shall be entitled, for a fiscal year of service, to that proportion of twelve (12) days leave of absence for illness or injury as the number of days he/she is employed per week bears to five (5). When such persons are employed for less than a full fiscal year of service, this and the preceding paragraph shall determine that proportion of leave of absence for illness or injury to which they are entitled.
4. Pay for any day of such absence shall be the same as the pay which would have been received had the employee served during the day.
5. Credit for leave of absence need not be accrued prior to taking such leave by the employee and such leave of absence may be taken at any time during the year. However, a new employee of the District shall not be eligible to take more than six(6) days, or the proportionate amount to which he/she may be entitled pursuant to this Article, until the first day of the calendar month after completion of six (6) months of active service with the District.
6. If such employee does not take the full amount of leave allowed in any year under this Article, the amount not taken shall be accumulated from year to year.

For those employees assigned a shift beginning after 12 noon, notification of absence shall be provided to the District via the Absence Management System as soon as possible prior to his/her assigned shift beginning if he/she is unable to perform his/her work.
9. The Superintendent, Superintendent designee, or the immediate supervisor of the employee may require a physician's or other verification as to an employee's claimed reason for absence under this Article in any situation when it is believed that no valid grounds exist for the employee's claimed absence. Such verification shall be made within five (5) days of the demand.
10. Each employee shall have access to a statement of entitled and accumulated sick leave, along with the compensation information via the Employee portal, which is updated monthly.

Health insurance coverage shall be maintained and paid for by the District for the duration of the leave not to exceed 12 work weeks in a 12-month period. The District may recover the premium paid for the employee during the leave if the employee fails to return from leave after the period of leave has expired for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to leave or other circumstances beyond the control of the employee.

There is no carry-over of unused leave. Family Care Leave does not accumulate from year to year.

"Parent" means a biological, foster or adoptive parent, a stepparent, a legal guardian, or other person who stood in loco parentis to the employee when the employee was a child. "Child" means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of an employee standing in loco parentis who is either under 18 years of age or is an adult dependent child who is incapable of self-care because of a mental or physical disability.

Leaves (Cont.)

If both parents of a child who are entitled to Family Care Leave under the first paragraph of this article are employees of the District, the District shall not be required to grant leave in connection with the birth, adoption, or foster care of a child that would allow the parents Family Care Leave totaling more than a combined total of twelve work weeks in a twelve-month period specified in the first paragraph of this article.

The employee shall provide reasonable advance notice to the District via the Request for Leave form (found on the District webpage, under Staff Resources) of the need for Family Care Leave, the date the leave will commence, and the estimated duration of the leave. If the need for a leave becomes known more than thirty (30) days prior to the date a leave is to begin, the employee must provide at least thirty (30) days' written advance notice.

If verification is required by the District to verify the serious illness of the child, spouse, parent, or employee, the District may accept medical verification by the treating health professional.

Seniority protection - This leave does not constitute a break in service for seniority under any collective bargaining agreement or employee benefit plan.

Family Care is an unpaid leave of absence unless an employee elects to use accrued vacation or other appropriate paid leave. When available paid leave is exhausted, the balance of the family leave, if any, is unpaid.

Employees who do not qualify for the Family Leave Act may be eligible for other leave provisions provided by the contract. Pregnancy and Maternity Leave is in addition to provisions of the Family and Medical Leave Act (Refer to Article X, Pregnancy and Maternity Section.)

The Board of Trustees may grant a permanent employee in the bargaining unit a leave of absence not to exceed one year for the purpose of permitting study by the employee or for the purpose of retraining the employee to meet changing conditions within the District consistent with the provisions of Sections 45380-45387 of the Education Code.

These days of released time may be used in no less than two (2) hour periods.

EXTENDED SICK LEAVE

1. When an employee in this unit is absent from duty on account of illness or accident for a period of five (5) months or less, whether or not the absence arises out of or in the course of employment of the employee, the amount deducted from the salary due the employee for any month in which the absence occurs shall not exceed the sum actually paid a substitute employee employed to fill the employee's position during the absence. Except as the District has in effect a salary schedule for substitute employees, the amount paid to the substitute employee during any month shall be less than the salary due to the employee absent from duty. The five (5) month period of this leave shall commence on the first day after the exhaustion of sick leave benefits under this article.
2. Entitlement to sick leave provisions under this Article, if any, shall be considered "entitlement to other sick leave" for purposes of computing benefits under the provisions of Section 45192 of the Education Code if the absence is for industrial accident or illness and shall be used after entitlement to all regular sick leave, accumulated compensation time, vacation or other available paid leave has been exhausted.

Leaves (Cont.)

3. Industrial accident or illness leave will commence on the first day of absence;
4. During any paid industrial leave of absence, Temporary Total Disability checks will be sent directly to the District and distributed to the employee via their normal end-of-month payroll. The District must make an adjustment on the payroll by reducing the employee's regular check by the full amount of said benefit check(s). The District will notify the County Office that the adjustment is for Workers' Compensation and that the retirement contribution from the employee must be adjusted to an amount equal to the full amount of pay before the compensation benefit reduction. Workers' compensation benefits are not taxable or subject to FICA, but the employee is entitled to full PERS retirement credit. If an employee returns to work during the period for which they have received a benefit check, the District will be invoiced for the overpayment since the District will have deducted full benefit from the employee's pay, and the District, not the employee, is responsible for overpayment;
5. Industrial accident leave will be reduced by one day for each day of authorized absence regardless of a compensation award made under workers' compensation;
6. When an industrial accident leave occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury;
7. The industrial accident or illness leave is to be used in lieu of normal sick leave benefits. When entitlement to industrial accident or illness leave under this section has been exhausted, entitlement to other sick leave will then be used. Leaves (Cont.)

- vacation or other available leaves, which, when added to the workers' compensation award, provides for a day's wage or salary;
8. When all available leaves of absence, paid or unpaid, have been exhausted, and if the employee is not medically able to assume the duties of his/her position, the person shall, if not placed in another position, be placed on a reinstatement list for a period of 39 months. When available, during the 39-month period, the person shall be employed in a vacant position in the class of the person's previous assignment over all other available candidates except for a reemployment list established because of lack of work or lack of funds, in which case the person shall be listed in accordance with appropriate seniority regulations;
 9. Periods of leave of absence pursuant to this Article shall not be considered to be a break in service for the employee;
 10. To be eligible for industrial accident or illness leave, an employee must have permanent status with the District;
 11. An employee returning to work from an industrial accident or illness leave may be required to present a doctor's release prior to returning to paid duty.

A Leave of absence is an extended absence from duty for a prescribed period of time specifically authorized by the District, not to exceed twelve (12) months for reasons other than health. Such leaves are normally granted for health reasons or for specific training. A written request for a Leave of Absence shall be submitted to the employee's principal or immediate supervisor and then to the Superintendent. The request must specifically state the reasons for the request and its duration. The Superintendent will present it to the Board with a recommendation for approval or disapproval. Leaves (Cont.)

without pay shall not count toward completion of probation, or, except as provided in Paragraph 3 below, salary step advancement.

2. Employees given Leaves of Absence, except those on health leave, for a period in excess of six (6) months shall give the District written notice on or before sixty (60) days prior to the end of the leave of their intention to return. Failure to return by the expiration date of leave shall constitute a resignation on the part of the employee; such resignation may be accepted by the Board at any time after the expiration date of the leave. At least seventy (70) days prior to the end of the leave, the Superintendent will remind the employee of the obligation by certified letter.
3. Specific Provisions Related to Leaves for Health Reasons
 - a. A permanent employee of the District who has exhausted all entitlement to sick leave, vacation, compensatory overtime, or other available paid leave and who is absent because of non-industrial accident or illness may be granted additional leave, paid or unpaid (at the discretion of the Board after receipt of the recommendation of the Superintendent), not to exceed six (6) months. The Board may renew the leave of absence, paid or unpaid, for two additional six (6) month periods or such lesser leave periods that it may provide but not to exceed a total of eighteen (18) months. An application for such leave of absence must be supported by the written recommendation of a licensed physician, and before reinstatement, a statement must be furnished from a physician indicating that the returning employee is capable of performing all assigned duties.
 - b. An employee, upon ability to resume the duties of a position within the class to which he/she was assigned, may do so at any time during the leaves of absence granted under Paragraph 3 of this Article, upon submission to the District of a physician's release to return to full duty, and time lost shall not be considered a break in service. He/she shall be restored to a position within the class to which he/she was assigned and, if

Leaves (Cont.)

at all possible, to his/her position with all the rights, benefits and burdens of a permanent employee.

- c. If at the conclusion of all leaves of absence, paid or unpaid, the employee is still unable to return to assume the duties of his/her position, he/she shall be placed on a reemployment list for a period of 39 months. If at any time during the prescribed 39 months the employee is able to assume the duties of his/her position, he/she shall be reemployed in the first vacancy in the classification of his/her previous assignment. His/her reemployment will take preference over all other applicants except for those laid off for lack of work or funds under Section 45298 of the Education Code, in which case he/she shall be ranked according to his/her proper seniority. Upon resumption of his/her duties, the break in service shall be disregarded and he/she shall be fully restored as a permanent employee.
4. A request for a leave, based upon a reason not specified in this Article, will be considered by the Board from the standpoint of value to the District, urgency of the request, and the employment record of the employee making the request.

LEAVE: DONATION OF LEAVE FOR CATASTROPHIC ILLNESS

- A. Upon written request, classified employees may donate earned sick leave to the Catastrophic Leave Bank and or to a specifically named RCSD classified employee as eligible leave credits when an employee or that employee's family member suffers from a catastrophic illness or injury. Open contribution time will annually occur in May. If the Catastrophic Leave Bank or the individual employee is depleted of sick leave, contributions may be donated as needed during the school year. The Personnel Office, in cooperation with the California School Employees' Association, with permission of the requesting employee, will make known to all classified employees the need for donations. The donation and receipt of such credits are subject to the following conditions:

Leaves (Cont.)

1. Catastrophic illness or injury is defined to mean an illness or injury that is expected to incapacitate an employee or a member of an employee's family for an extended period of time, which incapacity requires the employee to take time off from work to care for that family member for an extended period of time, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave.
2. Eligible leave credits are defined to mean sick leave accrued to the donating employee. An employee cannot donate future sick leave that has not been accrued. An employee may donate up to 360 hours per work year.
3. Family member is defined to mean the employee's spouse, parents, parents-in-law, siblings, children and stepchildren.
4. The employee who is, or whose family is, suffering from a catastrophic illness or injury and who is requesting that eligible leave credits be donated:

 - b. Must exhaust all accrued paid leave credits including regular sick leave, accumulated compensation time, vacation or other available paid leave.
 - c. Must use all leave credit that he or she continues to accrue on a monthly basis before receiving paid leave credits that are donated under this contract section.

Leaves (Cont.)

5. The Personnel Office will refer eligible employees under the Catastrophic Leave provisions to the Catastrophic Leave Committee, which will consist of three members of the California School Employees' Association Executive Board. To approve an employee's request for sick leave, there must be three affirmative votes.
6. An employee who chooses to donate eligible leave credits:
 - a. Must submit completed form to the Personnel office of the intent to transfer the eligible leave credits.
 - b. Acknowledges that all transfers of eligible leave credits are irrevocable and binding.
 - c. Must donate eligible leave credits of a minimum of one day. A day is defined as the total daily assigned hours worked by a given individual employee. Additional eligible leave credits have to be donated in full-day increments.
 - d. Donations to the Catastrophic Leave Bank and or to a specifically named RCSD classified employee are not counted as an absence for purposes of Article X, Section 12.
7. Eligible credits donated into a "pool" will be distributed by the Catastrophic Leave Committee.
 - a. The Catastrophic Leave Committee will determine the number of days or hours eligible employees may receive.
 - b. For eligible employees, the Catastrophic Leave Bank or individual specific employee donations will supplement the District provided Income Protection Plan up to a maximum of 100% of salary for one year.
 - c. For eligible employees, the Catastrophic Leave Bank or individual-specific employee donations will provide a maximum of sick leave for one year to the extent of days available in Catastrophic Leave Bank or individually donated.

Leaves (Cont.)

- d. The Catastrophic Leave Committee's decision to deny the employee's request to receive donated leave credits is final and is not subject to review or appeal under the grievance or any other procedure.
8. If the Catastrophic Leave Bank exhausts all available sick leave, there is no obligation to provide sick leave to any eligible employees. However, RCSD classified employees may still make specific individual donations to other RCSD classified employees that qualify under this article.
9. If the option of the Catastrophic Leave Bank is negotiated out of the contract, then the District and the Association agree to negotiate how the remaining sick leave days will be utilized.
10. The Association will not be held responsible for the District's determination of eligibility. The District will not be held responsible for the Association's distribution of sick leave days in the Catastrophic Sick Leave Bank.
11. Return of Unused Catastrophic Leave Credits
 - a. Any catastrophic leave credits donated for a specific, approved request and not used by the recipient shall be returned to the CSEA Catastrophic Leave Bank. Such credits shall not be retained by the employee, nor may they be used beyond the scope of the original approved catastrophic leave request.

Article XI - Transfers and Promotion

- B. A promotion is a movement to a higher job classification.
- C. Job site is the location where the employee is normally assigned and performs his/her duties or the location from which he/she performs duties throughout the District.

1. Bargaining unit members serving in the same classification in the District will be offered the opportunity to apply for a transfer. If three or more unit members apply for a transfer, they will become the first pool to be formally interviewed and considered for the position.
2. If less than three unit members apply for a transfer, then the District will interview other qualified unit members who will be considered for promotion prior to interviewing outside applicants.
3. If there is an insufficient pool of qualified unit members, the District may consider outside candidates along with unit members.
4. Upon request, the District shall provide the reasons the unit member was not selected for the position.

B. When temporary transfers are made pursuant to this section, the employee shall be notified of the reason for the temporary transfer.

C. After position(s) have been eliminated at a work site(s) and/or department(s), the most senior employees affected by the layoff will be allowed to remain at that work site or department. The least senior employee is subject to reassignment to another site. When there is a need for an involuntary transfer, it will be the responsibility of the Personnel Department, with principal input, to assign personnel to job sites.

Article XII - Safety Conditions of Employment

1. The District shall conform to and comply with all health and safety conditions of employment requirements imposed by State or Federal law or regulations adopted under State or Federal law.

2. Such dues deduction shall be deducted from the salary check beginning in any year with the September pay period. Deductions from new members shall commence on any month designated, provided the dues authorization is signed and given to the District Office prior to the 10th of the month.
3. The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.
4. Whenever there is a dues increase, the Association shall provide the designated District Business Office employee with notification of the increase at a time sufficiently prior to the effective date, a minimum of forty-five (45) days, of the increase to allow the District an opportunity to make the necessary changes and with a copy of the notification of the increase which the Association has sent to all concerned members.

2. Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff or to remain in their present positions rather than be reclassified or reassigned, shall be granted the same rights as persons laid off and shall retain eligibility to be considered for reemployment for an additional period of up to 24 months; provided that the same tests of fitness under which they qualified for appointment to the class shall still apply.
3. Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be, at the option of the employee, returned to a position in their former class or to positions with increased assigned time as vacancies become available, and without limitation of time, but if there is a valid reemployment list they shall be ranked on that list in accordance with their proper seniority.

MOU: New Employee Orientation

COMMENTS

AB 119 (2017) adds sections 3555-3559 to the Government Code and amends the Public Records Act in Government Code Section 6254.3. It requires that, absent a waiver by CSEA, the District is required to (1) give CSEA ten (10) days’ notice of every orientation session absent an urgent critical unforeseen need, (2) provide CSEA with access to new hires during any orientation session, (3) provide CSEA with contact information on new hires within thirty (30) days of hire or the first pay period of the month after the employee is hired, whichever is later, and (4) also provide CSEA with a list of all employees’ names and contact information every one hundred twenty (120) days (October, February, June).

1. DISTRICT NOTICE TO CSEA OF PROCESSING/ORIENTATION

- a. For the purpose of providing CSEA access to new employees, the RCSD shall provide CSEA notice (ten (10) days where possible) each time RCSD makes a one-on-one processing/orientation appointment for a candidate recommended for hire. The notice shall include the date, time, and location of the appointment, along with the candidate’s name, position, and work location. Notification shall be sent to the CSEA Labor Relations Representative of Record and the CSEA Chapter 475 President of Record.
- b. A CSEA representative shall be provided release time to attend the processing/orientation appointment should the orientation be scheduled during the representative's work hours. Release time shall not be counted against the total release time contained elsewhere in the collective bargaining agreement. After receiving final clearance for hire, the employee becomes a newly hired employee.
- c. The District shall include the CSEA membership packet in any new employee orientation provided to any newly hired classified employee. CSEA shall provide the copies of the CSEA membership packets to the District for distribution.
- d. In the event the District conducts a group orientation for new hires, the District will provide CSEA with ten (10) days advance notice. The President shall be provided release time should the orientation be scheduled during the President’s work hours. Said release time shall not be counted against the total release time contained elsewhere in the collective bargaining agreement. The CSEA Labor Relations Representative may also attend the orientation session.

For those latter employees, for purposes of this article only, the “date of hire” is the date upon which the employee’s status changed such that the employee was placed in the CSEA unit.

- b. The District shall provide CSEA with contact information on the new hires. The information will be provided to CSEA electronically via a mutually agreeable secure FTP site or service on the last working day of the month in which they were hired. This contact information shall include the following items, with each field in its own column:

- e. Periodic Update of Contact Information: The District shall provide CSEA with a list of all bargaining unit members’ names and contact information (as listed under 2(b) above) on the last working day of October, February, and June. 3. DURATION OF AGREEMENT

- a. MOU: Confidential to Classified Positions

The California School Employees Association and its Roseville City Chapter No. 475 (“CSEA”) and the Roseville City School District (“District”) (collectively “Parties”) have met to ensure that all positions that are identified as “Confidential” are appropriately classified as such in accordance with California Education Code. The District and CSEA agree that a solution must be reached to ensure employees are classified correctly. As such, the parties have agreed to the following plan to transition positions from a confidential classification to a CSEA classified classification in accordance with California Education Code:

1. No employee shall have their classification involuntarily changed while they are currently employed in the role.
2. All current confidential employees will remain confidential for the duration of their employment in their current position.
3. Salary, benefits, and longevity increases for confidential employees will remain aligned with the Classified Confidential Salary Schedule and Health and Welfare Contributions for the entire duration of their service in their current position.
4. Positions in each individual classification listed in this MOU will transition to the CSEA classified salary schedule when the employee that currently serves in the position vacates the role through promotion, resignation, retirement, dismissal, or any other means of attrition.
5. When a confidential position in the classifications listed below is vacated, the position will then be aligned with the CSEA Classified Salary Schedule, including longevity increases and health and welfare contributions.
6. A confidential employee in one of the positions in the classifications listed below may request to be transitioned to CSEA classified status without vacating their role. The District agrees to honor such requests.
7. Individual letters of assurance will be issued to each current confidential employee that serves in one of the roles below that will state their right to remain confidential during their tenure in their current position.

8. When a position is transitioned from confidential to CSEA classified status, the classification that the position belongs to will be reviewed to ensure that the salary range placement is fair market value and the job description is current.
9. Any difference arising from the interpretation, administration, or application of this agreement may be addressed through the grievance procedure set forth in Article VII of the Collective Bargaining Agreement or any other remedial mechanism available by law, if applicable.
10. This MOU will become effective once ratified by both Parties.

Memorandum of Understanding by and between
The Roseville City School District (“District”) and The California School Employees Association
and its Roseville City Chapter 475 (“CSEA”)

MOU: Contracting Out Positions

The California School Employees Association and its Roseville Elementary Chapter No. 475 (“CSEA”) and the Roseville City School District (“District”) (collectively “Parties”) have met regarding the temporary vacancies and shortage of classified substitutes. The District and CSEA agree that a temporary solution must be reached to ensure students are provided with necessary support and ensure compliance with special education obligations:

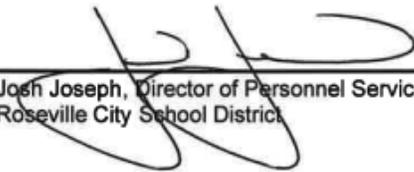

1. The District may retain outside contractors to supplement the classified substitute pool. The Parties agree that the District's use of outside contractors to supplement the substitute pool shall be limited to those positions requiring federally mandated services through current Individualized Education Programs or to provide critical and urgent services that are not otherwise available through existing members and/or the classified substitute pool.
2. The District's contracting out to supplement the classified substitute pool under this MOU shall not displace CSEA bargaining unit members, nor will it be used as the basis for reductions in hours and/or layoffs during the 2025-2026 school year.
3. Prior to contracting out to supplement the classified substitute pool, the District will first attempt to fill any vacancy with eligible bargaining unit members.
4. The District agrees to continue to conduct consistent, good-faith hiring into all vacant classified positions.
5. The District agrees to provide CSEA a monthly update on the status of vacancy recruitment. This update shall include the number positions posted (to include the site, FTE, and classification for each position), the number of applicants for each vacant position, and the outcome of those applicants. The District agrees to meet with CSEA, when reasonably requested, no more than one time per calendar month to discuss contracted services, positions, and expenditures.
6. The District agrees to provide CSEA a monthly update on the District's use of any outside contractors pursuant to this MOU. This update shall include the following for each and every instance an outside contractor is used pursuant to this MOU: the name of the outside contractor, the date of service, the hours of service, the location(s) of service, the position substituted for, and the reason a substitute was needed.
7. The Parties agree that this MOU shall not create a past practice or be deemed precedential in any manner whatsoever. Nothing in this MOU is intended to modify the

terms of the Collective Bargaining Agreement (“CBA”) between the Parties, including, but not limited to, the recognition clause set forth in the CBA.

8. By agreeing to this MOU, the Parties have completed any and all negotiations related to contracting out to supplement the classified substitute pool for the 2025-2026 school as may be required by the Educational Employment Relations Act.
9. Any difference arising from the interpretation, administration, or application of this agreement may be addressed through the grievance procedure set forth in Article VII of the Collective Bargaining Agreement or any other remedial mechanism available by law, if applicable.

This MOU is subject to ratification by the bargaining unit and Governing Board.

This MOU is non-precedent setting and is in effect through the 2025/2026 school year.
