2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Warren T. Eich Middle School, which was originally opened in 1964 as a 7th/8th-grade Intermediate School, became a 6-8th grade school in 2013. Eich has experienced many successes academically, athletically, and within the community for over 50 years. Most recently, in January of 2016, Warren T. Eich was accepted as an International Baccalaureate (IB) World School---the first and only middle school in Placer County given this IB designation. As an IB World School, all Eich students take a high school level Foreign Language class and a Visual Performing Arts class as part of their daily core class schedule. Under the Visual Performing Arts, students at Warren T. Eich have the opportunity to take Beginning/Advanced Art, Beginning/Intermediate/Advanced Computer Technology, Electronics & Robotics, Engineering & Manufacturing and Beginning/Advanced Woodshop, Yearbook, Beginning/Advanced Student Government, Beginning/Intermediate/Advanced Dance, Beginning/Advanced Drama, Drum Line, Guitar, or Choir/Musical Theatre. For more detailed information on Eich's International Baccalaureate (IB) Program please go to www.IBEich.com.

Also, since 1999, Warren T. Eich received some of its most prestigious honors. In 1999 and 2013, Eich was selected as a California Distinguished School and was also named a National Blue Ribbon School in 2000. During 2006 Warren T. Eich received recognition as a Project Fit America School and in the fall of 2008, Eich became an AVID (Advancement Via Individual Determination) National Certified School.

Athletically, Warren T. Eich offers Girls' & Boys' Volleyball, Cross Country, Competitive Flag Football, Girls' & Boys' Basketball, Wrestling, and Track & Field as after-school competitive sports. Since 1997, Eich boasts over 45 athletic championships while competing in the Foothill Interscholastic Sports Athletic League (FISAL).

Warren T. Eich also has strong ties with the community by participating, on a yearly basis, in the annual Lions Club Canned Food Drive, a Toy Drive which supports a local elementary school's "Giving Tree" to supply gifts and books for underprivileged students during the holidays and Eich's Jingle Bell Run which raises money for low-income Eich families. Students are also encouraged to give back to their community through their 8th grade IB Community Project groups.

Finally, Warren T. Eich offers classes and programs that fit the needs of a diverse student population through Advanced classes in Language Arts and Social Studies/History, Accelerated/Honors Math classes, English Language Learner (ELL) classes, Heritage Speaking classes as an alternative for those who are fluent in Spanish and may not require Levels 1, 2, & 3

2022-23 School Overview

Spanish classes, Math and Science Olympiad which offers students the opportunity to compete in individual and team competitions, Destination Imagination (DI) which allows students to compete in math, science, engineering, and performing arts team competitions, and the Functional Skills Program (FSP) class which services students with severe autism and down syndrome.

Warren T. Eich Middle School's Mission Statement:

To empower all students to develop into lifelong learners who are inquisitive, compassionate and accountable. Students will be encouraged to use critical thinking and integrity in their commitment to bettering our local and global communities through service and embracing differences.

Warren T. Eich Middle School's vision is dedicated to developing lifelong learners who:

1. Are inquisitive, critical thinkers with a broad perspective of the world around them.
2. Focus on high-quality instruction with on-going reflection based on students' achievements.
3. Are committed to developing a caring attitude towards school, community, and personal excellence.

International Baccalaureate (IB) Mission Statement:

The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end, the organization works with schools, governments, and international organizations to develop challenging programs of international education and rigorous assessment.

These programs encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Roseville City Elementary held a public hearing on September 1, 2022, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

School Facility Conditions and Planned Improvements

General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Office.

Maintenance and Repairs:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District annually inspects wheelchair lifts, tests fire extinguishers, inspects and services all playground equipment, replaces bark on playgrounds and landscaping, and services HVAC units.

School Facility Repair Status:

Overall Summary School Facility Repair Status: Good

The inspection included a check of possible gas leaks, mechanical systems, interior and exterior doors and windows, interior surface areas, structural damage, electrical, playground equipment, and hazardous materials. In all areas this school passed inspection.

Cleaning Process and Schedule:

The District has adopted cleaning standards for all schools in the District. The school administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Since 2008-2009 the State has suspended the program due to State Budget Reductions. The District still maintains its own program.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	52	N/A	60	N/A	47
Mathematics (grades 3-8 and 11)	N/A	39	N/A	50	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Warren T. Eich appreciates and is grateful to the hundreds of parents who volunteer and/or coordinate activities on campus. The staff, students, and community of W.T. Eich Middle School are committed to the belief that parents are the foundation for successful student achievement, and that their involvement on our campus increases the success for all students. We have several parent volunteers for all the Eich events and activities as well as four parents that serve on our school site council. Eich also offers opportunities throughout the year to have parents be active participants in our events. Things such as Career Day welcomes over 50 parents on campus to share their experiences and journey.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.68	1.15	2.45
Expulsions	0.00	0.03	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2022-23 School Safety Plan

The Roseville City School District has developed a Crisis Response Plan that outlines the procedures to be followed in the event of an emergency affecting a school site. The plan includes procedures for coordinating resources to respond to any emergency including natural disasters, environmental health issues, accidents, or intruders. Eich Middle School maintains a Comprehensive School Safety Plan (CSSP) which is updated annually by the Safety Committee and approved by Eich's Site Council. The 2022 - 2023 CSSP was reviewed by the Safety Committee and adopted by the Safety Committee on December 1, 2022.

The Safety Committee is made up of certificated employees, classified employees, parents, and school administration. The Safety Committee meets monthly to review and revise school-wide emergency procedures and develops the CSSP. The Safety Committee reviews data from surveys (student, staff, and parent), discipline data, suspension rates, expulsion rates, attendance rates, and all other pertinent data to create the CSSP. This data is used to develop goals and measurable objectives, which are then reviewed annually by the Safety Committee before the development of the CSSP. Emergency drills (evacuation and lockdown) are practiced monthly. In addition, Eich Middle School participates in the California Safe Schools Assessment Program.

Eich staff members have been assigned supervision duties before and after school in specific areas around the campus, ensuring safe arrival and dismissal of students. Over the summer of 2013, a campus monitor was hired to provide supervision between the 6th and 7th /8th-grade campuses during passing periods, before school, and after school. Each classroom has an evacuation map and a Crisis Response Folder, which is updated annually. At Eich, we believe that having clear student behavior expectations will lead to a safe environment, which will lead to greater academic achievement.

2021-22 Types of Services Funded

At W. T. Eich Middle School, district, state, and federal funds are used to support the following instructional programs tailored to meet the needs of all our students:

- *the International Baccalaureate (IB) Program which requires students to take a Foreign Language and a Visual/Performing Arts class as part of their daily core classes;
- *the Advanced/Accelerated Math, ELA, and Social Science classes;
- *the English Learner (EL) program created for students who are adapting to the English language;
- *the Heritage Speaking class as an alternative for those students who are fluent in Spanish and may not require Levels 1, 2, & 3, Spanish classes.

The Student Services Department supports Eich's Resource Program (RSP), SDC, and our Functional Skills Program (FSP) through funds received for students with identified academic needs based on their Individual Education Plan (IEP).

The programs in place are created and maintained to support the success of all students' academic, social, and emotional needs so that our students will have the opportunity to continue success in high school and beyond.
