Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$0	See the Common Medical Events chart below for your costs for services this <a href="#">plan</a> covers.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits">www.healthcare.gov/coverage/preventive-care-benefits</a> .
Are there other <a href="#">deductibles</a> for specific services?	Yes, \$100/Individual per calendar year for Tier 2 & 3 medications. There are no other specific <a href="#">deductibles</a> .	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$1,500/Individual or \$2,500/Family per calendar year	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Member cost shares for adult vision exams, annual hearing exams, chiropractic care and <a href="#">premiums</a> and health care the plan doesn't cover	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://mywha.org/directory">mywha.org/directory</a> or call 1-888-563-2250 for a list of network providers.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (balance billing). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	Yes	This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> .

## COPAYMENT SUMMARY

Western Health Advantage shall cover Prescription medications at Participating Pharmacies, prescribed in connection with a covered service and subject to conditions, limitations and exclusions stated in the Combined Evidence of Coverage and Disclosure Form (EOC/DF) located on the MyWHA Plan toolbar at [mywha.org](https://mywha.org).

Medications on a member's three-tier prescription plan are categorized as follows in WHA's Preferred Drug List (PDL):

- Tier 1 – Preferred generic and certain preferred brand name medication
- Tier 2 – Preferred brand name and certain non-preferred generic medication\*
- Tier 3 – Non-preferred (generic or brand) medication\*

The PDL is a listing of medications developed by WHA's Pharmacy and Therapeutics Committee as drugs of choice in their respective tiers. Drugs are evaluated regularly by the committee to ensure rational and cost-effective use of pharmaceutical agents. The committee reviews all medications for their efficacy, quality, safety, similar alternatives and cost in determining their inclusion on the PDL.

Please note that a drug's presence on the WHA PDL does not guarantee that the member's physician will prescribe the drug. There are a small number of drugs, regardless of tier, that may require prior authorization to ensure appropriate use based on criteria set by the committee.

Members may request a copy of the PDL by calling WHA Member Services or view the document online at [mywha.org/pharmacy](https://mywha.org/pharmacy).

### PRESCRIPTION DEDUCTIBLE: \$100 PER MEMBER PER CALENDAR YEAR

The prescription deductible is the amount of money a member or family must pay for covered prescriptions before WHA is responsible for covered prescriptions. In any calendar year WHA will not cover preferred brand name or non-preferred medications until member meets the above deductible.

#### PRESCRIPTION COST TO MEMBER

Tier 2*	\$30 after deductible
Tier 3*	\$50 after deductible

##### Mail Order (up to 90-day supply)

#### Covered Prescription Medications

- Covered Prescription medications dispensed by a non-Participating Pharmacy outside of WHA's service area for urgent or emergency care only (the receipt may be submitted to WHA for reimbursement).
- Compounded Prescriptions for which there is no FDA-approved alternative and which contain at least one Prescription ingredient.
- Insulin, insulin syringes with needles, glucose test strips and tablets.
- Oral contraceptives and diaphragms.

Members will pay the lesser of the applicable copayment, the actual cost, or the retail price of the prescription.

Non-injectable specialty medication may be classified on Tiers 1-3. Regardless of tier, all specialty medications are limited to a 30-day supply.

The deductible and prescription copayments contribute to the medical annual out-of-pocket maximum.

\*Regardless of medical necessity or generic availability, the member will be responsible for the applicable copayment when a Tier 2 or Tier 3 medication is dispensed. If a Tier 1 medication is available and the member elects to receive a Tier 2 or Tier 3 medication without medical indication from the prescribing physician, the member will be responsible for the difference in cost between the Tier 1 and the purchased medication in addition to the Tier 1 copayment. The amount paid for the difference in cost does not contribute to the medical out-of-pocket maximum.

\*\*Percentage copayments are based upon WHA's contracted rates with the provider of service.
