

PARENT/PHYSICIAN RELEASE FOR MEDICATION IN SCHOOL

Please Note: This form must be completed each school year

POLICY GOVERNING THE ADMINISTRATION OF MEDICINE BY SCHOOL PERSONNEL:

When it is necessary for students to take prescriptions or over the counter medication during school hours the following procedure shall be followed:

- Medication cannot be administered by school personnel unless there are completed parent and physician request forms on file in the school office.
- The medication must be sent to the school in the prescription bottle or original container.
- Medication cannot be kept on student's person without the written consent of parent and physician.

BASIC LEGAL PROVISION: California Education Code 49423 (1976)

Notwithstanding the provision of Section 49423, any pupil who is required to take during the regular school day medication prescribed for him/her by a physician may be assisted by the school nurse or other designated school personnel if the school district receives (1) a written statement from such physician detailing the methods, amount, and time schedules by which such medication is to be taken; and (2) a written statement form the parent or guardian of the pupil indicating the desire that the school district assist the pupil in matters set forth in the physician's statement.
