RECOGNITION AND SCOPE OF REPRESENTATION

A. The District confirms its recognition of CSEA as the exclusive representative of classified employees as set forth in Board Resolution #4 dated July 7, 1976, and acknowledges that CSEA is the exclusive bargaining representative for all classified employees, except employees classified as:

Management

Supervisory

Confidential Employees

Short Term*

Substitute*

"Substitute employee," as used in this section, means any person employed to replace any classified employee who is temporarily absent from duty.

"Short-term employee," as defined in California Education Code, Section 45103.

*Education Code #45103 states in part:

B. The District shall notify CSEA of any newly created positions. Newly created positions will be designated by the District subject to the unit clarification procedures of the Public Employment Relations Board.

C. The scope of representation shall be limited to matters relating to wages, hours, and other terms and conditions of employment. "Terms and conditions of employment" means health and welfare benefits as defined in section 53200, leave and transfer policies, safety conditions of employment, class size, procedures to be used for the evaluation of employees, organizational security pursuant to section 3546 of the Rodda Act, and procedures for processing grievances.

Recognition and Scope of Representation (Cont'd)

D. All matters not specifically enumerated are reserved to the District and may not be a subject of meeting and negotiating. However, nothing may be construed to limit the right of the District to consult with CSEA on any matter outside the scope of representation or to consult with other employee organizations or employees.

ARTICLE II
CSEA OBLIGATIONS

A. CSEA shall file with the District Office annually and keep current the following information:

I. Name, mailing address, and telephone number of CSEA Roseville Chapter #475, CSEA local Field Office, and State CSEA.

2. Name, mailing address, and telephone numbers of the officers and representatives of Roseville Chapter #475 of CSEA.

B. Any CSEA correspondence related to the negotiation process including requests for information but excluding grievances, shall be directed to the Superintendent with a copy provided to the District representative. CSEA correspondence related to District operations shall also be directed to the Superintendent.

ARTICLE III

ASSOCIATION PRIVILEGES

- A. The Association may use school buildings for meetings subject to the facilities use or civic center permit regulations.
- B. On work sites of Association members, one bulletin board or section thereof shall be designated as the bulletin board available for the Association to post Association-to-membership communications. Copies of all such material will be submitted to the site supervisor at the time of posting, or shown to the site supervisor at the time of posting. The authorized Association representative shall be responsible for the posting and contents of all such communications.
- C. The Association may use the District mail service and employee mail boxes for Association-to-membership communications, provided that the communication bears the name of the Association. A copy of each item so distributed will be submitted to the principal or supervisor no later than the time of distribution, provided that it is not in a sealed envelope.
- D. School equipment may be used for official Association business if there is no conflict with other school use, and upon notification and prior written approval from the site supervisor. The Association shall use its own supplies, or pay for any District materials used. The Association shall pay for any damage incurred to the equipment as a direct result of the use or misuse of equipment by the Association representative.
- E. The District agrees to provide the CSEA President with four (4) copies of the directory when such directory is completed and made available to the staff, at no charge.
- F. The District agrees to provide the CSEA with a list of the names of newly hired unit employees each month. List will include: Full name, date of hire, classification or title, work site location(s), work schedule, e-mail address,

Association Privileges (Cont.)

home address and phone number.

G. The District shall provide a seniority list for each classification to the Association. The seniority list shall be updated and distributed by October 1st and February 1st of each school year.

H. Official representatives of the Association visiting a work site shall follow the school's or department's procedures for visitors.

I. The District agrees to furnish each bargaining unit member with a copy of this agreement within thirty (30) days of its ratification. The District agrees to furnish each bargaining unit member a copy of any changes to this agreement upon ratification of the changes unless other arrangements are made by the parties. The District agrees to furnish each new employee of the bargaining unit a copy of this agreement after employment.

J. Whenever notice is required to the District or the Association under this Agreement or by law, and no form of notice is otherwise designated, notice to the District shall be written notice made by personal delivery or first class mail to the District Superintendent and notice to the Association shall be specific written notice made by personal delivery or first class mail to the President of C.S.E.A. Chapter #475.

K. The District agrees to provide each new bargaining unit member, upon employment, information concerning the Association as provided by the Association.

L. If the District provides a new employee orientation for classified staff, CSEA will be invited to speak with new employees at the end of the orientation session.

ARTICLE IV
DISTRICT RIGHTS

The public school employer retains the right to manage the District and direct the activities of the employees except as limited by the terms and conditions of this agreement.

ARTICLE V

HOURS

A. The normal work week shall consist of five (5) consecutive days, Monday through Friday, of eight (8) hours per day and forty (40) hours per week. The regular work day and work week may be extended on an overtime basis.

B. Each employee shall be assigned a fixed, regular, and ascertainable minimum number of hours. A temporary assignment for an exchange of hours to facilitate the educational program of the District may, by mutual agreement, be scheduled by the supervisor. The District shall make every effort to fill consistently the vacancy on an on going basis until such time as the employee returns.

All positions will be assigned on the basis of minimum 1/4 hours increments; i.e., 3 hours, 3-1/4 hours, 3-1/2 hours, etc. This provision will not reduce the hours of any current employees, nor will it reduce the hours of vacated positions.

C. 1. Any hours which an employee works above and beyond eight (8) hours per day or forty (40) hours per week shall be compensated at 1-1/2 times the regular rate. Any such hours must normally have prior approval of the immediate supervisor. Employees who work overtime without the prior approval of their supervisor may not be compensated for the time worked.

2. This provision is effective for evaluations occurring during or after 1992. District initiated overtime, as opposed to site level overtime, shall be assigned as need dictates by District level supervisor. Only employees possessing necessary skills or knowledge and not having an overall unsatisfactory evaluation will be considered for the overtime assignment. In the event more than one employee possesses skills or knowledge needed to complete such an assignment, the assignment shall be made on a rotational system based upon seniority within the classification. The list will be established starting with the most senior employee and working down

Hours (Cont'd)

the list with each assignment. When an overtime assignment is offered to an employee, the employee has the right of refusal of the assignment, with an employee refusing moving to the bottom of the rotational list. If all qualified employees refuse the assignment, and the assignment must be completed, the supervisor shall assign the first qualified person on the rotational list to the assignment. Overtime needed to complete a specific task already begun by an employee may, at the discretion of the supervisor, be completed on overtime assignment by that employee. This overtime will not affect an employee's position on the rotation list.

3. Extra Time: Whenever feasible, extra time will be distributed to employees who wish to work additional hours. Any such extra hours, beyond an employee's contracted hours, must have prior supervisor approval.

4. Short-term projects: The District will strive to use qualified regular part-time employees to complete short-term projects in lieu of hiring substitutes whenever practical.

D. All employees working five (5) hours or more per day shall be entitled to a lunch period of not less than ½ hour. Lunch periods shall be granted at approximately the midpoint of the work shift.

E. 1. Employees working three (3) consecutive hours but less than four (4) consecutive hours shall be entitled to at least a five (5) minute break.

2. Employees working four (4) or more hours but less than seven (7) hours per day shall be entitled to a ten (10) minute rest break. Employees working seven (7) hours or more per day shall be entitled to two (2) rest breaks of ten (10) minutes each during the day.

3. Insofar as practical, rest breaks shall be scheduled in the middle of the work period.

Hours (Cont'd)

4. If a recess period falls within an instructional aide's work period, the aide will be granted the appropriate rest break, if any, during a part of that recess.

5. The District shall make every effort to ensure that break times are made available so that employees are able to take the breaks to which they are entitled.

F. An employee who works a minimum of thirty (30) minutes per day in excess of their part-time assignment for a period of twenty (20) consecutive days or more shall have their basic assignment changed to reflect the longer hours in order to acquire employee benefits on a properly prorated basis.

G. Any employee called in to work on a day when the employee is not regularly scheduled to work shall receive a minimum of two (2) hour's pay at the appropriate rate of pay under this agreement. All hours worked on holidays designated by this agreement shall be compensated at one and one-half (1-1/2) times the regular rate of pay plus holiday pay for those eligible.

H. Any employee called back to work to provide services which do not continuously precede or follow an employee's regularly scheduled shift shall receive a minimum of two (2) hour's pay at the appropriate rate.

I. 1. Notwithstanding the provisions of Section A of this Article, the work week shall consist of not more than five (5) consecutive days for any employee having an average work day of four (4) hours or more during the work week. Such employee shall be compensated for any work required to be performed on the sixth or seventh day following commencement of the work week at a rate equal to one and one half (1-1/2) times the regular hourly rate of pay for the employee designated and authorized to perform the work.

Hours (Cont'd)

2. An employee having an average work day of less than four (4) hours during a work week shall, for any work required to be performed on the seventh day following the commencement of their work week, be compensated at a rate equal to one and one half (1-1/2) times the regular rate of pay of the employee designated and authorized to perform the work.

J. Minimum days for students shall not be minimum days for employees.

K. 1. For the purpose of computing the number of hours worked, all time during which an employee is in paid status shall be considered as hours worked, with the exception of overtime.

2. In order to accomplish maintenance projects made more difficult when classes are in session, the District may alter the regular five (5) day, eight (8) hour work week to a four (4) day, ten (10) hour work week on a temporary basis. Assignments shall be made on a rotational basis.

L. 1. Any regular eight (8) hour per day employee whose daily shift commences at one (1:00) p.m. or later, shall receive an additional five (5%) percent of base salary as a night-shift differential.

2. The District may alter regular work hours when school is not in session to allow work to be completed earlier in the day. Exceptions to the above will be considered on a case-by-case basis.

M. When compensatory time off is authorized in lieu of cash compensation, such compensatory time off shall be granted by June 30 of each year following the month in which the overtime was worked and without impairing the services rendered by the employing District. If compensatory time off is not granted or taken, it shall be paid to the employee.

Hours (Cont'd)

N. 261 DAY WORK YEAR FOR TWELVE MONTH EMPLOYEES

Twelve-month employees are paid for a two hundred and sixty (260) day work year. However, some years the calendar actually results in a two hundred and sixty-one (261) day work year. This section only applies to years with more than 260 calendared work days.

1. The District agrees to allow the employee to schedule additional time off equal to the time in excess of 260 days, in full work day increments, to be taken at a time mutually agreed upon between the supervisor and the employee.

In order to qualify for the "261" floating holiday, the employee must have been employed on or before July 1 of that year. Employees in probationary status employed on or before July 1 will be eligible to take the "261" floating holiday after they attain permanent status. This benefit needs to be taken during the current work year and can not be carried over from year to year.

2. If a mutually agreed upon time can not be reached by the employee and their supervisor, the Assistant Superintendent, Personnel Services, will review the interests of each party and determine a time when the employee shall take this additional day or days off.

3. The intent of the time off is not to have a negative impact upon the instructional program and/or operational needs of the District. Every effort will be made to ensure that the implementation of the above language will result in no additional cost to the District (i.e.: costs of substitutes, etc.).

4. An employee who has exercised their right to take a floating holiday during a 261 day work year and whose employment ends prior to being in a paid status for 260 work days of that year, shall have their final compensation adjusted accordingly.

Hours (Cont'd)

O. BUS DRIVER HOURS

1. District has the flexibility to assign seven (7) or more hour drivers to six to eight (6 - 8) hours per day without negatively impacting benefits. If additional time is assigned, holidays and paid leaves will be increased accordingly after twenty (20) consecutive days.
2. Less than seven (7) hour drivers:
District has flexibility to:
 - a. Add up to one hour as needed.
Benefits will be increased after twenty (20) consecutive days.
 - b. Decrease up to one hour with no decrease in benefits.
3. If more than one hour is added, time becomes part of regular assignment after twelve (12) weeks. Time will be granted in fifteen (15) minute increments.
4. If additional hours are available, hours will be assigned first to drivers who have had hours reduced.
5. Decreases over one hour will be handled in accordance with Article XXII, Layoff and Reemployment.

For purposes of this section, benefits include insurances, holidays, and paid leaves.

ARTICLE VI
EVALUATION PROCEDURES

- A. New employees shall be on probationary status for six (6) work months from date of employment. An employee will serve a six (6) month probationary period upon promotion, which will not affect his or her permanent status in the District.
- B. Probationary employees will be evaluated at least twice during their probationary period and once during their first year of permanent employment. Employees whose probationary evaluation reflects "unsatisfactory" or "needs improvement" ratings may be required, at the discretion of the District, to serve an additional probationary period. The probationary period will not exceed one (1) calendar year.
- C. Thereafter, permanent employees with a current satisfactory evaluation shall be evaluated every third (3rd) year by their immediate supervisor. Evaluations shall be completed prior to May 15, except for employee and/or supervisor absence which could reasonably be construed to delay the completion of the evaluation. No evaluation will be undertaken for arbitrary or capricious reasons.
1. Cycle for Current Permanent Employees
- 05-06 J – Q
- 06-07 R – Z
- 07-08 A – I
- D. After conferring with the Superintendent or Assistant Superintendent, a supervisor may develop an Assistance Plan with a permanent employee to address areas of concern. If areas of concern are not improved through the Assistance Plan, then a follow-up conference shall be scheduled no later than two (2) months to re-evaluate the overall job performance. If the employee receives an overall rating of unsatisfactory, then the District may move for dismissal.

Evaluation Procedures (Cont'd)

- E. If the employee receives an overall evaluation of "needs improvement," then a follow-up conference shall be scheduled no later than three (3) months to re-evaluate only those areas marked "needs improvement" or "unsatisfactory." If areas of concern have not improved to satisfactory, then the employee shall receive an overall evaluation of unsatisfactory. If the employee receives an overall evaluation of "unsatisfactory," then a follow-up conference shall be scheduled no later than two (2) months to re-evaluate the overall job performance. If the employee does not receive an overall rating of satisfactory, then the District may move for dismissal. The employee may have Union representation present during any evaluation conference.
- F. Reasons for any "unsatisfactory" or "needs improvement" ratings and specific recommendations for improvement shall be part of the written evaluation.
- G. In addition, a permanent employee may be evaluated more often where an overall "unsatisfactory" or "needs improvement" rating was given or after the supervisor discusses the need for reevaluation with the Superintendent or Assistant Superintendent.
- H. No evaluation of any employee shall be placed in the employee's personnel file without an opportunity for discussion between the employee and the evaluator.
- I. The employee's signature on the evaluation form does not signify agreement with the evaluation but merely indicates that review and evaluation has taken place.
- J. If an employee disagrees with the completed evaluation, the employee may submit a signed, written statement, which will be attached to the evaluation prior to placement in the employee's personnel file. The employee may notify the supervisor if such statement is forthcoming and shall submit it within five (5) working days after receipt of the evaluation.

Evaluation Procedures (Cont'd)

K. Employees must be informed of any derogatory material to be placed in the employees' personnel file. Employees have ten (10) working days to have their written response attached to such material.

ARTICLE VII

PROBLEM RESOLUTION/GRIEVANCE PROCEDURE

The Problem Resolution Procedure involves an informal and formal process. The informal process utilizes the basic philosophy of the interest-based problem-solving model. The formal process utilizes the traditional grievance procedures. The employee has the right to have representation present at any level.

INFORMAL PROCESS

The District and the Association encourages the use of the interest-based problem-solving model. However, the use of the informal process is not a prerequisite to the formal process. Both groups recognize that the success of the interest-based problem-solving model is dependent upon open communication between all parties and a willingness to objectively discuss the issue(s) or concern(s) and work together toward a viable solution.

STEP I: An employee who believes there is a possibility of filing a grievance shall present the concern orally to the immediate supervisor within fifteen (15) working days after the alleged violation. The immediate supervisor and employee shall meet within three (3) working days in an attempt to resolve the matter. During this conference the employee and immediate supervisor will informally follow the interest-based problem-solving model by:

- Clearly stating the area(s) of concern
- Having open dialogue about interests of each party
- Share possible solutions to the problem
- Employee may have representation at this step

STEP II: In the event a resolution is not reached at Step I, the employee may request within five (5) working days from the date of the meeting in Step I that the Assistant Superintendent Of Personnel meet with the employee, a representative of the Association, and the employee's immediate supervisor to engage in the interest-based problem-solving model. The meeting shall

Problem Resolution/Grievance Procedure (Cont'd)

occur no later than ten (10) working days from the request. The interest-based problem-solving model shall include the following steps:

1. Identify issue(s) or areas of concern
2. Discuss individual and mutual interests
3. Generate options
4. Clarify commitments

FORMAL PROCESS

The District and Association recognize that problems may not always be solved at the informal steps. If an employee has chosen to follow the informal steps and remains convinced that he/she has cause for a grievance, then the employee may choose to do the following, beginning with Step II. If the informal process was not used, then the employee must begin with Step I of the formal process.

STEP I: If an employee believes he/she has cause for a grievance, he/she shall file a written grievance with his/her immediate supervisor within twenty (20) working days of the alleged violation. The written information shall include:

- a) a clear statement of the grievance, including names, dates, and places if known, necessary for a complete understanding of the grievance;
- b) a listing of the provision(s) of this agreement which are alleged to have been violated;
- and c) a listing of the remedy(ies) requested of the District.

The supervisor shall respond in writing within five (5) working days after receipt of the grievance. Within the above time limits the grievant or the supervisor may request a conference with the other party. If resolution was not reached, the employee may proceed to Step II.

STEP II: If the informal process was used: File a grievance with the Superintendent or designee within ten (10) working days from the date of the informal Step II meeting.

If the informal process was not used: File a grievance with the

Problem Resolution/Grievance Procedure (Cont'd)

Superintendent or designee within ten (10) working days from the receipt of the written response in Step I of formal process. The written information shall include: a) a clear statement of the grievance, including names, dates, and places if known, necessary for a complete understanding of the grievance; b) a listing of the provision(s) of this agreement which are alleged to have been violated; and c) a listing of the remedy(ies) requested of the District. The Superintendent or designee shall communicate a decision within ten (10) working days after receiving the grievance. Within the above time limits the grievant, superintendent, or superintendent's designee may request a conference with the other party.

STEP III: If a grievance is not resolved at Step II, the grievant, with the approval of the Association, may request in writing a hearing before an advisory arbitrator. The written request shall be filed in the Office of the Superintendent within ten (10) working days after receipt of the decision at Step II.

The advisory arbitration proceeding shall be conducted by an arbitrator which may be mutually selected by the parties. If the parties fail to reach agreement on an arbitrator within ten (10) working days, the American Arbitration Association will be requested to supply a list of names. The American Arbitration Association, Voluntary Rules of Arbitration shall apply. The District and the Association will share equally in payment for the fees and expenses of the arbitrator. All other costs shall be paid by the party incurring them.

ADVISORY ARBITRATION

It shall be the function of the arbitrator to make a recommendation to resolve the grievance. Such recommendations are advisory only.

A. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this contract.

Problem Resolution/Grievance Procedure (Cont'd)

- B. If the District should dispute the arbitrability of the grievance, such a claim shall be heard and a ruling given by the arbitrator prior to any hearing on the grievance.
- C. Either party may request a certified court reporter to record the entire arbitration hearing. The cost of the services and expenses of such court reporter shall be paid by the party requesting the reporter or shared by the parties if they mutually agree. If the arbitrator requests a court reporter, then the costs shall be shared by both parties.
- D. Upon receipt of the arbitrator's recommendation, the Board of Education shall render its decision within thirty (30) days. It alone has the power to render a final and binding determination of a grievance within this procedure. The recommendation of the arbitrator shall only be advisory and if, upon review, the Board of Education determines that it is unable to render a final determination on the record, it may reopen the record for the taking of additional evidence. Nothing herein shall abrogate the right of the grievant to pursue the grievance in a court of competent jurisdiction.

GENERAL INFORMATION

- A. For the purpose of this agreement, the term "grievance" means an allegation by an employee or the Association that he/she has been adversely affected by a violation, misinterpretation, or misapplication of the written terms and conditions of this agreement.
- B. The District shall grant reasonable release time for grievance processing.
- C. If the grievance arises from an action of authority higher than the supervisor, the employee may present such grievance at Step II of the formal process.

Problem Resolution/Grievance Procedure (Cont'd)

D. Time limits provided in this agreement may be extended by mutual written agreement of the parties. Failure at any step of this procedure by the District to communicate the decision on a grievance within the specified time limit shall cause the grievance to automatically move to the next level. Any grievance not advanced when due on behalf of CSEA/grievant response from one step to the next within the time limits of that step shall be deemed null and void, and the grievant thereby waives the right to appeal.

E. Nothing contained herein shall deny employees their rights under state or federal constitutions or laws.

F. The grievant shall be present at each grievance conference or hearing. Each grievance, conference, or hearing shall be scheduled at a mutually agreeable time when all parties will be present.

ARTICLE VIII

VACATIONS

- A. Employees shall be entitled to an annual vacation at regular pay. Employees in a paid status for fifty percent or more of their assigned workdays earn one year of vacation credit for vacation schedule movement. Vacation leave shall be as follows:

First through Fifth Year	12 days
Sixth through Tenth Year	16 days
Eleventh through Fourteenth Year	18 days
Fifteenth through Nineteenth Year	20 days
Twenty years and above	22 days

Effective July 1, 2008

- B. If the employee is not permitted to take his/her full annual vacation, the amount not taken shall accumulate for use in the next school year or be paid in cash at the option of the employer.

- C. Earned vacation shall not become a vested right until completion of the probation period of six (6) months. Pro-rated vacation for employees working less than twelve (12) months shall be included in their computed pay.

Eleven and one-half month Food Service employees will earn vacation prorated to eleven and one-half months and will take vacation like twelve month employees. If an eleven and one-half month employee goes to a ten or eleven month position, the vacation they have accrued and have not taken will be reimbursed by the district or the employee will be allowed to take the remaining days according to provisions in Article VIII.

- D. If an employee's vacation becomes due when he/she is on leave due to injury or illness, the District will, upon request, change the employee's vacation date in accordance with vacation dates available.

Vacations (Cont'd)

- E. When an employee leaves District service, he/she shall be entitled to a lump sum payment for all earned and unused vacation leave, or upon mutual agreement of the employee and the District, the employee may be allowed to take vacation for the number of days accumulated prior to termination.
- F. A permanent employee may elect to carry over no more than ten (10) days of vacation to the following fiscal year.
- G. Twelve (12) month employees shall have the option of using vacation days during the school year as mutually agreed. Approval shall not be unreasonably withheld. Custodians may take a maximum of four (4) days vacation during Winter Break.
1. Vacation will not normally be granted during the week before school starts, the first week of school, the last week of school and the first week after school is out.
 - ▶ Where two or more employees working in the same classification at the same site are eligible for vacation, all of these employees may not be scheduled for vacation at the same time. The scheduling of vacation dates between those employees at the same site shall alternate from year to year. If employees change sites, the previous year's vacation schedule shall be reviewed and the employee who had those scheduled vacation dates the prior year will have to select alternate dates. In cases that contract language does not apply, seniority will be the determining factor.
 - ▶ All vacation days shall be mutually agreed upon by the employee's immediate supervisor. Approval shall not be unreasonably withheld.
- H. Vacation planning calendars will normally be distributed to employees by March 1st. Employees should submit tentative vacation requests for June and the ensuing school year to their immediate supervisor and Principal by March 15th. Dates may be changed on a case-by-case basis. Employees are still required to submit a Request for Leave (Form #50) prior to planned vacation.

4. Pay for any day of such absence shall be the same as the pay, which would have been received, had the employee served during the day.
5. Credit for leave of absence need not be accrued prior to taking such leave by the employee and such leave of absence may be taken at any time during the year. The District will notify the County Office that the adjustment is for Workers' Compensation and that the retirement contribution from the employee must be adjusted to an amount equal to the full amount of pay before the compensation benefit reduction. Workers' compensation benefits are not taxable or subject to FICA, but the employee is entitled to full PERS retirement credit. If an employee returns to work during the period for which they have received a benefit check, the District will be invoiced for the overpayment, since the District will have deducted full benefit from the employee's pay and the District, not the employee, is responsible for overpayment;
5. Industrial accident leave will be reduced by one day for each day of authorized absence regardless of a compensation award made under workers' compensation;
6. When an industrial accident leave occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury;

If, however, an employee is still receiving workers' compensation, he/she shall be entitled to use only so much of his/her accumulated and available sick leave, accumulated compensation time, vacation or other available leaves, which, when added to the workers' compensation award, provides for a day's wage or salary;

8. When all available leaves of absence, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of his/her position, the person shall, if not placed in another position, be placed on a reinstatement list for a period of 39 months. When available, during the 39- month period, the person shall be employed in a vacant position in the class of the person's previous assignment over all other available candidates except for a reemployment list established because of lack of work or lack of funds, in which case the person shall be listed in accordance with appropriate seniority regulations;
9. Periods of leave of absence pursuant to this Article shall not be considered to be a break in service for the employee;

Such leaves are normally granted for health reasons or for specific training. A written request for a Leave of Absence shall be submitted to the employee's principal or immediate supervisor, and then to the Superintendent. The request must specifically state the reasons for the request and its duration. The Superintendent will present it to the Board with a recommendation for approval or disapproval. Time spent on a Leave of Absence without pay shall not count

Leaves (Cont'd)

2. Employees given Leaves of Absence, except those on health leave, for a period in excess of six (6) months shall give the District written notice on or before sixty (60) days prior to the end of the leave of their intention to return. Failure to return by the expiration date of leave shall constitute a resignation on the part of the employee; such resignation may be accepted by the Board at any time after the expiration date of the leave. At least seventy (70) days prior to the end of the leave, the Superintendent will remind the employee of the obligation by certified letter.

3. Specific Provisions Related to Leaves for Health Reasons

- a. A permanent employee of the District who has exhausted all entitlement to sick leave, vacation, compensatory overtime, or other available paid leave and who is absent because of non-industrial accident or illness may be granted additional leave, paid or unpaid (at the discretion of the Board after receipt of the recommendation of the Superintendent), not to exceed six (6) months. The Board may renew the leave of absence, paid or unpaid, for two additional six (6) month periods or such lesser leave periods that it may provide but not to exceed a total of eighteen (18) months. An application for such leave of absence must be supported by the written recommendation of a licensed physician, and before reinstatement, a statement must be furnished from a physician indicating that the returning employee is capable of performing all assigned duties.
- b. An employee, upon ability to resume the duties of a position within the class to which he/she was assigned, may do so at any time during the leaves of absence granted under Paragraph 3 of this Article, upon submission to the District of a physician's release to return to full duty, and time lost shall not be considered a break in service. He/she shall be restored to a position within the class to which he/she was assigned and, if at all possible, to his/her position with all the rights, benefits and burdens of a permanent employee.

Leaves (Cont'd)

c. If at the conclusion of all leaves of absence, paid or unpaid, the employee is still unable to return to assume the duties of his/her position, he/she shall be placed on a reemployment list for a period of 39 months. If at any time during the prescribed 39 months the employee is able to assume the duties of his/her position, he/she shall be reemployed in the first vacancy in the classification of his/her previous assignment. His/her reemployment will take preference over all other applicants except for those laid off for lack of work or funds under Section 45298 of the Education Code in which case he/she shall be ranked according to his/her proper seniority. Upon resumption of his/her duties, the break in service shall be disregarded and he/she shall be fully restored as a permanent employee.

4. A request for a leave, based upon a reason not specified in this Article will be considered by the Board from the standpoint of value to the District, urgency of the request, and the employment record of the employee making the request.

LEAVE: DONATION OF LEAVE FOR CATASTROPHIC ILLNESS

A. Upon written request, classified employees may donate earned sick leave to the Catastrophic Leave Bank and or to a specifically named RCSD classified employee as eligible leave credits when an employee or that employee's family member suffers from a catastrophic illness or injury. Open contribution time will annually occur in May. If the Catastrophic Leave Bank or the individual employee is depleted of sick leave, contributions may be donated as needed during the school year. The Personnel Office in cooperation with the California School Employees' Association, with permission of the requesting employee, will make known to all classified employees the need for donations. The donation and receipt of such credits are subject to the following conditions:

1. Catastrophic illness or injury is defined to mean an illness or injury that is expected to incapacitate an employee or a member of an employee's family for an extended period of time, which incapacity requires the employee to take time off from work to care for that family member for an extended period of time, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or

Leaves (Cont'd)

her sick leave.

2. Eligible leave credits are defined to mean sick leave accrued to the donating employee. An employee cannot donate future sick leave that has not been accrued. An employee may donate up to 360 hours per work year.

b. must exhaust all accrued paid leave credits including all regular sick leave, accumulated compensation time, vacation or other available paid leave.

c. must use all leave credit that he or she continues to accrue on a monthly basis before receiving paid leave credits that are donated under this contract section.

5. The Personnel Office will refer eligible employees under the Catastrophic Leave provisions to the Catastrophic Leave Committee, which will consist of three members of the California School Employees' Association Executive Board. To approve an employee's request for sick leave, there must be three affirmative votes.

6. An employee who chooses to donate eligible leave credits:

a. must submit completed form to the Personnel office of the intent to transfer the eligible leave credits.

b. acknowledges that all transfers of eligible leave credits are irrevocable and binding.

c. must donate eligible leave credits of a minimum of one day. A day is defined as the total daily assigned hours worked by a given

Leaves (Cont'd)

- d. Donations to the Catastrophic Leave Bank and or to a specifically named RCSD classified employee are not counted as an absence for purposes of Article X, Section 12.

- 7. Eligible credits donated into a "pool" will be distributed by the Catastrophic Leave Committee.

- a. The Catastrophic Leave Committee will determine the number of days or hours eligible employees may receive.

- b. For eligible employees, the Catastrophic Leave Bank or individual specific employee donations will supplement the District provided Income Protection Plan up to a maximum of 100% of salary for one year.

- c. For eligible employees, the Catastrophic Leave Bank or individual specific employee donations will provide a maximum of sick leave for one year to the extent of days available in Catastrophic Leave Bank or individually donated.

- d. The Catastrophic Leave Committee's decision to deny the employee's request to receive donated leave credits is final and is not subject to review or appeal under the grievance or any other procedure.

- 8. If the Catastrophic Leave Bank exhausts all available sick leave, there is no obligation to provide sick leave to any eligible employees. However, RCSD classified employees may still make specific individual donations to other RCSD classified employees that qualify under this article.

- 9. If the option of the Catastrophic Leave Bank is negotiated out of the contract, then the District and the Association agree to negotiate how the remaining sick leave days will be utilized.

- 10. The Association will not be held responsible for the District's determination of eligibility. The District will not be held responsible for the Association's distribution of sick leave days in the Catastrophic Sick Leave Bank.

2. If less than three unit members apply for a transfer, then the District will interview other qualified unit members who will be considered for promotion prior to interviewing outside applicants.
3. If there is an insufficient pool of qualified unit members, the District may consider outside candidates along with unit members.
4. Upon request, the District shall provide the reasons the unit member was not selected for the position.

B. When temporary transfers are made pursuant to this section, the employee shall be notified of the reason for the temporary transfer.

C. After position(s) have been eliminated at a work site(s) and/or department(s), the most senior employees affected by the layoff will be allowed to remain at that work site or department. EMPLOYEE BENEFITS

A. Association agrees that the District's contribution for medical, dental, and vision coverage will be limited to the negotiated maximum for the current school year (Negotiated maximum for 7/1/06 will be \$7,187.00). The employees will be offered a choice of any medical plan available through SIG. All plans are available in tiered rates for employee only, employee and spouse, employee and children and employee and family (see appendix D). All employees who work seven (7) hours or more per day are eligible for District-paid medical benefits including dental and vision. Employees working less than seven (7) hours but more than four (4) hours a day have the option of participating in the benefit program by paying a prorated cost.

1. Employees Income Protection Insurance:

Provident Life	\$.36 per \$100 of total classified payroll
----------------	--

2. Life insurance for all employees enrolled in health insurance equal to one times annual salary or a minimum of \$10,000.

Employee Benefits (Cont.)

B. All employees who work less than seven (7) hours per day are provided with the option of prorating the cost of health/accident, dental insurance, and vision insurance between the District and the employee on the basis of number of hours worked per day to the base unit of eight (8) for the full calendar year. The cost is based on the employee's choice of plan. The District's contribution is based on employee hours per day and plan selected as stated above up to the maximum appropriate pro-ration.

EXAMPLE: Four (4) hour employee divided by eight (8) hours equals a maximum 50% District contribution toward selected plan not to exceed 50% of maximum.

C. Employees retiring with more than five (5) years of service before their 65th birthday will have the option of maintaining their Health and Accident Insurance coverage with the District Group. The retiring employee shall pay the District the premium and any fees required to continue with the District insurance under this option. The employee may pay the premiums on a quarterly basis in advance provided they make arrangements with the Business Office.

D. An employee employed by the District prior to July 1, 1980 who qualified for and received District-paid health and accident insurance (Kaiser or SIG Plan) for employee and dependents and dental insurance for employee only shall receive

Employee Benefits (Cont.)

SIG benefits so long as they are employed by the District and continue to meet qualifications for those benefits as established for the 1979-80 school year. (As per letter of understanding agreed on 1/21/80).

E. 1. The District will, upon request, pay 50% of the premium for health and accident insurance offered to full-time employees for employees retiring between the ages of 55 to 65 with at least fifteen (15) years of service to the District. The percentage of the premium paid by the District shall increase by 10% for each full year of service worked beyond fifteen (15) years so that the District will pay 100% of the premium for those retiring with twenty (20) years of service to the District for a maximum of five consecutive years. Part-time employee proration applies to this benefit. This paid benefit shall cease when the retiree reaches sixty-five (65) years of age or at the conclusion of five consecutive years - whichever is earlier. The Association acknowledges that this retiree benefit constitutes an unfunded present and future liability to the District.

2. Upon reaching sixty-five (65) years of age or after the five-year paid benefits end in E.1., the retiree may retain District group health and accident insurance provided they make arrangements with the Business Office to pay the total premium costs or supplemental plans for such benefits in advance on no less than a quarterly basis. In order to receive dental or vision coverage, retiree must be enrolled in District medical plan.

Employee Benefits (Cont.)

F. Employees who are on an approved leave of absence without pay may retain District employee benefits, provided that arrangements are made for them to pay for such benefits on a quarterly basis in advance.

G. Employees who are on approved leave of absence without pay under the Family Care Leave Act (See Article X, Page 24a) will retain medical insurance benefits only for the duration of their leave not to exceed twelve (12) work weeks in a twelve-month period or as otherwise provided in the contract.

H. If a change to a new insurance carrier (other than SIG) occurs at the beginning of the school year, the distribution of the savings generated from the change shall be negotiable.

ARTICLE XIX
SEVERABILITY

1. If any provision of this contract or the application of such provision to any person or circumstance, shall be held invalid, the remainder of this contract or the application of such provisions to persons or circumstances other than those as to which it is held invalid, shall not be affected thereby.
2. In the event of suspension or invalidation of any article or section of this agreement, the parties may meet and negotiate by mutual agreement for the purpose of arriving at a mutually satisfactory replacement for such article or section.

ARTICLE XX
EFFECT OF AGREEMENT

It is understood and agreed that the specific provisions contained in this contract shall prevail over any past District practice or procedure and shall prevail over state law to the extent permitted by state law. ARTICLE XXI

COMPLETION OF MEET AND NEGOTIATE

During the term of this agreement, the Association and the District agree that they are not obligated to meet and negotiate with respect to any subject or matter whether referred to or covered in this agreement or not, even though any specific subject or matter may not have been within the knowledge or contemplation of either or both the District and the Association at the time they met and negotiated on and executed this agreement, and even though such subjects or matters were proposed and later withdrawn.

This Article shall not preclude the parties from mutually agreeing, during the term of this Agreement, to reopen matters within the articles of this agreement, and thereby to modify this agreement.

ARTICLE XXII

LAYOFF AND REEMPLOYMENT

- A. 1. Classified employees shall be subject to layoff for lack of work or lack of funds.
2. Whenever a classified employee is laid off, the order of layoff within the class shall be determined by length of service. The employee who has been employed the shortest time in the class, plus higher classes, shall be laid off first. Reemployment shall be in the reverse order of layoff.
3. Seniority shall be determined by date of hire for all employees initially hired after July 1, 1988. For those employees hired prior to that time, seniority shall be as previously established in accordance with law and as agreed to between the parties.
4. Layoff for lack of funds or layoff for lack of work includes any reduction in hours of employment or assignment to a class or grade lower than that in which the employee has permanence, voluntarily consented to by the employee, in order to avoid interruption of employment by layoff.
- B. 1. When, as a result of the expiration of a specially funded program, classified positions must be eliminated at the end of any school year, and classified employees will be subject to layoff for lack of funds, the employees to be laid off at the end of such school year shall be given written notice on or before May 29 informing them of their layoff effective at the end of such school year and of their displacement (bumping) rights, if any, and reemployment rights. However, if the termination date of any specially funded program is other than June 30, such notice shall be given not less than 45 calendar days prior to the effective date of their layoff.

Layoff and Reemployment (Cont'd)

2. When, as a result of a bona fide reduction or elimination of the service being performed by any department, classified employees shall be subject to layoff for lack of work, affected employees shall be given notice of layoff not less than forty-five (45) calendar days prior to the effective date of layoff, and informed of their displacement (bumping) rights, if any, and reemployment rights.

3. Nothing herein provided shall preclude a layoff for lack of funds in the event of an actual and existing financial inability to pay salaries of classified employees, nor layoff for lack of work resulting from causes not foreseeable or preventable by the governing board, without the notice required by subsection (1) or (2) above.

C. 1. After the Board has determined that there is a lack of work or a lack of funds and has made the decision to lay off employees, the District will issue notices of layoff to those employees affected.

2. Those employees to be laid off shall be notified by certified/registered mail sent to the most recent address provided to the District by the employee.

3. The notice shall be deposited in the U.S. Mail no less than forty-five (45) calendar days prior to the effective date of the layoff. Copies of notices shall be made available to the CSEA President.

4. The notice shall contain the effective date of layoff, displacement (bumping) rights, if any, and reemployment rights.

5. If two (2) or more employees subject to layoff have equal class seniority, the determination as to who shall be laid off will be made on the basis of the greater bargaining unit seniority or, if that be equal, the greater hire date seniority.

Layoff and Reemployment (Cont'd)

6. The District shall provide a seniority list by hire date for each classification to the Association.

7. After the Board has made the decision to lay off employees, the District and CSEA shall, upon request, meet to discuss the seniority list, displacement (bumping) rights, and reemployment rights of affected employees. The parties may also discuss additional issues directly related to affected employees. This shall satisfy any "meet and negotiate" responsibility by or on either party regarding layoff.

D. 1. An employee laid off from his/her present class may bump into any previously held position provided his/her seniority is greater than the least senior employee in that class.

2. An employee who elects separation in lieu of either bumping or assignment into a lower class shall maintain his/her reemployment rights as defined under this Article.

3. An employee who is to be laid off shall be offered any temporary position available at that time in the District for which the employee is qualified. If accepted by the employee, his/her effective date of layoff shall be determined by the expiration of that temporary position. If declined, there shall be no effect upon the employee's reemployment rights.

E. 1. Individuals on a reemployment list shall have seven (7) business days to respond to a written offer sent by certified/registered mail, beginning with the day it is deposited in the U.S. Mail to the most recent address supplied to the District by the employee.

2. Failure to respond within the time specified or a refusal of employment shall cause the individual's name to be permanently removed from the

Layoff and Reemployment (Cont'd)

reemployment list, unless the individual notifies the District otherwise.

a. Except that failure to respond to an offer upon first becoming eligible shall not cause the employee's name to be removed from the reemployment list, provided the employee has previously notified the District in writing of his/her temporary unavailability to accept an offer of reemployment.

b. The period of unavailability shall be limited to one (1) occurrence and shall be for a period not to exceed thirty (30) days.

3. An employee who is laid off and is subsequently reemployed shall retain seniority earned prior to the effective date of the layoff.

F. 1. Persons laid off because of lack of work or lack of funds are eligible to reemployment for a period of 39 months and shall be reemployed in preference to new applicants. In addition, such persons laid off have the right to participate in promotional examinations within the district during the period of 39 months.

2. Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff or to remain in their present positions rather than be reclassified or reassigned, shall be granted the same rights as persons laid off and shall retain eligibility to be considered for reemployment for an additional period of up to 24 months; provided that the same tests of fitness under which they qualified for appointment to the class shall still apply.

3. Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be, at the option of the employee, returned to a position in their former class or to positions with increased

Layoff and Reemployment (Cont'd)

assigned time as vacancies become available, and without limitation of time, but if there is a valid reemployment list they shall be ranked on that list in accordance with their proper seniority.

G. 1. Notwithstanding any other provision of law, any person who was subject to being, or was in fact, laid off for lack of work or lack of funds and who elected service retirement from the Public Employees' Retirement System shall be placed on an appropriate reemployment list. The district shall notify the Board of Administration of the Public Employees' Retirement System of the fact that retirement was due to layoff for lack of work or of funds. If he/she is subsequently subject to reemployment and accepts, in writing, the appropriate vacant position, the district shall maintain the vacancy until the Board of Administration of the Public Employees' Retirement System has properly processed his/her request for reinstatement from retirement.

2. An employee subject to this section who retires and is eligible for reemployment and who declines an offer of reemployment equal to that from which laid off shall be deemed to be permanently retired.

3. Any election to retire after being placed on a reemployment list shall be deemed to be a permanent retirement.

H. 1. Sick leave earned and unused at the time of separation from employment shall be restored upon reemployment.

2. Sick leave credit earned at one (1) rate while in an employed status, and unused at the time the hours in paid status are reduced, shall not be reduced because the employee subsequently is assigned fewer hours.

Layoff and Reemployment (Cont'd)

3. Employees laid off while on paid leave shall retain their employee benefits until the effective date of layoff.
4. Vacation time earned and unused at the time of layoff shall be computed and paid off with the final salary warrant.
 - a. Twelve (12) month employees accepting reduction of hours shall be paid for the difference between their current earned vacation and what would have been earned in a reduced-hour assignment.
5. For computation of credit toward longevity pay rate and additional vacation, time separated and on a reemployment list shall not be counted. However, credit for these purposes earned prior to separation will be restored upon reemployment.

ARTICLE XXIII

DURATION

The parties agree to create a new three-year agreement and terms as follows:

- A. The new term agreement shall become effective on July 1, 2019, after the current agreement expires, and shall remain in full force and effect through June 30, 2022.
- B. Articles in this contract may be reopened by mutual agreement or as listed below. The parties have agreed that negotiations for the 2019/20 school years has been concluded.
- C. The parties agree to reopen negotiations for the 2020/21 school year on the following articles:
 - Salary
 - Employee Benefits
 - No more than three (3) other articles each
- D. CSEA shall begin the public notice procedures for the above reopeners no earlier than April 1 of each school year. Negotiations shall begin around May 15 of each school year unless mutually agreed otherwise.

District Operations Under COVID 19 Conditions (Regular School Year)

This Memorandum of Understanding (MOU) is agreed between the Roseville City School District ("District") and the California School Employees Association and its Roseville Elementary Chapter No. 475 ("CSEA") concerning the impacts and effects of resumed District operations under COVID 19 conditions.

The District and CSEA (together "Parties") recognize the importance of maintaining safe facilities and operations, for the benefit of the students and communities served by the District and its teachers and staff. The Parties recognize the importance of prudent measures to prevent District employees, students, their families, or other people using District facilities from being exposed to or infected with coronavirus. Care should be taken to identify potential exposure and prevent the spread of the disease. The Parties further agree that continuity of District operations should be maintained, and provisions should be made for District employees who are impacted by the epidemic.

To these ends, the Parties agree as follows:

1. Due to the current unforeseen and unprecedented nature of the COVID 19 conditions, CSEA and the District recognize that some CSEA bargaining unit positions may be asked to perform reasonable duties not currently contained within their current job description.
2. The District/school site will coordinate with school staff in the event the District requires assistance in distribution and/or pickup of student materials. Unit members shall be provided with proper Personal Protective Equipment (PPE).
3. The District will follow current Federal, State, County and Local mandates/guidelines related to staff and student safety including response to staff or student illness.
4. California Department of Public Health most recent guidelines will be followed by district sites as we strive to maximize staff and student safety. Areas of emphasis:
 - a. Promoting healthy hygiene practices
 - b. Checking for signs and symptoms
 - c. Mask wearing (Face shield cannot be worn alone, it must be worn in addition to the required face mask).

5. Staff will self-screen each day before coming to school while families will be asked to self-screen their students before coming on campus.
6. Personal Protective Equipment (PPE) will be made available to staff and replenished as needed and requested.
7. Staff will be trained on the use of disinfectant and sanitation supplies will be made available to staff if requested. Unit members will have access to handwashing facilities or hand sanitizer.
8. Staff will refrain from bringing and/or remove all personal items/furniture in order to maximize the physical space in the facilities.
9. Staff members with documented work-related close contact exposure to COVID-19, who are mandated to be excluded from work (*Cal/OSHA ETS*), will be given full pay for the duration of the quarantine. Employees excluded from work, by the district, for work-related close contact exposure will be required to be available to work from home and be accessible via technology to their supervisor during their regular hours of employment.
10. The District will offer staff members who test positive for COVID-19, up to 10 days of COVID leave provided by the District. The staff member will not have to use personal sick leave for the first 10 days. This leave will bridge with SB95 for any employee who tested positive for COVID-19 from September 30, 2021, until the expiration date of MOU.
11. Staff members who are ill or are required to care for a family member with a COVID-19 related illness will use personal sick leave.
12. Staff members off work with medically documented COVID-19 illness, that is not work-related exposure and are not subject to the conditions in Sections 9, 10, or 11 will have the following leave available to them once their personal sick leave bank is exhausted:
 - i. Income protection for up to 100 days, up to 75% of regular pay through disability insurance.
13. Staff members must immediately report absences in Frontline and fill out the Staff Symptom Screener. If there are any COVID-19 related leave questions, please contact Sub Services Coordinators, Melinda Pon or Lauren Tameguia. **Melinda Pon can be reached at mpon@rcsdk8.org and Lauren Tameguia can be reached at ltameguia@rcsdk8.org.**
14. Any employee, who is asked to work in another job classification, will be compensated an additional \$50 per day for a full-time employee (FTE) if the following occur: the job classification is below the employee's current job classification; the job is for the employee's entire contractual day or the entire contractual day of the employee they are replacing; and the individual employee does not have the ability to address/complete the essential functions/job duties of their current job.

15. This agreement is non-precedent setting and shall remain in effect through June 30, 2022 or until a declaration is made, by Public Health Officials, that the epidemic has passed and District facilities operate in a regular manner, whichever comes first. This agreement may be extended based on mutual agreement between RCSD and CSEA.
16. The parties recognize that the COVID-19 epidemic is evolving and so is governmental response. The parties will comply with further state or federal legislation or orders as they affect the terms and conditions of employment of bargaining-unit employees, and will bargain as needed over the effects of such further directives.

NEW EMPLOYEE ORIENTATION

COMMENTS

AB 119 (2017) adds sections 3555-3559 to the Government Code and amends the Public Records Act at Government Code Section 6254.3. It requires that, absent a waiver by CSEA, the District is required to (1) give CSEA ten (10) days' notice of every orientation session absent an urgent critical unforeseen need, (2) provide CSEA with access to new hires during any orientation session, (3) provide CSEA with contact information on new hires within thirty (30) days of hire or the first pay period of the month after the employee is hired, whichever is later, and (4) also provide CSEA with a list of all employees' names and contact information every one hundred twenty (120) days (October, February, June).

1. DISTRICT NOTICE TO CSEA OF PROCESSING/ORIENTATION

- a) For the purpose of providing CSEA access to new employees, the RCSD shall provide CSEA notice (ten (10) days where possible) each time RCSD makes a one-on-one processing/orientation appointment for a candidate recommended for hire. The notice shall include the date, time and location of the appointment along with the candidate's name, position and work location. Notification shall be sent to the CSEA Labor Relations Representative of record and the CSEA Chapter 475 President of Record.
- b) A CSEA representative shall be provided release time to attend the processing/orientation appointment should the orientation be scheduled during the representative's work hours. Release time shall not be counted against the total release time contained elsewhere in the collective bargaining agreement. After receiving final clearance for hire the employee becomes a newly hired employee.
- c) The District shall include the CSEA membership packet in any new employee orientation provided to any newly hired classified employee. CSEA shall provide the copies of the CSEA membership packets to the District for distribution.
- d) In the event the District conducts a group orientation for new hires, the District will provide CSEA with ten (10) days advance notice. The President shall be provided release time should the orientation be scheduled during the President's work hours. Said release time shall not be counted against the total release time contained

elsewhere in the collective bargaining agreement. The CSEA Labor Relations Representative may also attend the orientation session.

2. EMPLOYEE INFORMATION

- a) "Newly hired employee" or "new hire" means any employee, whether permanent, full time or part time, hired by the District, and who is still employed as of the date of the new employee orientation. It also includes all employees who are or have been previously employed by the District and whose current position has placed them in the bargaining unit represented by CSEA. For those latter employees, for purposes of this article only, the "date of hire" is the date upon which the employee's status changed such that the employee was placed in the CSEA unit.
- b) The District shall provide CSEA with contact information on the new hires. The information will be provided to CSEA electronically via a mutually agreeable secure FTP site or service, on the last working day of the month in which they were hired. This contact information shall include the following items, with each field in its own column:
 - i. First Name;
 - ii. Middle initial;
 - iii. Last name;
 - iv. Suffix (e.g. Jr., III)
 - v. Job Title;
 - vi. Department;
 - vii. Primary worksite name;
 - viii. Work telephone number;
 - ix. Home Street address (incl. apartment #);
 - x. City;
 - xi. State;
 - xii. ZIP Code (5 or 9 digits);
 - xiii. Home telephone number (10 digits);
 - xiv. Personal cellular telephone number (10 digits);
 - xv. Personal email address of the employee;
 - xvi. Last four numbers of the social security number;

This information shall be provided to CSEA regardless of whether the newly hired employee was previously employed by the District.

In the event no one is hired in any particular month, the District shall send an e-mail to CSEA confirming they did not hire any new staff that month.

- c) Periodic Update of Contact Information: The District shall provide CSEA with a list of all bargaining unit members' names and contact information (as listed under 2(b)

above) on the last working day of October, February, and June. The information will be provided to CSEA electronically via a mutually agreeable secure FTP site or service.

3. DURATION OF AGREEMENT

a) Term: This Agreement shall remain in full force and effect from the date this Agreement is signed, through June 30, 2022, and shall be automatically renewed from year to year unless either party serves written notice upon the other between March 1 and April 1, 2022, or any subsequent anniversary date, of its desire to modify the Agreement. If negotiations for a subsequent Agreement continue after June 30, 2022, the provisions of this Agreement shall remain in effect until the negotiation of a new Agreement is completed. In the event an agreement is not reached within sixty (60) days after the demand to negotiation, either party can make a demand for interest arbitration.

i. Unless mutually agreed to by the Parties, there shall be no reopening of negotiations on this during the life of the Agreement from the date this Agreement is signed, through June 30, 2022.

b) Savings Clause: If during the life of the Agreement there exists any applicable law, rule, regulation or order issued by governmental authority, other than the District, which shall render invalid or restrain compliance with or enforcement of any provision contained within this Agreement, it shall not invalidate any unaffected remaining portion(s). The remaining portion(s) shall continue in full force and effect. Upon written notification by one of the Parties to the other, any portion of the Agreement that is invalidated in accordance with this Article shall be opened for negotiations within thirty (30) days of the invalidation.
