"Terms and conditions of employment" means health and welfare benefits as defined in section 53200, leave and transfer policies, safety conditions of employment, class size, procedures to be used for the evaluation of employees, organizational security pursuant to section 3546 of the Rodda Act, and procedures for processing grievances.

The public school employer retains the right to manage the District and direct the activities of the employees except as limited by the terms and conditions of this agreement.

ARTICLE V

HOURS

A. The normal work week shall consist of five (5) consecutive days, Monday through Friday, of eight (8) hours per day and forty (40) hours per week. The regular work day and work week may be extended on an overtime basis.

B. Each employee shall be assigned a fixed, regular, and ascertainable minimum number of hours. A temporary assignment for an exchange of hours to facilitate the educational program of the District may, by mutual agreement, be scheduled by the supervisor. The District shall make every effort to fill consistently the vacancy on an on going basis until such time as the employee returns.

All positions will be assigned on the basis of minimum 1/4 hours increments; i.e., 3 hours, 3-1/4 hours, 3-1/2 hours, etc. This provision will not reduce the hours of any current employees, nor will it reduce the hours of vacated positions.

C. 1. Any hours which an employee works above and beyond eight (8) hours per day or forty (40) hours per week shall be compensated at 1-1/2 times the regular rate. Any such hours must normally have prior approval of the immediate supervisor. Employees who work overtime without the prior approval of their supervisor may not be compensated for the time worked.

2. This provision is effective for evaluations occurring during or after 1992. District initiated overtime, as opposed to site level overtime, shall be assigned as need dictates by District level supervisor. Only employees possessing necessary skills or knowledge and not having an overall unsatisfactory evaluation will be considered for the overtime assignment. In the event more than one employee possesses skills or knowledge needed to complete such an assignment, the assignment shall be made on a rotational system based upon seniority within the classification. The list will be established starting with the most senior employee and working down

1 **Hours (Cont'd)**

2 the list with each assignment. When an overtime assignment is offered to
3 an employee, the employee has the right of refusal of the assignment, with
4 an employee refusing moving to the bottom of the rotational list. If all
5 qualified employees refuse the assignment, and the assignment must be
6 completed, the supervisor shall assign the first qualified person on the
7 rotational list to the assignment. Overtime needed to complete a specific
8 task already begun by an employee may, at the discretion of the supervisor,
9 be completed on overtime assignment by that employee. This overtime will
10 not affect an employee's position on the rotation list.

11
12 3. Extra Time: Whenever feasible, extra time will be distributed to employees
13 who wish to work additional hours. Any such extra hours, beyond an
14 employee's contracted hours, must have prior supervisor approval.

15
16 4. Short-term projects: The District will strive to use qualified regular part-time
17 employees to complete short-term projects in lieu of hiring substitutes
18 whenever practical.

19
20 D. All employees working five (5) hours or more per day shall be entitled to a lunch
21 period of not less than ½ hour. Lunch periods shall be granted at approximately
22 the midpoint of the work shift.

23
24 E. 1. Employees working three (3) consecutive hours but less than four (4)
25 consecutive hours shall be entitled to at least a five (5) minute break.

26
27 2. Employees working four (4) or more hours but less than seven (7) hours per
28 day shall be entitled to a ten (10) minute rest break. Employees working
29 seven (7) hours or more per day shall be entitled to two (2) rest breaks of
30 ten (10) minutes each during the day.

31
32 3. Insofar as practical, rest breaks shall be scheduled in the middle of the work
33 period.

1 **Hours (Cont'd)**

2
3 4. If a recess period falls within an instructional aide's work period, the aide
4 will be granted the appropriate rest break, if any, during a part of that
5 recess.

6
7 5. The District shall make every effort to ensure that break times are made
8 available so that employees are able to take the breaks to which they are
9 entitled.

10
11 F. An employee who works a minimum of thirty (30) minutes per day in excess of
12 their part-time assignment for a period of twenty (20) consecutive days or more
13 shall have their basic assignment changed to reflect the longer hours in order to
14 acquire employee benefits on a properly prorated basis.

15
16 G. Any employee called in to work on a day when the employee is not regularly
17 scheduled to work shall receive a minimum of two (2) hour's pay at the appropriate
18 rate of pay under this agreement. All hours worked on holidays designated by this
19 agreement shall be compensated at one and one-half (1-1/2) times the regular rate
20 of pay plus holiday pay for those eligible.

21
22 H. Any employee called back to work to provide services which do not continuously
23 precede or follow an employee's regularly scheduled shift shall receive a minimum
24 of two (2) hour's pay at the appropriate rate.

25
26 I. 1. Notwithstanding the provisions of Section A of this Article, the work week
27 shall consist of not more than five (5) consecutive days for any employee
28 having an average work day of four (4) hours or more during the work
29 week. Such employee shall be compensated for any work required to be
30 performed on the sixth or seventh day following commencement of the work
31 week at a rate equal to one and one half (1-1/2) times the regular hourly
32 rate of pay for the employee designated and authorized to perform the
33 work.

1 **Hours (Cont'd)**

2
3 2. An employee having an average work day of less than four (4) hours during
4 a work week shall, for any work required to be performed on the seventh
5 day following the commencement of their work week, be compensated at a
6 rate equal to one and one half (1-1/2) times the regular rate of pay of the
7 employee designated and authorized to perform the work.
8

9 J. Minimum days for students shall not be minimum days for employees.
10

11 K. 1. For the purpose of computing the number of hours worked, all time during
12 which an employee is in paid status shall be considered as hours worked,
13 with the exception of overtime.
14

15 2. In order to accomplish maintenance projects made more difficult when
16 classes are in session, the District may alter the regular five (5) day, eight
17 (8) hour work week to a four (4) day, ten (10) hour work week on a
18 temporary basis. Assignments shall be made on a rotational basis.
19

20 L. 1. Any regular eight (8) hour per day employee whose daily shift commences
21 at one (1:00) p.m. or later, shall receive an additional five (5%) percent of
22 base salary as a night-shift differential.
23

24 2. The District may alter regular work hours when school is not in session to
25 allow work to be completed earlier in the day. Exceptions to the above will
26 be considered on a case-by-case basis.
27

28 M. When compensatory time off is authorized in lieu of cash compensation, such
29 compensatory time off shall be granted by June 30 of each year following the
30 month in which the overtime was worked and without impairing the services
31 rendered by the employing District. If compensatory time off is not granted or
32 taken, it shall be paid to the employee.
33
34
35

1 **Hours (Cont'd)**

2
3 **N. 261 DAY WORK YEAR FOR TWELVE MONTH EMPLOYEES**

4 Twelve-month employees are paid for a two hundred and sixty (260) day work
5 year. However, some years the calendar actually results in a two hundred and
6 sixty-one (261) day work year. This section only applies to years with more than
7 260 calendared work days.

8
9 1. The District agrees to allow the employee to schedule additional time off
10 equal to the time in excess of 260 days, in full work day increments, to be
11 taken at a time mutually agreed upon between the supervisor and the
12 employee.

13
14 In order to qualify for the "261" floating holiday, the employee must have
15 been employed on or before July 1 of that year. Employees in probationary
16 status employed on or before July 1 will be eligible to take the "261" floating
17 holiday after they attain permanent status. This benefit needs to be taken
18 during the current work year and can not be carried over from year to year.

19
20 2. If a mutually agreed upon time can not be reached by the employee and
21 their supervisor, the Assistant Superintendent, Personnel Services, will
22 review the interests of each party and determine a time when the employee
23 shall take this additional day or days off.

24
25 3. The intent of the time off is not to have a negative impact upon the
26 instructional program and/or operational needs of the District. Every effort
27 will be made to ensure that the implementation of the above language will
28 result in no additional cost to the District (i.e.: costs of substitutes, etc.).

29
30 4. An employee who has exercised their right to take a floating holiday during
31 a 261 day work year and whose employment ends prior to being in a paid
32 status for 260 work days of that year, shall have their final compensation
33 adjusted accordingly.

1 **Hours (Cont'd)**

2
3 O. BUS DRIVER HOURS

- 4
- 5 1. District has the flexibility to assign seven (7) or more hour drivers to six to
6 eight (6 - 8) hours per day without negatively impacting benefits. If
7 additional time is assigned, holidays and paid leaves will be increased
8 accordingly after twenty (20) consecutive days.
- 9
- 10 2. Less than seven (7) hour drivers:
11 District has flexibility to:
- 12
- 13 a. Add up to one hour as needed.
14 Benefits will be increased after twenty (20) consecutive days.
- 15
- 16 b. Decrease up to one hour with no decrease in benefits.
- 17
- 18 3. If more than one hour is added, time becomes part of regular assignment
19 after twelve (12) weeks. Time will be granted in fifteen (15) minute
20 increments.
- 21
- 22 4. If additional hours are available, hours will be assigned first to drivers who
23 have had hours reduced.
- 24
- 25 5. Decreases over one hour will be handled in accordance with Article XXII,
26 Layoff and Reemployment.

27

28 For purposes of this section, benefits include insurances, holidays, and paid leaves.

- A. New employees shall be on probationary status for six (6) work months from date of employment. An employee will serve a six (6) month probationary period upon promotion, which will not affect his or her permanent status in the District.

- B. Probationary employees will be evaluated at least twice during their probationary period and once during their first year of permanent employment. Employees whose probationary evaluation reflects "unsatisfactory" or "needs improvement" ratings may be required, at the discretion of the District, to serve an additional probationary period. The probationary period will not exceed one (1) calendar year.

- C. Thereafter, permanent employees with a current satisfactory evaluation shall be evaluated every third (3rd) year by their immediate supervisor. Evaluations shall be completed prior to May 15, except for employee and/or supervisor absence which could reasonably be construed to delay the completion of the evaluation. No evaluation will be undertaken for arbitrary or capricious reasons.

- D. After conferring with the Superintendent or Assistant Superintendent, a supervisor may develop an Assistance Plan with a permanent employee to address areas of concern. If areas of concern are not improved through the Assistance Plan, then a follow-up conference shall be scheduled no later than two (2) months to re-evaluate the overall job performance. If the employee receives an overall rating of unsatisfactory, then the District may move for dismissal.

Evaluation Procedures (Cont'd)

- 1
- 2
- 3 E. If the employee receives an overall evaluation of "needs improvement," then a
- 4 follow-up conference shall be scheduled no later than three (3) months to re-
- 5 evaluate only those areas marked "needs improvement" or "unsatisfactory." If
- 6 areas of concern have not improved to satisfactory, then the employee shall
- 7 receive an overall evaluation of unsatisfactory. If the employee receives an overall
- 8 evaluation of "unsatisfactory," then a follow-up conference shall be scheduled no
- 9 later than two (2) months to re-evaluate the overall job performance. If the
- 10 employee does not receive an overall rating of satisfactory, then the District may
- 11 move for dismissal. The employee may have Union representation present during
- 12 any evaluation conference.
- 13
- 14 F. Reasons for any "unsatisfactory" or "needs improvement" ratings and specific
- 15 recommendations for improvement shall be part of the written evaluation.
- 16
- 17 G. In addition, a permanent employee may be evaluated more often where an overall
- 18 "unsatisfactory" or "needs improvement" rating was given or after the supervisor
- 19 discusses the need for reevaluation with the Superintendent or Assistant
- 20 Superintendent.
- 21
- 22 H. No evaluation of any employee shall be placed in the employee's personnel file
- 23 without an opportunity for discussion between the employee and the evaluator.
- 24
- 25 I. The employee's signature on the evaluation form does not signify agreement with
- 26 the evaluation but merely indicates that review and evaluation has taken place.
- 27
- 28 J. If an employee disagrees with the completed evaluation, the employee may submit
- 29 a signed, written statement, which will be attached to the evaluation prior to
- 30 placement in the employee's personnel file. The employee may notify the
- 31 supervisor if such statement is forthcoming and shall submit it within five (5)
- 32 working days after receipt of the evaluation.

ARTICLE VII

PROBLEM RESOLUTION/GRIEVANCE PROCEDURE

The Problem Resolution Procedure involves an informal and formal process. The informal process utilizes the basic philosophy of the interest-based problem-solving model. The formal process utilizes the traditional grievance procedures. The employee has the right to have representation present at any level.

INFORMAL PROCESS

The District and the Association encourages the use of the interest-based problem-solving model. However, the use of the informal process is not a prerequisite to the formal process. Both groups recognize that the success of the interest-based problem-solving model is dependent upon open communication between all parties and a willingness to objectively discuss the issue(s) or concern(s) and work together toward a viable solution.

STEP I: An employee who believes there is a possibility of filing a grievance shall present the concern orally to the immediate supervisor within fifteen (15) working days after the alleged violation. The immediate supervisor and employee shall meet within three (3) working days in an attempt to resolve the matter. During this conference the employee and immediate supervisor will informally follow the interest-based problem-solving model by:

- Clearly stating the area(s) of concern
- Having open dialogue about interests of each party
- Share possible solutions to the problem
- Employee may have representation at this step

STEP II: In the event a resolution is not reached at Step I, the employee may request within five (5) working days from the date of the meeting in Step I that the Assistant Superintendent Of Personnel meet with the employee, a representative of the Association, and the employee's immediate supervisor to engage in the interest-based problem-solving model. The meeting shall

1 **Problem Resolution/Grievance Procedure (Cont'd)**

2
3 occur no later than ten (10) working days from the request. The interest-
4 based problem-solving model shall include the following steps:

- 5 1. Identify issue(s) or areas of concern
6 2. Discuss individual and mutual interests
7 3. Generate options
8 4. Clarify commitments
9

10 **FORMAL PROCESS**

11 The District and Association recognize that problems may not always be solved at the
12 informal steps. If an employee has chosen to follow the informal steps and remains
13 convinced that he/she has cause for a grievance, then the employee may choose to do
14 the following, beginning with Step II. If the informal process was not used, then the
15 employee must begin with Step I of the formal process.
16

17 **STEP I:** If an employee believes he/she has cause for a grievance, he/she shall file a
18 written grievance with his/her immediate supervisor within twenty (20)
19 working days of the alleged violation. The written information shall include:
20 a) a clear statement of the grievance, including names, dates, and places if
21 known, necessary for a complete understanding of the grievance; b) a listing
22 of the provision(s) of this agreement which are alleged to have been violated;
23 and c) a listing of the remedy(ies) requested of the District. The supervisor
24 shall respond in writing within five (5) working days after receipt of the
25 grievance. Within the above time limits the grievant or the supervisor may
26 request a conference with the other party. If resolution was not reached, the
27 employee may proceed to Step II.
28

29 **STEP II:** If the informal process was used: File a grievance with the Superintendent
30 or designee within ten (10) working days from the date of the informal Step II
31 meeting.
32

33 If the informal process was not used: File a grievance with the
34

1 **Problem Resolution/Grievance Procedure (Cont'd)**

2
3 Superintendent or designee within ten (10) working days from the receipt
4 of the written response in Step I of formal process. The written information
5 shall include: a) a clear statement of the grievance, including names,
6 dates, and places if known, necessary for a complete understanding of the
7 grievance; b) a listing of the provision(s) of this agreement which are
8 alleged to have been violated; and c) a listing of the remedy(ies)
9 requested of the District. The Superintendent or designee shall
10 communicate a decision within ten (10) working days after receiving the
11 grievance. Within the above time limits the grievant, superintendent, or
12 superintendent's designee may request a conference with the other party.

13
14 **STEP III:** If a grievance is not resolved at Step II, the grievant, with the approval of the
15 Association, may request in writing a hearing before an advisory arbitrator.
16 The written request shall be filed in the Office of the Superintendent within
17 ten (10) working days after receipt of the decision at Step II.

18
19 The advisory arbitration proceeding shall be conducted by an arbitrator
20 which may be mutually selected by the parties. If the parties fail to reach
21 agreement on an arbitrator within ten (10) working days, the American
22 Arbitration Association will be requested to supply a list of names. The
23 American Arbitration Association, Voluntary Rules of Arbitration shall apply.
24 The District and the Association will share equally in payment for the fees
25 and expenses of the arbitrator. All other costs shall be paid by the party
26 incurring them.

27
28 ADVISORY ARBITRATION

29 It shall be the function of the arbitrator to make a recommendation to resolve the
30 grievance. Such recommendations are advisory only.

31

2. A classified employee, employed five (5) days a week, who is employed for less than a full fiscal year is entitled to that proportion of twelve (12) days leave of absence for illness or injury as the number of months he/she is employed bears to twelve (12).

4. Pay for any day of such absence shall be the same as the pay, which would have been received, had the employee served during the day.
5. Credit for leave of absence need not be accrued prior to taking such leave by the employee and such leave of absence may be taken at any time during the year. However, a new employee of the District shall not be eligible to take more than six (6) days, or the proportionate amount to which he/she may be entitled pursuant to this Article, until the first day of the calendar month after completion of six (6) months of active service with the District.

23 after the exhaustion of sick leave benefits under this article.
24
 - 25 2. Entitlement to sick leave provisions under this Article, if any, shall be considered
26 "entitlement to other sick leave" for purposes of computing benefits under the
27 provisions of Section 45192 of the Education Code if the absence is for industrial
28 accident or illness and shall be used after entitlement to all regular sick leave,
29 accumulated compensation time, vacation or other available paid leave has been
30 exhausted.
31
 - 32 3. In order to be entitled to extended sick leave, all available earned but unused
33 leave must be exhausted. The Superintendent or designee may request that the
34 employee provide a written statement from the attending physician attesting to the
35 actual duration and reason for the employee's absence in order to be entitled to

3 LEAVE OF ABSENCE FOR INDUSTRIAL ACCIDENT OR ILLNESS

4 In accordance with Section 45192 of the Education Code, classified employees shall be
5 entitled to leaves of absence for industrial accidents or illness, subject to the following:

- 6 1. Allowable leave shall be for not more than sixty (60) working days in any one fiscal
7 year for the same accident;
8
- 9 2. Allowable leave shall not be accumulated from year to year;
10
- 11 3. Industrial accident or illness leave will commence on the first day of absence;
12
- 13 4. During any paid industrial leave of absence, Temporary Total Disability checks will
14 be sent directly to the employee. The District must make an adjustment on the
15 payroll by reducing employee's regular check by the full amount of said benefit
16 check(s). The District will notify the County Office that the adjustment is for
17 Workers' Compensation and that the retirement contribution from the employee
18 must be adjusted to an amount equal to the full amount of pay before the
19 compensation benefit reduction. Workers' compensation benefits are not taxable
20 or subject to FICA, but the employee is entitled to full PERS retirement credit. If
21 an employee returns to work during the period for which they have received a
22 benefit check, the District will be invoiced for the overpayment, since the District
23 will have deducted full benefit from the employee's pay and the District, not the
24 employee, is responsible for overpayment;
25
- 26 5. Industrial accident leave will be reduced by one day for each day of authorized
27 absence regardless of a compensation award made under workers' compensation;
28
- 29 6. When an industrial accident leave occurs at a time when the full sixty (60) days will
30 overlap into the next fiscal year, the employee shall be entitled to only that amount
31 remaining at the end of the fiscal year in which the injury or illness occurred, for
32 the same illness or injury;
33
- 34 7. The industrial accident or illness leave is to be used in lieu of normal sick leave
35 benefits. When entitlement to industrial accident or illness leave under this section

Leaves (Cont'd)

1 has been exhausted, entitlement to other sick leave will then be used. If, however,
2 an employee is still receiving workers' compensation, he/she shall be entitled to
3 use only so much of his/her accumulated and available sick leave, accumulated
4 compensation time, vacation or other available leaves, which, when added to the
5 workers' compensation award, provides for a day's wage or salary;

6
7 8. When all available leaves of absence, paid or unpaid, have been exhausted and if
8 the employee is not medically able to assume the duties of his/her position, the
9 person shall, if not placed in another position, be placed on a reinstatement list for
10 a period of 39 months. When available, during the 39- month period, the person
11 shall be employed in a vacant position in the class of the person's previous
12 assignment over all other available candidates except for a reemployment list
13 established because of lack of work or lack of funds, in which case the person
14 shall be listed in accordance with appropriate seniority regulations;

15
16 9. Periods of leave of absence pursuant to this Article shall not be considered to be a
17 break in service for the employee;

18
19 10. To be eligible for industrial accident or illness leave, an employee must have
20 permanent status with the District;

21
22 11. An employee returning to work from an industrial accident or illness leave may be
23 required to present a doctor's release prior to returning to paid duty.

LEAVE OF ABSENCE

24
25
26 1. A Leave of Absence may be granted to classified employees. A Leave of Absence
27 is an extended absence from duty for a prescribed period of time specifically
28 authorized by the District, not to exceed twelve (12) months for reasons other than
29 health. Such leaves are normally granted for health reasons or for specific
30 training. A written request for a Leave of Absence shall be submitted to the
31 employee's principal or immediate supervisor, and then to the Superintendent.
32 The request must specifically state the reasons for the request and its duration.
33 The Superintendent will present it to the Board with a recommendation for
34 approval or disapproval. Time spent on a Leave of Absence without pay shall not
35 count toward completion of probation, or, except as provided in Paragraph 3

Leaves (Cont'd)

1 below, salary step advancement.

2
3 2. Employees given Leaves of Absence, except those on health leave, for a period in
4 excess of six (6) months shall give the District written notice on or before sixty (60)
5 days prior to the end of the leave of their intention to return. Failure to return by
6 the expiration date of leave shall constitute a resignation on the part of the
7 employee; such resignation may be accepted by the Board at any time after the
8 expiration date of the leave. At least seventy (70) days prior to the end of the
9 leave, the Superintendent will remind the employee of the obligation by certified
10 letter.

11 12 3. Specific Provisions Related to Leaves for Health Reasons

13 a. A permanent employee of the District who has exhausted all entitlement to
14 sick leave, vacation, compensatory overtime, or other available paid leave
15 and who is absent because of non-industrial accident or illness may be
16 granted additional leave, paid or unpaid (at the discretion of the Board after
17 receipt of the recommendation of the Superintendent), not to exceed six (6)
18 months. The Board may renew the leave of absence, paid or unpaid, for
19 two additional six (6) month periods or such lesser leave periods that it may
20 provide but not to exceed a total of eighteen (18) months. An application
21 for such leave of absence must be supported by the written recom-
22 mendation of a licensed physician, and before reinstatement, a statement
23 must be furnished from a physician indicating that the returning employee is
24 capable of performing all assigned duties.

25
26 b. An employee, upon ability to resume the duties of a position within the class
27 to which he/she was assigned, may do so at any time during the leaves of
28 absence granted under Paragraph 3 of this Article, upon submission to the
29 District of a physician's release to return to full duty, and time lost shall not
30 be considered a break in service. He/she shall be restored to a position
31 within the class to which he/she was assigned and, if at all possible, to
32 his/her position with all the rights, benefits and burdens of a permanent
33 employee.

34
35 c. If at the conclusion of all leaves of absence, paid or unpaid, the employee

Leaves (Cont'd)

1 is still unable to return to assume the duties of his/her position, he/she shall
2 be placed on a reemployment list for a period of 39 months. If at any time
3 during the prescribed 39 months the employee is able to assume the duties
4 of his/her position, he/she shall be reemployed in the first vacancy in the
5 classification of his/her previous assignment. His/her reemployment will
6 take preference over all other applicants except for those laid off for lack of
7 work or funds under Section 45298 of the Education Code in which case
8 he/she shall be ranked according to his/her proper seniority. Upon
9 resumption of his/her duties, the break in service shall be disregarded and
10 he/she shall be fully restored as a permanent employee.

- 11
- 12 4. A request for a leave, based upon a reason not specified in this Article will be
13 considered by the Board from the standpoint of value to the District, urgency of the
14 request, and the employment record of the employee making the request.

15

16 LEAVE: DONATION OF LEAVE FOR CATASTROPHIC ILLNESS

- 17
- 18 A. Upon written request, classified employees may donate earned sick leave to the
19 Catastrophic Leave Bank and or to a specifically named RCSD classified
20 employee as eligible leave credits when an employee or that employee's family
21 member suffers from a catastrophic illness or injury. Open contribution time will
22 annually occur in May. If the Catastrophic Leave Bank or the individual employee
23 is depleted of sick leave, contributions may be donated as needed during the
24 school year. The Personnel Office in cooperation with the California School
25 Employees' Association, with permission of the requesting employee, will make
26 known to all classified employees the need for donations. The donation and
27 receipt of such credits are subject to the following conditions:

- 28
- 29 1. Catastrophic illness or injury is defined to mean an illness or injury that is
30 expected to incapacitate an employee or a member of an employee's family
31 for an extended period of time, which incapacity requires the employee to
32 take time off from work to care for that family member for an extended
33 period of time, and taking extended time off work creates a financial
34 hardship for the employee because he or she has exhausted all of his or
35 her sick leave.

2. Eligible leave credits are defined to mean sick leave accrued to the donating employee. An employee cannot donate future sick leave that has not been accrued. An employee may donate up to 360 hours per work year.
3. Family member is defined to mean the employee's spouse, parents, parents-in-law, siblings, children and stepchildren.
4. The employee who is, or whose family is, suffering from a catastrophic illness or injury and who is requesting that eligible leave credits be donated:
 - a. must submit completed form and provide medical verification to the Personnel Office (or a family member if the employee is unable to make a written request because of the catastrophic illness or injury).
 - b. must exhaust all accrued paid leave credits including all regular sick leave, accumulated compensation time, vacation or other available paid leave.
 - c. must use all leave credit that he or she continues to accrue on a monthly basis before receiving paid leave credits that are donated under this contract section.
5. The Personnel Office will refer eligible employees under the Catastrophic Leave provisions to the Catastrophic Leave Committee, which will consist of three members of the California School Employees' Association Executive Board. To approve an employee's request for sick leave, there must be three affirmative votes.
6. An employee who chooses to donate eligible leave credits:
 - a. must submit completed form to the Personnel office of the intent to transfer the eligible leave credits.
 - b. acknowledges that all transfers of eligible leave credits are irrevocable and binding.
 - c. must donate eligible leave credits of a minimum of one day. A day is defined as the total daily assigned hours worked by a given individual employee. Additional eligible leave credits have to be

Leaves (Cont'd)

- 1 donated in full day increments.
- 2 d. Donations to the Catastrophic Leave Bank and or to a specifically
- 3 named RCSD classified employee are not counted as an absence
- 4 for purposes of Article X, Section 12.
- 5
- 6 7. Eligible credits donated into a “pool” will be distributed by the Catastrophic
- 7 Leave Committee.
- 8 a. The Catastrophic Leave Committee will determine the number of
- 9 days or hours eligible employees may receive.
- 10 b. For eligible employees, the Catastrophic Leave Bank or individual
- 11 specific employee donations will supplement the District provided
- 12 Income Protection Plan up to a maximum of 100% of salary for one
- 13 year.
- 14 c. For eligible employees, the Catastrophic Leave Bank or individual
- 15 specific employee donations will provide a maximum of sick leave
- 16 for one year to the extent of days available in Catastrophic Leave
- 17 Bank or individually donated.
- 18 d. The Catastrophic Leave Committee’s decision to deny the
- 19 employee’s request to receive donated leave credits is final and is
- 20 not subject to review or appeal under the grievance or any other
- 21 procedure.
- 22
- 23 8. If the Catastrophic Leave Bank exhausts all available sick leave, there is no
- 24 obligation to provide sick leave to any eligible employees. However, RCSD
- 25 classified employees may still make specific individual donations to other
- 26 RCSD classified employees that qualify under this article.
- 27
- 28 9. If the option of the Catastrophic Leave Bank is negotiated out of the
- 29 contract, then the District and the Association agree to negotiate how the
- 30 remaining sick leave days will be utilized.
- 31
- 32 10. The Association will not be held responsible for the District’s determination
- 33 of eligibility. The District will not be held responsible for the Association’s
- 34 distribution of sick leave days in the Catastrophic Sick Leave Bank.

11 2. If less than three unit members apply for a transfer, then the District will interview
12 other qualified unit members who will be considered for promotion prior to
13 interviewing outside applicants.

14

16 outside candidates along with unit members.

17
18 4. Upon request, the District shall provide the reasons the unit member was not

4 option of prorating the cost of health/accident, dental insurance, and vision
5 insurance between the District and the employee on the basis of number of hours
6 worked per day to the base unit of eight (8) for the full calendar year. The cost is
7 based on the employee's choice of plan. The District's contribution is based on
8 employee hours per day and plan selected as stated above up to the maximum
9 appropriate pro-ration.

10

11 EXAMPLE: Four (4) hour employee divided by eight (8) hours equals a
12 maximum 50% District contribution toward selected plan not
13 to exceed 50% of maximum.

14

15 C. Employees retiring with more than five (5) years of service before their 65th
16 birthday will have the option of maintaining their Health and Accident Insurance
17 coverage with the District Group. The retiring employee shall pay the District the
18 premium and any fees required to continue with the District insurance under this
19 option. The employee may pay the premiums on a quarterly basis in advance
20 provided they make arrangements with the Business Office.

21

22 D. An employee employed by the District prior to July 1, 1980 who qualified for and
23 received District-paid health and accident insurance (Kaiser or SIG Plan) for
24 employee and dependents and dental insurance for employee only shall receive

25

2
3 SIG benefits so long as they are employed by the District and continue to meet
4 qualifications for those benefits as established for the 1979-80 school year. (As
5 per letter of understanding agreed on 1/21/80).
6

- 7 E. 1. The District will, upon request, pay 50% of the premium for health and
8 accident insurance offered to full-time employees for employees retiring
9 between the ages of 55 to 65 with at least fifteen (15) years of service to
10 the District. The percentage of the premium paid by the District shall
11 increase by 10% for each full year of service worked beyond fifteen (15)
12 years so that the District will pay 100% of the premium for those retiring
13 with twenty (20) years of service to the District for a maximum of five
14 consecutive years. Part-time employee proration applies to this benefit.
15 This paid benefit shall cease when the retiree reaches sixty-five (65)
16 years of age or at the conclusion of five consecutive years - whichever is
17 earlier. The Association acknowledges that this retiree benefit
18 constitutes an unfunded present and future liability to the District.
19
20 2. Upon reaching sixty-five (65) years of age or after the five-year paid
21 benefits end in E.1., the retiree may retain District group health and
22 accident insurance provided they make arrangements with the Business
23 Office to pay the total premium costs or supplemental plans for such
24 benefits in advance on no less than a quarterly basis. In order to receive
25 dental or vision coverage, retiree must be enrolled in District medical
26 plan.
27

1 **Employee Benefits (Cont.)**

2

5 for such benefits on a quarterly basis in advance.

6

7 G. Employees who are on approved leave of absence without pay under the Family

8 Care Leave Act (See Article X, Page 24a) will retain medical insurance benefits

9 only for the duration of their leave not to exceed twelve (12) work weeks in a

10 twelve-month period or as otherwise provided in the contract.

11

12 H. If a change to a new insurance carrier (other than SIG) occurs at the beginning of

13 the school year, the distribution of the savings generated from the change shall be

14 negotiable.

COMPLETION OF MEET AND NEGOTIATE

During the term of this agreement, the Association and the District agree that they are not obligated to meet and negotiate with respect to any subject or matter whether referred to or covered in this agreement or not, even though any specific subject or matter may not have been within the knowledge or contemplation of either or both the District and the Association at the time they met and negotiated on and executed this agreement, and even though such subjects or matters were proposed and later withdrawn.

ARTICLE XXII

LAYOFF AND REEMPLOYMENT

- 1
2
3
4
5
6 A. 1. Classified employees shall be subject to layoff for lack of work or lack of
7 funds.
8
9 2. Whenever a classified employee is laid off, the order of layoff within the
10 class shall be determined by length of service. The employee who has
11 been employed the shortest time in the class, plus higher classes, shall be
12 laid off first. Reemployment shall be in the reverse order of layoff.
13
14 3. Seniority shall be determined by date of hire for all employees initially hired
15 after July 1, 1988. For those employees hired prior to that time, seniority
16 shall be as previously established in accordance with law and as agreed to
17 between the parties.
18
19 4. Layoff for lack of funds or layoff for lack of work includes any reduction in
20 hours of employment or assignment to a class or grade lower than that in
21 which the employee has permanence, voluntarily consented to by the
22 employee, in order to avoid interruption of employment by layoff.
23
24 B. 1. When, as a result of the expiration of a specially funded program, classified
25 positions must be eliminated at the end of any school year, and classified
26 employees will be subject to layoff for lack of funds, the employees to be
27 laid off at the end of such school year shall be given written notice ~~on or~~
28 before May 15th informing them of their layoff effective at the end of such
29 school year and of their displacement (bumping) rights, if any, and
30 reemployment rights. However, if the termination date of any specially
31 funded program is other than June 30, such notice shall be given not less
32 than 45 calendar days prior to the effective date of their layoff.
33
34

1 **Layoff and Reemployment (Cont'd)**

2
3 2. When, as a result of a bona fide reduction or elimination of the service
4 being performed by any department, classified employees shall be
5 subject to layoff for lack of work, affected employees shall be given notice
6 of layoff March 15th, and informed of their displacement (bumping) rights, if
7 any, and reemployment rights.

8
9 3. Nothing herein provided shall preclude a layoff for lack of funds in the event
10 of an actual and existing financial inability to pay salaries of classified
11 employees, nor layoff for lack of work resulting from causes not foreseeable
12 or preventable by the governing board, without the notice required by
13 subsection (1) or (2) above.

14
15 C. 1. After the Board has determined that there is a lack of work or a lack of
16 funds and has made the decision to lay off employees, the District will issue
17 notices of layoff to those employees affected by May 15th.

18
19 2. Those employees to be laid off shall be notified by certified/registered mail
20 sent to the most recent address provided to the District by the employee.

21
22 3. The notice shall contain the effective date of layoff, displacement (bumping)
23 rights, if any, and reemployment rights.

24
25 4. If two (2) or more employees subject to layoff have equal class seniority,
26 the determination as to who shall be laid off will be made on the basis of the
27 greater bargaining unit seniority or, if that be equal, the greater hire date
28 seniority.

29
30
31
32
33
34

1 **Layoff and Reemployment (Cont'd)**

2
3 5. The District shall provide a seniority list by hire date for each
4 classification to the Association.

5
6 6. After the Board has made the decision to lay off employees, the District and
7 CSEA shall, upon request, meet to discuss the seniority list, displacement
8 (bumping) rights, and reemployment rights of affected employees. The
9 parties may also discuss additional issues directly related to affected
10 employees. This shall satisfy any "meet and negotiate" responsibility by or
11 on either party regarding layoff.

12
13 D. 1. An employee laid off from his/her present class may bump into any
14 previously held position provided his/her seniority is greater than the least
15 senior employee in that class.

16
17 2. An employee who elects separation in lieu of either bumping or assignment
18 into a lower class shall maintain his/her reemployment rights as defined
19 under this Article.

20
21 3. An employee who is to be laid off shall be offered any temporary position
22 available at that time in the District for which the employee is qualified. If
23 accepted by the employee, his/her effective date of layoff shall be
24 determined by the expiration of that temporary position. If declined, there
25 shall be no effect upon the employee's reemployment rights.

26
27 E. 1. Individuals on a reemployment list shall have seven (7) business days to
28 respond to a written offer sent by certified/registered mail, beginning with
29 the day it is deposited in the U.S. Mail to the most recent address supplied
30 to the District by the employee.

31
32 2. Failure to respond within the time specified or a refusal of employment shall
33 cause the individual's name to be permanently removed from the
34

1 **Layoff and Reemployment (Cont'd)**

2
3 reemployment list, unless the individual notifies the District otherwise.

4
5 a. Except that failure to respond to an offer upon first becoming
6 eligible shall not cause the employee's name to be removed from
7 the reemployment list, provided the employee has previously
8 notified the District in writing of his/her temporary unavailability to
9 accept an offer of reemployment.

10
11 b. The period of unavailability shall be limited to one (1) occurrence
12 and shall be for a period not to exceed thirty (30) days.

13
14 3. An employee who is laid off and is subsequently reemployed shall retain
15 seniority earned prior to the effective date of the layoff.

16
17 F. 1. Persons laid off because of lack of work or lack of funds are eligible to
18 reemployment for a period of 39 months and shall be reemployed in
19 preference to new applicants. In addition, such persons laid off have the
20 right to participate in promotional examinations within the district during
21 the period of 39 months.

22
23 2. Employees who take voluntary demotions or voluntary reductions in
24 assigned time in lieu of layoff or to remain in their present positions
25 rather than be reclassified or reassigned, shall be granted the same
26 rights as persons laid off and shall retain eligibility to be considered for
27 reemployment for an additional period of up to 24 months; provided that
28 the same tests of fitness under which they qualified for appointment to
29 the class shall still apply.

30
31 3. Employees who take voluntary demotions or voluntary reductions in
32 assigned time in lieu of layoff shall be, at the option of the employee,
33 returned to a position in their former class or to positions with increased
34

1 **Layoff and Reemployment (Cont'd)**

2
3 assigned time as vacancies become available, and without limitation of
4 time, but if there is a valid reemployment list they shall be ranked on that
5 list in accordance with their proper seniority.
6

7 G. 1. Notwithstanding any other provision of law, any person who was subject
8 to being, or was in fact, laid off for lack of work or lack of funds and who
9 elected service retirement from the Public Employees' Retirement
10 System shall be placed on an appropriate reemployment list. The district
11 shall notify the Board of Administration of the Public Employees'
12 Retirement System of the fact that retirement was due to layoff for lack of
13 work or of funds. If he/she is subsequently subject to reemployment and
14 accepts, in writing, the appropriate vacant position, the district shall
15 maintain the vacancy until the Board of Administration of the Public
16 Employees' Retirement System has properly processed his/her request
17 for reinstatement from retirement.
18

19 2. An employee subject to this section who retires and is eligible for
20 reemployment and who declines an offer of reemployment equal to that
21 from which laid off shall be deemed to be permanently retired.
22

23 3. Any election to retire after being placed on a reemployment list shall be
24 deemed to be a permanent retirement.
25

26 H. 1. Sick leave earned and unused at the time of separation from
27 employment shall be restored upon reemployment.
28

29 2. Sick leave credit earned at one (1) rate while in an employed status, and
30 unused at the time the hours in paid status are reduced, shall not be
31 reduced because the employee subsequently is assigned fewer hours.
32
33
34

1 **Layoff and Reemployment (Cont'd)**

2
3 3. Employees laid off while on paid leave shall retain their employee
4 benefits until the effective date of layoff.

5
6 4. Vacation time earned and unused at the time of layoff shall be computed
7 and paid off with the final salary warrant.

8
9 a. Twelve (12) month employees accepting reduction of hours shall
10 be paid for the difference between their current earned vacation
11 and what would have been earned in a reduced-hour assignment.

12
13 5. For computation of credit toward longevity pay rate and additional
14 vacation, time separated and on a reemployment list shall not be
15 counted. However, credit for these purposes earned prior to separation
16 will be restored upon reemployment.

NEW EMPLOYEE ORIENTATION

COMMENTS

AB 119 (2017) adds sections 3555-3559 to the Government Code and amends the Public Records Act at Government Code Section 6254.3. It requires that, absent a waiver by CSEA, the District is required to (1) give CSEA ten (10) days' notice of every orientation session absent an urgent critical unforeseen need, (2) provide CSEA with access to new hires during any orientation session, (3) provide CSEA with contact information on new hires within thirty (30) days of hire or the first pay period of the month after the employee is hired, whichever is later, and (4) also provide CSEA with a list of all employees' names and contact information every one hundred twenty (120) days (October, February, June).

1. DISTRICT NOTICE TO CSEA OF PROCESSING/ORIENTATION

a) For the purpose of providing CSEA access to new employees, the RCSD shall provide CSEA notice (ten (10) days where possible) each time RCSD makes a one-on-one processing/orientation appointment for a candidate recommended for hire. The notice shall include the date, time and location of the appointment along with the candidate's name, position and work location. Notification shall be sent to the CSEA Labor Relations Representative of record and the CSEA Chapter 475 President of Record.

b) A CSEA representative shall be provided release time to attend the processing/orientation appointment should the orientation be scheduled during the representative's work hours. Release time shall not be counted against the total release time contained elsewhere in the collective bargaining agreement. After receiving final clearance for hire the employee becomes a newly hired employee.

c) The District shall include the CSEA membership packet in any new employee orientation provided to any newly hired classified employee. CSEA shall provide the copies of the CSEA membership packets to the District for distribution.

d) In the event the District conducts a group orientation for new hires, the District will provide CSEA with ten (10) days advance notice. The President shall be provided release time should the orientation be scheduled during the President's work hours. Said release time shall not be counted against the total release time contained elsewhere in the collective bargaining agreement. The CSEA Labor Relations Representative may also attend the orientation session.

2. EMPLOYEE INFORMATION

a) "Newly hired employee" or "new hire" means any employee, whether permanent, full time or part time, hired by the District, and who is still employed as of the date of the new employee orientation. It also includes all employees who are or have been previously employed by the District and whose current position has placed them in the bargaining unit represented by CSEA. For those latter employees, for purposes of this article only, the "date of hire" is the date upon which the employee's status changed such that the employee was placed in the CSEA unit.

b) The District shall provide CSEA with contact information on the new hires. The information will be provided to CSEA electronically via a mutually agreeable secure FTP site or service, on the last working day of the month in which they were hired. This contact information shall include the following items, with each field in its own column:

- i. First Name;
- ii. Middle initial;
- iii. Last name;
- iv. Suffix (e.g. Jr., III)
- v. Job Title;
- vi. Department;
- vii. Primary worksite name;
- viii. Work telephone number;
- ix. Home Street address (incl. apartment #);
- x. City;
- xi. State;
- xii. ZIP Code (5 or 9 digits);
- xiii. Home telephone number (10 digits);
- xiv. Personal cellular telephone number (10 digits);
- xv. Personal email address of the employee;
- xvi. Last four numbers of the social security number;

This information shall be provided to CSEA regardless of whether the newly hired employee was previously employed by the District.

In the event no one is hired in any particular month, the District shall send an e-mail to CSEA confirming they did not hire any new staff that month.

c) Periodic Update of Contact Information: The District shall provide CSEA with a list of all bargaining unit members' names and contact information (as listed under 2(b) above) on the last working day of October, February, and June. The information will be provided to CSEA electronically via a mutually agreeable secure FTP site or service.

3. DURATION OF AGREEMENT

a) Term: This Agreement shall remain in full force and effect from the date this Agreement is signed, through June 30, 2025, and shall be automatically renewed from year to year unless either party serves written notice upon the other between March 1 and April 1, 2025, or any subsequent anniversary date, of its desire to modify the Agreement. If negotiations for a subsequent Agreement continue after June 30, 2025, the provisions of this Agreement shall remain in effect until the negotiation of a new Agreement is completed. In the event an agreement is not reached within sixty (60) days after the demand to negotiation, either party can make a demand for interest arbitration.

i. Unless mutually agreed to by the Parties, there shall be no reopening of negotiations on this during the life of the Agreement from the date this Agreement is signed, through June 30, 2025.

b) Savings Clause: If during the life of the Agreement there exists any applicable law, rule, regulation or order issued by governmental authority, other than the District, which shall render invalid or restrain compliance with or enforcement of any provision contained within this Agreement, it shall not invalidate any unaffected remaining portion(s). The remaining portion(s) shall continue in full force and effect. Upon written notification by one of the Parties to the other, any portion of the Agreement that is invalidated in accordance with this Article shall be opened for negotiations within thirty (30) days of the invalidation.
