GOING NATURAL?

There's no legal definition of the word "natural" on a food label. So it doesn't really mean much at all. To truly "go natural," eat lots of whole foods

100% NATURAL

(like fruits, veggies, nuts, beans, lean protein) that don't have any other ingredients at all -- naturally.

EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.
WELLNESS IS A WAY OF LIFE!

VEGETABLE

Corn

Among the fantastic fresh summer foods we all anticipate, fresh corn on the cob is certainly a favorite. Technically, corn is a grain, but most often we use it like a vegetable. In most parts of the U.S., fresh sweet corn season is in full swing from July through September.

OF THE MONTH

★ OUR NATION'S HISTORY ★

The LAST BATTLE of the CIVIL WAR
PALMETTO RANCH

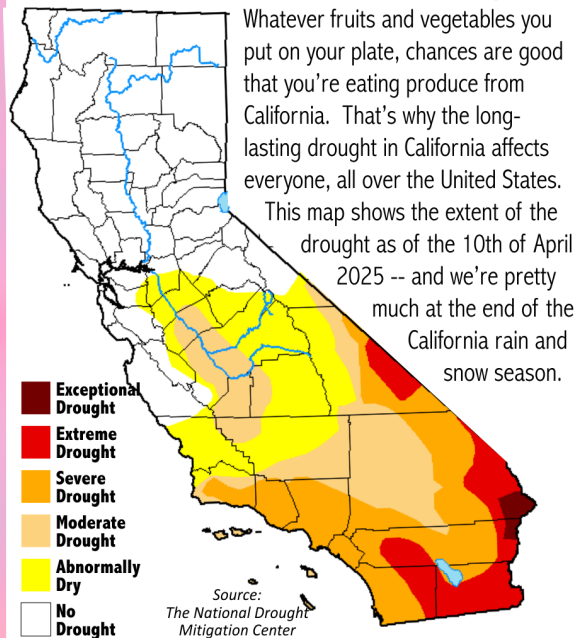

The American Civil war did not end in April 1865 with General Lee's surrender to General Grant in Virginia. A larger Confederate army surrendered in North Carolina several weeks later. And the final battle of the bloodiest war in American history didn't take place until May 1865, 150 years ago this month, at Palmetto Ranch, Texas, near the Mexican border. Ironically, this last engagement was a victory for the Confederate forces despite their losing the war!
