

## USE OF FACILITIES FEES (EXHIBIT B)

Board policy states the governing board may grant without charge the use of school facilities or grounds to non-profit organizations, clubs, or associations organized to promote youth and school activities when an alternate location isn't available. Such groups include: Girl Scouts, Boy Scouts, Campfire Inc., RCONA, Parent-Teacher Associations and School-Community Advisory Councils. \*Fee for groups of 30 or more\*

The school district will not charge a fee to the above groups when an employee is already on duty except for groups of 30 or more. If use by the group would require an employee to be hired on an overtime basis, the school district may charge based on the Personnel Fee schedule below. The school district will charge a fee to any other group or organization. Direct cost will be charged to youth and adult recreational leagues, government agencies and other educational agencies. Fair Rental Value rate will be charged for other groups/meetings not outlined above. Fundraising projects will only be allowed for school groups.
