5. School Safety Plan	Discussion	Angela Turry	Angela shared the comprehensive school safety plan and goals. Results of the staff and student survey were shared. Teachers on Site Council added their input on discussions they had with their team in terms of bullying and how behavior processes are handled. Two programs are going to be looked at for next year, Watch Dogs and PBIS as way to promote positive behavior. Three school safety goals were shared and discussed. Student volunteers are now helping with morning safety patrol and volunteers in the morning have helped with crosswalk safety. Parent survey will be given February 15th and responses will be added to the School Safety Plan.
6. Music Program Update	Discussion	Claire Dahl	Claire shared updates from our music program and before school choir. Before school choir is going really well, lots of talent and really understanding it. There are about 78 students in the morning choir. Next year goal is to start competing with them, Music in the Parks is the name of the program. Fundraising would have to be part of the competition. Fifth and fourth grade are now doing recorders in Music. Students are very excited about this, note reading has been difficult which is a common difficulty for students. Students have the opportunity to work with Mrs. Dahl during recess on recorders if they choose. Second and third grade are working on beat and are going to begin using xylophones soon, K-1 have started using these instruments. One of Mrs. Dahl's goals is to create an "orphastra" with the xylophones. K-1's goals right now are to get them interested in music.
