

Dear Parents,

Here are some miscellaneous spelling activities that you may want to have your child practice to assist with studying weekly spelling words. I would not recommend doing more than one activity per night. Also, I do **NOT** want these activities turned in.

Thank you for assisting your child,
Mrs. Bartell

- 2) Use all your words to write three or more sentences.
- 3) Form your words out of alphabet cereal.
- 4) Rainbow write your words in as many different color combinations as possible.
- 5) Paint your words using watercolors or finger-paint.
