INTRA/INTER DISTRICT AGREEMENTS FOR THE 2024-2025 SCHOOL YEAR

While parents and students generally desire to attend the school in their area of residence, the California Education Code and policies of the Roseville City School District's Board of Education do allow options for students wanting to attend a school outside their established attendance area. Based on the provisions of the law and the applicable Board policies, the Roseville City School District presents the following information:

DEFINITIONS

Intra-district: Students who reside within the Roseville City School District boundary who desire to attend a school outside their attendance boundary area.

Inter-district: Students who reside outside of the Roseville City School District boundary who desire to attend a school within the Roseville City School District; OR students who reside inside the Roseville City School District boundary who desire to attend a school in another district. **Parents residing outside of the Roseville City School District boundaries must initiate this process at their school district of residence.**

APPLICATIONS

Beginning for the 2024-2025 school year, transfer requests will be made concurrently with registration. To request a transfer, complete the registration form, which has the application embedded.

DETERMINATION PROCESS

All applications received January 22 - February 16, 2024, via the online Registration process will be considered for approval. If there are more applications than spaces available at your requested school and grade level, the district will conduct an unbiased and prioritized selection process for applications submitted during the open enrollment period. Applications received after February 16, 2024, will be put on a waitlist. Waitlisted families will be notified of approval or denial on or around May 17, 2024.

PROCEDURES

- ❖ Parents residing outside of the Roseville City School District boundaries must initiate the inter-district transfer application at their school district of residence.
- ❖ Students who live in the attendance area of a particular school will be given priority to attend that school over students who do not live in the school's attendance area.
- ❖ Intra-district applications are given priority during the open enrollment period.
- ❖ Inter-district transfer students (those who reside outside the Roseville City School District) will need to reapply annually regardless of their grade level.
- ❖ Notification of acceptance or denial will be sent to the applicant by April 5, 2024, if the application is received within the January 22 - February 16, 2024 priority window. Waitlisted students will be notified of acceptance or denial on or around May 17, 2024.

TRANSPORTATION

The district does not provide transportation for intra/inter-district students.
