

Placer County School Safety Forum

Following the tragic recent school shooting in Florida, Placer County leaders will convene a community conversation March 8th about how we can all work together to help prevent an attack here at home.

Discussion topics will include how to recognize the warning signs of a potential attacker, what to do if an attack seems imminent and how public safety partners will respond if an attack were to occur. Parents, teachers, students and all other community members are invited to join the conversation.

Hosted by Placer County District 1 Supervisor Jack Duran, this event will also include speakers from Roseville Joint Union High School District, Placer County Office of Education, Roseville Police Department, Placer County Sheriff's Office and Placer County Health and Human Services.

Please RSVP to Cristina Rivera at crivera@placer.ca.gov.
