

# REOPENING + COVID-19 UPDATES

JANUARY 8, 2021

## WHAT'S NEW THIS WEEK

1

### WHAT'S NEW

- [Student registration](#) is open for the 2021-2022 school year. Registering early allows each school and program to be staffed with the best candidates.
- When registering, we will gauge parent interest for in-person and exclusive distance learning through the Champions Academy.
- Families will select their program preference for the next school year, keeping in mind this is not a final commitment. Families will commit to in-person instruction or the Champions Academy in the spring when more information is available.
