

REOPENING + COVID-19 UPDATES

OCTOBER 30, 2020

WHAT'S NEW THIS WEEK

1

PROGRESS MADE LAST WEEK

- We hired 14+ teaching positions to reduce class sizes.
- The average class size district-wide will be 25 students.
- Each student will be offered a grab-and-go breakfast during the nutrition break along with a grab-and-go lunch they can take on their way home.

2

WHAT WE KNOW

- Our campuses will open to students 11/4/2020.
- Please review the updated Reopen and Remain Open Guidance document [here](#) prior to November 4, 2020.
- We opted to voluntarily test the water fixtures in all of our classrooms for lead contamination. Even though students were not on campus at this time, it was a proactive step to ensure we had safe drinking water when school resumed. All water is now safe for consumption. For more details, please read [here](#).

3

AS A REMINDER

- Transportation is available only to students who have it written into their IEP, so families who generally use buses will need to make arrangements.
- Opening and remaining open is a collective effort. Please do your part to help us all stay healthy and safe.

4

GREAT NEWS!

- Our newest school, Riego Creek, will open to students for the first time on 11/4/2020. The Raptors are ready to roar--with a face covering, of course!
