Vendor Statement of Compliance Data Privacy and Protection

This agreement is entered into between the Roseville City School District ("LEA" or "District") and

Legends of Learning, Inc. ("Service Provider") on 04/21/2020 ("Effective Date").

WHEREAS, the LEA and the Service Provider entered into an agreement for Educational Technology services:

WHEREAS, the LEA is a California public entity subject to all state and federal laws governing education, including but not limited to California Assembly Bill 1584 ("AB 1584"), the California Education Code, the Children's Online Privacy and Protection Act ("COPPA"), and the Family Educational Rights and Privacy Act ("FERPA");

WHEREAS, AB 1584 requires, in part, that any agreement entered into, renewed or amended after January 1, 2015, between a local education agency and a third-party service provider must include certain terms;

NOW, THEREFORE, the Parties agree as follows:

Section I: General - All Data

1.	PASSWORD SECURITY. All passwords are considered secure. Vendors may not disseminate any passwords
	unless specifically directed by Educational or Technology Services management. Vendors will not provide
	information concerning Admin accounts (ROOT Admin, container Admin, local NT administrator or Domain
	administrator) or their equivalent to any persons. District personnel ONLY will disseminate this
	information. Vendors will never create "back door" or "generic" user accounts on any systems unless
	specifically directed to do so by LEA management.

2. **SYSTEM SECURITY.** Unauthorized access to or modification of District systems including file servers, routers, switches, NDS and Internet services is prohibited. Any attempt to bypass or subvert any District security system, both hardware, and software is prohibited.

Agree: Yes

No

Agree: Yes No No

3. **PRIVACY**. The vendor will adhere to all provisions of the Federal Family Educational Rights and Privacy Act (FERPA, 20 U.S.C. 123g), California Education Code and district policies regarding the protection and confidentiality of data. At all times, the vendor will consider all data collected in the course of their duties to be protected and confidential. Release of this data can only be authorized by Technology & Information Services management and state and federal law.

Section I: General - All Data (Continued)

4.	REUSE : Vendors shall not copy, duplicate, sell, repackage or use for demonstration purposes any Roseville City School District data without the prior, written consent of Educational or Technology Services management.
	Agree: Yes No No
5.	TRANSPORT : Vendor must provide a secure channel (S/FTP, HTTPS, SSH, VPN, etc) for the District to "push" data to the vendor and to extract data as required. Vendors will not have direct access to District systems and will not "pull" data at any time. Agree: Yes No
6.	EXTERNAL SECURITY: Vendor must attach to this document reasonable evidence that their system is secure from external hacking and attacks. Devices such as firewalls and technologies such as NAT are the minimum requirements. Active IDS or similar technology is preferred. Agree: Yes No
7.	INTERNAL SECURITY: Vendors must attach to this document reasonable evidence that their system is secure from internal hacking and attacks. Describe the interactions vendor personal (or their representatives) will have directly with District data. How is uploaded data from the District handled and processed? Who has access to this data? What happens to the data after the upload is complete? What security safeguards are in place to protected unauthorized access to District data? How are backup performed and who has access to and custody of the backup media? How long are backup maintained; what happens to the District data once the backup is "expired"? If any data is printed, what happens to these hard copy records? Agree: Yes No No
8.	DISTRICT ACCESS: Vendor must provide a secure means (see Item 5 above) for the District to extract ALL data from the vendor system. This can either be an online extraction tool or a vendor-provided extract as needed by the District (not to exceed quarterly). Describe the means and format of the data (delimited,

Agree: Yes

No

Excel, MDB, SQL Dump).

Agree: Yes

No

9. **TERMINATION:** Upon termination of this agreement as provided herein, the vendor will permanently

certify the destruction of LEA data within 90 days of contract termination.

delete all customer data from their system as allowed by state and federal law. Vendor may be required to

Section II: AB1584 Compliance - Student Information Only

	Agree: Yes No
2.	Vendor must attach to this document a description of how student-created content can be exported and/or transferred to a personal account.
	Agree: Yes No
3.	Vendor is prohibited from allowing third-parties access to student information beyond those purposes defined in the contract.
	Agree: Yes No
4.	Vendor must attach to this document a description of how parents, legal guardians and students can review and correct their personally identifiable information.
	Agree: Yes No
5.	Vendor will attach to this document evidence how student data is kept secure and confidential.
	Agree: Yes No
6.	Vendor will attach to this document a description of procedures for notifying affected parents, legal guardians or eligible students when there is an unauthorized disclosure of student records.
	Agree: Yes No
7.	Vendor certifies that student records will not be retained or available to a third party once the contract has expired or is canceled (See Page 2, Item 9).
	Agree: Yes No
8.	Vendor will attach to this document a description of how they and any third party affiliates comply with FERPA.
	Agree: Yes No
9.	Vendor and its agents or third parties are prohibited from using personally identifiable information from student records to target advertising to students
	Agree: Yes No No

1. Vendor agrees that the Roseville City School District retains ownership and control of all student data.

EXHIBITS

Section 1.6: External Security

Data is stored in our secure virtual private network hosted by Amazon Web Services. Data is segmented by user authorizations/roles and people can only see data for which they are authorized. All data is encrypted both in transit and at rest.

Section 1.7: Internal Security

Data is stored in our secure virtual private network hosted by Amazon Web Services. Data is segmented by user authorizations/roles and people can only see data for which they are authorized. All data is encrypted both in transit and at rest.

Data is uploaded only by our engineering team. They have all been backgrounded checked before being hired.

Legends of Learning employees with a specific need for the data have access to it.

We don't print records. We only keep backup in our system with AWS.

Section II.2: Exporting of Student-Created Content

Students do not create content on our platform.

Section II.4: Review and Correcting Personally Identifiable Information (PII)

The only PII we collect is a student username, which does not have to contain PII. The modification of this data is controlled by the student's teacher.

Section II.5: Securing Student Data

Data is stored in our secure virtual private network hosted by Amazon Web Services. Data is segmented by user authorizations/roles and people can only see data for which they are authorized. All data is encrypted both in transit and at rest.

Data is uploaded only by our engineering team. They have all been backgrounded checked before being hired.

Legends of Learning employees with a specific need for the data have access to it.

We don't print records. We only keep backup in our system with AWS.

We only collect PII if required by the district and collect the minimal amount possible and severely restrict access to it.

Section II.6: Disclosure Notification

We notify any impacted party within twelve hours of a detected breach.

Section II.8: Family Educational Rights and Privacy Act (FERPA) Compliance

We received all data regarding students with the permission of the school district and teacher.

Section III.5: How Student Data is Protected:

Data is stored in our secure virtual private network hosted by Amazon Web Services. Data is segmented by user authorizations/roles and people can only see data for which they are authorized. All data is encrypted both in transit and at rest.

Data is uploaded only by our engineering team. They have all been backgrounded checked before being hired.

Legends of Learning employees with a specific need for the data have access to it.

We don't print records. We only keep backup in our system with AWS.

We only collect PII if required by the district and collect the minimal amount possible and severely restrict access to it.
