FEBRUARY 5, 2021

WHAT'S NEW THIS WEEK

1

WHAT'S NEW

- Vaccinations are now available to Phase 1B Tier One, who are 65 and older and those in education, childcare, emergency services, and food and agriculture.
- We have updated our [Reopen and Remain Open Guidance](#) document based on the [updated CDPH guidance](#) from January 14, 2021.

2

GOOD NEWS

- We are thankful we've been able to remain open in our modified traditional 5-day a week schedule, while meeting the updated guidance.

REGISTRATION REMINDERS

- [Student registration](#) is happening for the 2021-22 school year! Registering early allows each school and program to be staffed with the best candidates.
- When registering, we will gauge parent interest for in-person and exclusive distance learning through the Champions Academy.
- Families will select their program preference for the next school year, keeping in mind this is not a final commitment. Families will commit to in-person instruction or the Champions Academy in April when more information is available.

HEALTH REMINDERS

- If a student isn't feeling well or has COVID-19 symptoms, they must immediately quarantine and contact their school so our nurse can follow up with additional information.
- As a cautionary measure, if a family member is awaiting a COVID-19 test, awaiting results, or potentially exposed to a positive case, we ask you to self-quarantine your children until results are in.
