WHAT'S NEW THIS WEEK

1

WHAT'S NEW

- Mark your calendars for spring break: March 29 - April 5, 2021.
- The 2021/22 school calendar will be voted on Thursday, March 11. The first day and last days of school are tentatively Thursday, August 5, 2021 and Thursday, May, 26, 2022. Bell schedules have yet to be determined.

REMINDER FOR 2021-22 REGISTRATION

- Calling all new + returning students! [Registration](#) is happening for the 2021-22 school year! While our numbers are strong, we believe there are still about 25% of families who still need to register.

VACCINATION + HEALTH REMINDERS

- If a student isn't feeling well or has COVID-19 symptoms, they must immediately quarantine and contact their school so our nurse can follow up with additional information.
- As a cautionary measure, if a family member is awaiting a COVID-19 test, awaiting results, or potentially exposed to a positive case, we ask you to self-quarantine your children until results are in.
