

WEEKLY COMMUNICATIONS

JANUARY 14, 2022

COVID UPDATE

- As many of you have probably heard, the California Department of Public Health has issued updated guidelines related to quarantine and isolation periods. RCSD is working to update our processes and protocols to align with these updated guidelines as quickly as possible. Be on the lookout for direct communication via email regarding this next week!
- As a reminder, if your student is not feeling well, please keep them home, report the absence to your school and we encourage you to have them tested. If they test positive for COVID-19 please let your school site know right away!

2022-23 SCHOOL DAY

- Due to a change in state legislation the 2022-23 school start times will be changing. The new law requires that high schools start no earlier than 8:30 am and middle schools no earlier than 8:00 am. The Roseville Joint Union High School District transports RCSD's bus-riding students; therefore, our elementary schools must start earlier to accommodate the new required start times for the high schools. More details and exact start times will be out later this spring.
