## EXTRA SUPPORTS

- RCSD has partnered with Tutor.com to help provide students in grades 4 -8 with free additional academic support if needed. Tutor.com is a fully online tutoring service where students can access a tutor 24/7 in Math, Science, Social Studies, English, and Foreign Languages. Sessions take place in an easy-to-use online classroom. Students can navigate to [tutor.com/rcsd](https://tutor.com/rcsd) and log in using their student ID and birthdate.

## MAINTAINING OUR BEAUTY

- A huge shout-out to our facilities and maintenance team that works nonstop to keep our schools clean and safe for students. Even while doing that, they have found time to brighten up some of our sites. Most recently, students at Kaseberg Elementary painted rocks that were then placed in cement by our team and displayed in front of their school with an uplifting message to remember to always be uniquely you! Great job to all!
