

WEEKLY COMMUNICATIONS

JANUARY 7, 2022

1

COVID UPDATE

- RCSD has received its free state-supplied at-home rapid antigen COVID-19 tests. These tests are being distributed directly by schools sites. Be on the lookout for communication from your school on pick-up times and locations.
- RCSD is working with our local county public health department on updates to COVID-19 protocols. Any changes made to protocols related to isolation, quarantine, and testing options will be communicated directly from the District and updated in RCSD's COVID-19 FAQs.
- As a reminder, if your student is not feeling well, please keep them home, report the absence to your school and we encourage you to have them tested.
