

WEEKLY COMMUNICATIONS

FEBRUARY 11, 2022

1

GET TO TYPING!

- Did you know that all RCSD students in 1st through 6th grade have access to Edutyping! Edutyping is a comprehensive keyboarding curriculum that introduces the keyboard row by row and focuses on sight and high-frequency words, includes video introductions to lessons, and helps students practice their typing accuracy and speed. While many of our teachers use it in class, our students can also access it anytime at home to get additional practice. Please see the link below for more details on logging in as a student through Clever.

2

COVID UPDATE

- RCSD is delighted to see our COVID numbers headed in the right direction. Keep up the good work!
- Reminders -
 - While CDPH has indicated they plan to release updated K12 Guidance for Schools in the next week, under current requirements, all individuals at our schools must wear a mask while indoors. Thank you for your understanding and continued flexibility.
 - RCSD now accepts at-home tests for students and staff to return to school after a positive case or symptoms. If you need access to at-home rapid tests, you may sign up to receive up to 4 free tests per household via the [USPS](#).
