

# WEEKLY COMMUNICATIONS

FEBRUARY 25, 2022

## 1

### LCAP SURVEY

- Each year, RCSD must submit to the state its Local Control Accountability Plan (LCAP), which lays out the priorities for our district and contributes to maximizing learning for every one of our students. RCSD greatly values the feedback from our parents/guardians, and as part of this process, RCSD is asking parents/guardians to participate in our annual LCAP survey.
- **Tomorrow, Saturday, February 26, you will be receiving an email with a link to the anonymous survey. You will receive one email for each of your children, and we ask that you please take the time to complete a survey for each of your students in RCSD.**
- The survey will be open from February 26 - March 8, 2022.

## 2

### COVID UPDATE

- RCSD has seen a significant decline in COVID cases from a high in early January. Visit [RCSD's dashboard](#) for detailed site information.
- We anticipate a statewide announcement related to K-12 school guidance and protocols on Monday, February 28. As soon as we receive information on any changes, we will inform our community. In the meantime, the Board has directed RCSD to continue enforcing the state's mask guidelines while ensuring every student is allowed in-person learning by not excluding any student from any school facility, classroom, activity, or event for not wearing a mask.
- As we continue to navigate these COVID waters, we urge parents to remind their student(s) to continue being positive and respectful of all student decisions regarding masks and their health.

## 3

### LIFELONG LEARNING

- There will be no school on March 21 to allow our staff to continue their lifelong learning with a professional development day. This day will be dedicated to discussing updates and best practices regarding assessment, feedback, grading, and examining essential standards data.
