

WEEKLY COMMUNICATION

MARCH 5, 2021

WHAT'S NEW THIS WEEK

1

WHAT'S NEW

- Vaccinations are available to all school staff members and are being coordinated through Placer County Public Health. According to Placer County Public Health, every educator who wants a vaccine has had the opportunity to make an appointment.
- Staff now has the option to test weekly for COVID-19.

2

REMINDER FOR 2021-22 REGISTRATION

- Calling all new + returning students! [Registration](#) is still happening for the 2021-22 school year. Registering early helps us to plan schedules, staffing and supplies!

3

VACCINATION + HEALTH REMINDERS

- If a student isn't feeling well or has COVID-19 symptoms, they must immediately quarantine and contact their school so our nurse can follow up with additional information.
- As a cautionary measure, if a family member is awaiting a COVID-19 test, awaiting results, or potentially exposed to a positive case, we ask students to quarantine until results are in.

4

STILL HAPPENING!

- Our next board meeting will be March 11, 2021 and can be accessed via our district's Facebook [page](#).
- The 2021-22 school calendar will be voted on Thursday, March 11. The first day and last days of school are tentatively Thursday, August 5, 2021 and Thursday, May, 26, 2022. Bell schedules have yet to be determined.

5

GREAT NEWS!

- We are tracking in the right direction! Positive cases are decreasing, school staff has the ability to be vaccinated and about 25% of our county's population is vaccinated.
