

# WEEKLY COMMUNICATIONS

APRIL 29, 2022

1

## RECOGNIZING GREATNESS

- Next week RCSD will recognize all of our employees as part of this year's designated RCSD Employee Recognition Week.
- Parents and students, we encourage you to take a moment next week to simply say hello and thank our team of dedicated individuals that make RCSD run!

2

## 2022-23 SCHOOL DAY REMINDER

- Just a reminder that the 2022-23 school day start times will change due to state law changes. The new law requires that high schools start no earlier than 8:30 am and middle schools no earlier than 8:00 am.
- For the 2022-23 school year, RCSD elementary schools will start between 7:40-7:45 am, and middle schools will begin at 8:05 am.

3

## LET'S TALK TECH

- The school year is quickly coming to a close, and we are preparing for summer. If you have a middle school student attending RCSD, beginning the week of May 16, your student's home school will start collecting all technology issued to students this year.
- All Chromebooks, Chromebook power supplies, hotspots, and hotspots must be returned to your student's school to ensure all students continue to have access to digital learning tools.
- Be on the lookout for when to return your student's technology from your school.

4

## MARK YOUR CALENDAR

- May 9 - Inaugural Roseville City School District Foundation Golf Tournament - [Ticket Information](#)
- May 24 -26: Minimum School Days
- May 26 - LAST DAY OF SCHOOL - See you next year!
