

WEEKLY COMMUNICATION

AUGUST 27, 2021

WHAT'S NEW THIS WEEK

1 UPDATES

- The [RCSD COVID-19 Dashboard](#) containing each school's current positive count and a total positive case count for the district for COVID-19 will be updated daily, Monday through Friday, starting on Monday, August 30.
- RCSD staff provided the Board of Education with the most updated information from the state and county, related to COVID-19 during their meeting this week. The presentation provided to the board can be found [here](#).

2 WHAT WE KNOW

- As of today, RCSD is seeing the number of positive COVID-19 cases **double each week**. We ask our RCSD community to continue to be thoughtful and mindful about safety measures, including wearing masks whenever you are indoors and continuing healthy practices such as frequent handwashing.

3 WE'RE HIRING!

- Jobs, jobs, jobs! From a meal duty supervisor to bus drivers, there are many positions in addition to instructional assistants currently available. See all of our postings [here](#).

4 REMINDERS

- **Please**, do NOT send your child to school if you and/or they are not feeling well or have come in close contact with a confirmed COVID-19 positive case.
- If you and/or your child have symptoms, please contact your healthcare provider and be tested before returning them to school.

5 STILL HAPPENING

- RCSD monitors and adjusts our [Health and Safety Guidance](#) to meet the ever-changing environment due to COVID-19. The guidance is a quick, easy reference when you have questions about your child and how RCSD is working to keep them safe and healthy.
