

# WEEKLY COMMUNICATIONS

OCTOBER 1, 2021

## LIFELONG LEARNING

- A top priority for RCSD is supporting our staff's lifelong learning, and this week was no exception. RCSD staff worked hard during the staff professional development days that were held this Thursday and Friday. All staff dug into and analyzed data for their grade level or subject area to determine action steps to support their students based on that data. They also engaged as school teams working on goals established at their site tied to the RCSD Board Goals and more. RCSD's next staff professional development day is November 1.

## FALL SPORTS

- Excitement has hung in the air and loud cheers have been heard as RCSD welcomed back the return of student sports this year! Fall sports are now in full swing, with all four middle schools offering several options, including flag football, volleyball, and cross country! It's incredible to watch these athletes succeed both on and off the field!

## OPPORTUNITY EXTENDED

- It's not too late to qualify your child to receive up to \$500 in a college savings account by completing the Annual Household Eligibility form. The deadline has been extended until October 13, 2021. If you haven't already, take 5-minutes today to complete the form! For more information on how to complete the form, view our quick [How-To Video](#).

## WE NEED YOU!

- Do you enjoy working with and supporting students while maintaining a flexible schedule that aligns with your child's? Then RCSD has the job for you! **We are seeking part-time and substitute Instructional Assistants.** And the best part about these positions is they offer hours that will still allow you to drop off and pick up your child at school! For more information and to apply, visit the [RCSD's EdJoin site](#).
