

WEEKLY COMMUNICATIONS

OCTOBER 8, 2021

1

WHAT'S NEW

- Beginning on October 15, 2021, and in compliance with the state, RCSD will require all school volunteers to verify their COVID-19 vaccination status or submit negative COVID-19 test results before volunteering at any of our school sites. RCSD recognizes the high value of having volunteers on school sites and provides daily testing options for individuals who have an unverified vaccination status or are unvaccinated. For more information on this updated requirement, see our [Volunteer Vaccination/Testing Information letter](#).

CELEBRATING SAFETY

- Several of our RCSD schools celebrated International Bike & Walk to School Day this week. This day is a celebration highlighting the importance of safe, active travel. It was an opportunity for RCSD to raise the awareness of child pedestrians and remind everyone about our safer school zones. Thank you for doing your part in watching out for our youngest travelers!
