Reposted: January 10th @ 1:00 p.m PST (Fix Funding Year Info)**

Question 1:

Part Number for Oberon wall mount appears to be incorrect for Access Point JZ337A

Response 1

The correct version for the wall bracket should be 1006-ARAP535. A revised BID sheet will be posted to the District Website. Along with an updated page 7 of the RFP has been attached.

Question 1:

Are you looking to purchase 28ga OR standard gauge patch cords to this RFP?

Response 1

The District prefers the 28AWG snagless patch cables, without boots for these connections.

REVISION 2

School District Information: All services must be rendered at any designated District site. Please see **appendix A** for a non-exclusive list of sites.

Equipment and Services: The District requests bids for the wireless LAN equipment and installation for each school site in **Appendix B**. The District has the right to change the quantities listed at anytime until an actual order is written. In total, you must provide bids for the following wireless hardware (or equivalent) and software:
