RFP # 23-919

**Request for Proposal Issued
December 9, 2022**

**Deadline for Submittal of Proposals
January 18, 2023
12:00 p.m.**

**Site Walk & Questions
Posted December 21, 2022**

Companies Represented During Site Walk

- KS Telecom
- NetXperts

BID Response Format:

All bids should be submitted on vendor quotes. Quotes non-Erate eligible items separated out or listed as an option on the quote

Bid Contingencies:

Each quote shall include a 10% contingency for any unforeseen expectations or changes needed be made in the field

Cable BU-C9 as shown on the Appendix B, Page 2:

This is a non-erate eligible cable installation and should be quoted as optional work for quote.

Network cabinet to be Vendor Supplied

The district, due to ADA requirements, is requesting that a slim vertical cabinet be supplied by the vendor, minimum 3U and not by the District as originally posted in the RFP.

For reference, something similar to the TrueEdge™ Vertical Wall Mount Enclosure by Panduit.

This cabinet will be installed in the location as outlined in Appendix B

Fiber should not be considered optional

In the RFP and Appendix B, fiber was considered optional. After the site walk, the confirmation of the pathway was discovered and the District would like to have 6-strand MMF 62.5um fiber installed between the MDF and the new IDF in RM4. Fiber should be terminated with SC connectors.
