**RFP # 24-919**

**Request for Proposal Issued  
December 15, 2023**

**Deadline for Submittal of Proposals  
January 24, 2024  
BEFORE 12:00 p.m.**

**Site Walk Sign-In and Questions  
Posted December 28, 2023**

---

**Required Bid-Walk Sign-in:**

Please see the sign-in sheet attached to this posting

---

**The following Questions were asked during the site walk:**

**Question:** Will we add an addendum for the splices? **Response:** No addendum will be posted for the splicing as it is considered optional for this bid. Please include costs to splice 10 strands of existing fiber in IDF 1 as discussed during the site walk.

**Question:** Splice all or just live strands? Do we leave the others dark? **Response:** At Buljan only the 10 live strands would be spliced leaving the dark fibers for future use.

**Question:** Do they need to demo? **Response:** For the Cirby site work, all existing cables can be removed as needed for conduit space. No other demo work is required.

**Question:** LIU at Cirby, Above or below existing equipment, will the district move or contractor? **Response:** As discussed on the site walk, remove the existing LIU, moving existing fiber to a new 1-RU 3 Port LIU with 2 new 6-duplex SC. Include parts as needed for the new fiber installation as included in the bid.
