Addendum #1 – Quantity and Bidsheet changes

After further review, the district has modified quantities in this RFP and its associated Bidsheet.

The updated quantities for each site type is listed below:

- Site A = 19
- Site B = 5
- District Office = 1

Attached to this addendum is a new version of page 8 in the original RFP. In addition, all responses should use version 2 of the bidsheet that reflects those changes.

You can find the revisions on the District Website and in the USAC portal.

LISTED EQUIPMENT FOR THIS RFP

Vendors can add any additional items/SKU's that they deem viable to the district or that was an oversight of the district's requests in the RFP.

Alternative Equipment Proposals

The District will allow for alternative proposals, but should note the following: Any equipment proposed which differs from the listed equipment within this RFP, must provide additional labor hours at the expense of the vendor to integrate into this solution. These additional hours should be clearly listed and labeled in Appendix B

School District Information: All services must be rendered at any designated District site. The District is allowed to modify the location of final installation as long as it is in accordance with e-Rate rule (The district will maintain the initial and moved location as required). Please see **appendix A** for a non-exclusive list of sites.

Equipment and Services: The District requests bids for the SD-WAN Router/Gateway Solution equipment and installation for each school site in **Appendix B**. The District has the right to change the quantities listed at any time until an actual order is written. In total, you must provide bids for the following SD-WAN Router/Gateway Solution hardware (or equivalent):
