ARTICLE XIII LEAVE: INDUSTRIAL ACCIDENT OR ILLNESS

Industrial Accident or Illness Leave is granted to employees who have had an Α. accident or illness arising out of and in the course of their employment with the District. All probationary and permanent certificated employees shall be entitled (in any one (1) fiscal year for the same accident or illness) to sixty (60) days of Industrial Accident or Illness Leave during which the schools of the District are required to be in session or when the employees would otherwise have been performing work for the District. Such Industrial Accident or Illness Leave shall commence on the first day of absence and shall be reduced by one day for each day of authorized absence regardless of a temporary disability indemnity award. (Part-time employees assigned to a full time position are not eligible.)

16 **B**. Allowable leave shall not be accumulative from year to year, except when an industrial accident or illness occurs at a time when the full sixty (60) days will 17 overlap into the next fiscal year. The employee shall then be entitled to only that 18 amount of unused leave due him/her for the same illness or injury. 19

20

During any paid industrial leave of absence, Temporary Total Disability checks will C. 21 be sent directly to the employee. The District must make adjustment on payroll by 22 reducing employee's regular check by the full amount of said benefit check(s). 23 The District will notify the County Office that the adjustment is for Workers' 24 Compensation and that the retirement contribution from the employee must be 25 adjusted to an amount equal to the full amount of pay before the compensation 26 benefit reduction. Workers' Compensation benefits are not taxable or subject to 27 FICA, but the employee is entitled to full STRS retirement credit. 28

29

31

D. If an employee returns to work during the period for which he/she has received a 30 benefit check, the District is informed of the overpayment by Claims Management. Once the overpayment has been returned to Claims Management, the District 32 refunds the reduction in salary to the employee. 33

E. Any employee receiving benefits from an Industrial Accident or Illness Leave shall,
 during periods of injury or illness, remain within the State of California, unless the
 District authorizes travel outside the state.

F. The Industrial Accident or Illness Leave of Absence is to be in lieu of entitlement acquired under "Sick Leave." An employee's absence shall be deemed to have commenced on the date of termination of the Industrial Accident or Illness Leave, provided that if the employee continues to receive temporary disability indemnity, he/she may elect to take as much accumulated sick leave which, when added to the temporary disability indemnity, will result in a payment of not more than his/her full salary.

Industrial Accident or Illness Leave for each occurrence shall cease when
 temporary disability benefits under workers' compensation laws of the State of
 California are discontinued for the applicable industrial accident or illness.

H. An employee who is eligible for re-employment and has been medically released
 for return to duty, but fails to accept an appropriate assignment, shall be
 terminated or placed on a health leave of absence.

When available leaves of absence have been exhausted and the employee is not
 medically able to assume the duties of his/her position, he/she may be terminated.

- An employee shall be eligible for re-employment upon submission of a physician's statement that he/she is able to assume his/her duties.

11	
12	Health insurance coverage to the level of the benefit cap shall be maintained and paid for

16	other than the continuation, recurrence, or onset of a serious health condition that entitles
17	the employee to leave or other circumstances beyond the control of the employee.
18	
19	There is no carry-over of unused leave; Family Care Leave does not accumulate from
20	year to year.
21	
22	"Parent" means a biological, foster or adoptive parent, a stepparent, a legal guardian, or
23	other person who stood in loco parentis to the employee when the employee was a child.
24	"Child" means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of

30	in connection with the birth, adoption, or foster care of a child that would allow the parents
31	Family Care Leave totaling more than a combined total of twelve work weeks in a twelve-

33 34	The employee shall provide reasonable advance notice to the District of the

4

If verification is required by the District to verify the serious illness of the child, spouse,
parent, or employee, the District may accept medical verification by the treating health
professional.

8

9 Seniority protection - This leave does not constitute a break in service for seniority under
10 any collective bargaining agreement or employee benefit plan.

11

Family Care is an unpaid leave of absence unless an employee elects to use accrued vacation or other appropriate paid leave. When available paid leave is exhausted, the balance of the family leave, if any, is unpaid.

15

Employees who do not qualify for the Family Leave Act may be eligible for other leave provisions provided by the contract. Pregnancy and Maternity Leave is in addition to provisions of the Family and Medical Leave Act. (Refer to Article XIX - B, Leave: Pregnancy and Maternity.)

20

Upon return from an FMLA leave, an employee is entitled to return to the same position or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment, including the same work site (if available). 18	C. <u>Distribution</u>
19	Prior to each school year, there shall be an annual review of this section of the
20	sabbatical policy. However, the review shall be confined to determining the financial
21	feasibility and educational benefits. The sabbatical leave program shall operate
22	according to established administrative regulations and in keeping with budgetary
23	limitations. This review shall be conducted by the Sabbatical Leave Committee and
24	the Superintendent.
25	
26	D. <u>Sabbatical Year Defined</u>
27	For the purpose of sabbatical leave, the school year during which the experience
28	must occur is hereby defined as the period beginning July 1 and ending June 30 of
29	the following year.
30	
31	E. <u>Sabbatical Leaves for Study</u>
32	1. An employee shall complete at least 24 units of semester college and/or
33	graduate credit courses during a sabbatical year. At least 12 units or equivalent
34	shall be completed during each semester or quarter while on leave. This
35	

1	unit requirement may be met by study in a foreign country in an accredited
2	institution. An employee shall have stated purpose and goal for taking
3	college work so that it would be mutually beneficial to the individual and the
4	District (i.e., work toward an advanced degree, academic study in depth in a
5	subject matter in which he/she is teaching, or research projects directly related
6	to the school or District). Work toward a credential is a personal obligation for
7	self-advancement and may not mutually benefit the District and should not, in
8	itself, be grounds for a sabbatical. This does not rule out the possibility of a
9	person obtaining an advanced credential while completing the objectives of the
10	sabbatical. Courses shall be subject to approval of the Sabbatical Leave
11	Committee and Superintendent. Upon completion of the leave, and within sixty
12	(60) days of the employee's return to duty, a written report on findings and
13	conclusions along with transcripts usable for reinforcement of teaching in the
14	subject area shall be submitted for evaluation by the Sabbatical Leave
15	Committee and the Superintendent. It will then be forwarded to the Board.
16	

2. Leave for study shall be given priority.

F.

Sabbatical Leave for Research-Travel

- Employees on sabbatical leave for research-travel shall remain in this status at least four (4) months for each semester of leave granted. This application for leave shall include, in general terms, an outline of the proposed research and an itinerary of the proposed travel.
- 2. The name research-travel is used since the primary purpose of this sabbatical project is research of a nature which must be supplemented with travel. The research must have a direct contribution to the employee's field and classroom activity. Sabbatical leave for research-travel must clearly show reinforcement of knowledge in the subject area through contact with the people, culture, economy, government, and geography of the countries visited. This may be done by the employee by identifying a problem and

defining it to the point where he/she is able to offer evidence that travel and interaction with people during this research-travel leave will contribute to the solution of the problem.

The research should be supplemented by films of industrial areas, art centers, art objects, etc. Upon completion of the leave, and within sixty (60) days of the employee's return to duty, a written report on findings and conclusions usable for reinforcement of teaching in the subject area shall be submitted for evaluation by the Sabbatical Leave Committee and forwarded to the Superintendent and Board. The employee shall be required to submit a copy, and copying rights for internal district use, of entire sabbatical report. The report should set forth the employee's reactions to the experience and include a statement of the benefits received from it. The Superintendent may, for good cause, authorize an extension of time for the report, not to exceed one (1) semester for the purpose of completing the necessary requirements. A description of the trip alone will not satisfy the report requirement.

G. <u>Sabbatical Leave for Work Experience</u>

A sabbatical leave may be granted to an employee obtaining a year's position in a field related to his/her teaching area. The relationship and objectives must be acceptable to the Sabbatical Leave Committee and the Superintendent. Upon completion of the leave and within sixty (60) days of the employee's return to duty a written report and an outline of how this experience will be incorporated in the teaching of the subject area shall be submitted for evaluation by the Sabbatical Leave Committee and the Superintendent. It will then be forwarded to the Board.

- H. <u>Application</u>
 - 1. Application for sabbatical leave must be submitted to the Superintendent, accompanied by a written recommendation from the principal.

16		for making recommendations and establishing priority to the Superintendent.
17		The Superintendent will submit his/her recommendations to the Board.
18		
19	7.	The establishment of this policy and regulation does not void the option of
20		the Superintendent to make recommendations or the Board to grant special
21		sabbatical leaves in the best interest of the District.
22		
23	8.	Quality of projects has first priority. Other guidelines are: Consideration

3		LE	EAVE: DONATION OF LEAVE FOR CATASTROPHIC ILLNESS
4			
5	Α.	Upon	written request, certificated employees may donate earned sick leave to the
6		Catas	trophic Leave Bank as eligible leave credits when an employee or that
7		emplo	oyee's family member suffers from a catastrophic illness or injury. Open
8		contri	bution time will annually occur in May. If the Catastrophic Leave Bank is
9		deple	ted of sick leave, contributions may be donated as needed during the school
10		year.	The Personnel Office in cooperation with the Roseville Teachers' Association,
11		with p	permission of the requesting employee, will make known to all certificated
12		emplo	oyees the need for donations. The donation and receipt of such credits are
13		subje	ct to the following conditions:
14			
15		1.	Catastrophic illness or injury is defined to mean an illness or injury that is
16			expected to incapacitate an employee or a member of an employee's family
17			for an extended period of time, which incapacity requires the employee to
18			take time off from work to care for that family member for an extended period
19			of time, and taking extended time off work creates a financial hardship for
20			the employee because he or she has exhausted all of his or her sick leave.
21			
22		2.	Eligible leave credits are defined to mean sick leave accrued to the donating
23			employee. An employee cannot donate future sick leave that has not been
24			accrued. An individual employee may not donate more than forty-five (45)
25			sick leave days in any one school year.
26			
27		3.	Family member is defined to mean the employee's spouse, parents, parents-
28			in-law, siblings, children and stepchildren, or any relative maintaining a bona
29			fide family relationship living in the immediate household of the employee.
30			
31		4.	The employee who is, or whose family member is, suffering from a
32			catastrophic illness or injury and who is requesting that eligible leave credits
33			be donated:
34			
35			

1	a.	must submit completed form and provide medical verification to the
2		Personnel Office. (A family member may submit form and medical
3		verification if the employee is unable to make a written request
4		because of the catastrophic illness or injury.)
5	b.	must exhaust all accrued paid leave credits.
6	С.	must use all leave credit that he or she continues to accrue on a
7		monthly basis before receiving paid leave credits that are donated
8		under this contract section.
9		
10	5. The	Personnel Office will refer eligible employees under the Catastrophic
11	Leav	e provisions to the Catastrophic Leave Committee which will consist of
12	four	Roseville Teachers' Association members. To approve an employee's
13	reque	est for sick leave, there must be three affirmative votes.
14		
15	6. An e	mployee who chooses to donate eligible leave credits:
16	a.	must submit completed form to the Personnel Office of the intent to
17		transfer the eligible leave credits.
18	b.	Acknowledges that all transfers of eligible leave credits are
19		irrevocable and binding.
20	С.	must donate eligible leave credits of a minimum of one day.
21		Additional eligible leave credits have to be donated in full-day
22		increments.
23		
24	7. Eligik	ble credits donated into a "pool" will be distributed by the Catastrophic
25	Leav	e Committee.
26		
27	a.	The Catastrophic Leave Committee will determine the number of
28		days eligible employees may receive.
29	b.	For eligible employees, the Catastrophic Leave Bank will supplement
30		the District provided Income Protection Plan up to maximum of 100%
31		of salary for one year.
32		
33	С.	For eligible employees, the Catastrophic Leave Bank will provide a
34		maximum of sick leave for one year to the extent of days available in
35		Catastrophic Leave Bank.

1		d. The Catastrophic Leave Committee's decision to deny the
2		employee's request to receive donated leave credits is final and is not
3		subject to review or appeal under the grievance or any other
4		procedure.
5		
6	8.	If the Catastrophic Leave Bank exhausts all available sick leave, there is no
7		obligation to provide sick leave to any eligible employees.
8		
9	9.	If the option of the Catastrophic Leave Bank is negotiated out of the contract,
10		then the District and the Association agree to negotiate how the remaining
11		sick leave days will be utilized.
12		
13	10.	The Association will not be held responsible for the District's determination
14		of eligibility. The District will not be held responsible for the Association's
15		distribution of sick leave days in the Catastrophic Sick Leave Bank.

PROFESSIONAL LEARNING COMMUNITIES

The Roseville City School District (District) and the Roseville Teachers' Association (RTA) enter into the Memorandum of Understanding to outline the focus and intent of Professional Learning Communities.

Professional Learning Communities (PLC) occur each Monday as designated on the school year calendar. PLC's commence twenty minutes after school dismissal and continue until the end of the contractual work day for certificated staff.

The District and R.T.A. will mutually select three Mondays for report card preparation (one per trimester) to be determined when the school year calendar is developed and approved by the Board of Education.

It is the intent of the Memorandum of Understanding to focus PLC time on a systematic process in which teachers work together interdependently to analyze and impact professional practice to improve our individual and collective student results. District and R.T.A. share a belief that all students can learn and commit to using the critical corollary questions to guide our PLC work:

- 1. What is it we expect students to learn?
- 2. How will we know when they have learned it?
- 3. How will we respond when they don't learn?
- 4. How will we respond when they already know it?

PLC Mondays are a coveted time to support the learning of all students in our district.

This MOU is non-precedent setting and is in effect through the 2018/2019 school year.
