4 – 5	32	
6 – 8	32	
P.E.	45	(Middle School)

B. Because of their unique characteristics, instrumental music and chorus are excluded from the class size averages.

D. It is recognized that unusual and unforeseeable situations sometimes arise which make it impossible to maintain the above stated averages in the District classrooms.

E. In no case will unusually large classes (those exceeding 34) be maintained for more than four (4) weeks after the opening of school.

F. The District shall attempt to keep all classes within the stated averages. The parties understand that budgetary constraints and availability of classrooms are all primary factors that affect placement of students in classes.

G. Management will work towards maintaining heterogeneously balanced classes. Heterogeneous classes are evenly balanced in relation to boys/girls, academic abilities, differences in behavior and special needs students (including students with active IEPs or EL students).

Exceptions may exist at particular school sites as a result of collaborative efforts/or special programs designed to address the unique needs of students and staff.

9 An educator may request an additional formal observation by a different
10 administrative evaluator approved by the Superintendent or designee. If the
11 employee receives another "Progress Not Evident" summative evaluation the

13
14 CRITERIA FOR OVERALL RATING OF "PROGRESS NOT EVIDENT"

15 Phase I, II and III

16 At least three elements marked as "Progress Not Evident"

17
18 ACTION PLAN FOR "PROGRESS NOT EVIDENT"

19 The supervisor and educator shall mutually agree upon activities, objectives,
20 plans, etc., that focus on improvement of all elements of concern. This may
21 include: college classes, workshops, in-service opportunities, release time,
22 assistance and/or visitations and observations of other teachers, peer coaching,

3 agreement upon the parties. In the event the parties fail to agree upon an
4 administrator to assist in resolving the disagreement, the Superintendent
5 shall be the agreed upon administrator.

6
7 K. When a supervisor determines through documented evidence,
8 conversations and assistance that has been shared with all parties involved
9 that an educator not in an evaluation year is in need of specific professional
10 assistance, an Assistance Phase Plan (F-5) may be developed to address the
11 identified areas of need. Educators receiving an overall rating of Progress
12 Not Evident upon completion of the Assistance Plan will move to Letter I,
13 Progress Not Evident, section of this Article.

14
15 L. All formative observations (F-3) will be followed by a conference and written

A. A transfer is defined as a change in assignment of an employee from one job site to another, which does not involve a change in classification or job title. A reassignment is defined as a change of assignment within the current worksite.

B. Transfers fall into three categories:

1. Involuntary transfers that are initiated by the District
2. Transfers that are initiated at the request of the member on a voluntary basis
3. Reduction in staff

C. Job site is the location where the employee is normally assigned and performs his/her duties, or the location from which employees perform duties throughout the District.

D. The District shall consider and determine the following in making transfers:

- The experience and recent training of the employee
- Seniority
- Quality of service to the District
- The operational and educational needs of the District

E. Voluntary Transfers - Initiated at the request of an employee

1. An employee may request a voluntary transfer to be made at the beginning of the following school year. Such requests will be made prior to August 1.
2. Applicants will submit a letter to the Personnel Office requesting a transfer. Such requests will be acknowledged in writing.

3. If an employee requests that his/her application for transfer be kept confidential, he/she shall first discuss the matter with the Assistant Superintendent or Director of Personnel.

F. Involuntary Transfers - Initiated by the District

1. When involuntary transfers occur, the District shall notify the employee in writing by certified mail or school mail with return receipt five (5) days in advance, except in the case of emergency, of those factors which determined his/her transfer.
2. The employee shall be given five (5) days after receipt of his/her notification within which to request a review of the transfer and to submit a rebuttal in writing. In the event of the above emergency situations, the transfer may take place before the five (5) days for review expire.

G. Transfers created by the reduction in staff due to decreased enrollment:

1. When a reduction in certificated staff at a school site is due to decreased student enrollment, staff members at those sites shall be accorded first priority for filling any new or vacant positions in the district excluding new school openings or I.B. programs. Displacement of staff members from a site shall be by district seniority.
Staff members shall designate their top three (3) choices from open positions. Staff members shall be assigned their top choice when not in conflict with another staff member having greater district seniority. When two (2) or more staff members express interest in the same position, that position shall be given to the staff member with the greatest district seniority.
When a new opening occurs at the site from which the staff member was displaced, that staff member may return to the school site if the opening occurs not later than the last instructional day of the school year. If two (2) or more staff members express interest in returning to their original school site, the option shall be given to the staff member with the greatest district seniority.

If there is no volunteer who meets the needs of the position as determined by the administrator, the administrator will meet with employees who are being considered for reassignment before making the final decision and meeting with the employee to be reassigned to articulate the reasons for reassignment.

I. Prior to the end of a school year, employees shall be notified in writing of their teaching assignments and work locations for the coming year.

J. Employees who are transferred during the school year shall be allowed no more than three (3) days of released time for preparation prior to the effective date of the transfer.

- A. Industrial Accident or Illness Leave is granted to employees who have had an accident or illness arising out of and in the course of their employment with the District. All probationary and permanent certificated employees shall be entitled (in any one (1) fiscal year for the same accident or illness) to sixty (60) days of Industrial Accident or Illness Leave during which the schools of the District are required to be in session or when the employees would otherwise have been performing work for the District. Such Industrial Accident or Illness Leave shall commence on the first day of absence and shall be reduced by one day for each day of authorized absence regardless of a temporary disability indemnity award. (Part-time employees assigned to a full time position are not eligible.)

- B. Allowable leave shall not be accumulative from year to year, except when an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year. The employee shall then be entitled to only that amount of unused leave due him/her for the same illness or injury.

- C. During any paid industrial leave of absence, Temporary Total Disability checks will be sent directly to the employee. The District must make adjustment on payroll by reducing employee's regular check by the full amount of said benefit check(s). The District will notify the County Office that the adjustment is for Workers' Compensation and that the retirement contribution from the employee must be adjusted to an amount equal to the full amount of pay before the compensation benefit reduction. Workers' Compensation benefits are not taxable or subject to FICA, but the employee is entitled to full STRS retirement credit.

- D. If an employee returns to work during the period for which he/she has received a benefit check, the District is informed of the overpayment by Claims Management. Once the overpayment has been returned to Claims Management, the District refunds the reduction in salary to the employee.

- F. The Industrial Accident or Illness Leave of Absence is to be in lieu of entitlement acquired under "Sick Leave." An employee's absence shall be deemed to have commenced on the date of termination of the Industrial Accident or Illness Leave, provided that if the employee continues to receive temporary disability indemnity, he/she may elect to take as much accumulated sick leave which, when added to the temporary disability indemnity, will result in a payment of not more than his/her full salary.

- G. Industrial Accident or Illness Leave for each occurrence shall cease when temporary disability benefits under workers' compensation laws of the State of California are discontinued for the applicable industrial accident or illness.

- H. An employee who is eligible for re-employment and has been medically released for return to duty, but fails to accept an appropriate assignment, shall be terminated or placed on a health leave of absence.

- I. When available leaves of absence have been exhausted and the employee is not medically able to assume the duties of his/her position, he/she may be terminated. 11
12 Health insurance coverage to the level of the benefit cap shall be maintained and paid for
13 by the District for the duration of the leave not to exceed 12 work weeks in a 12-month
14 period. The District may recover the premium paid for the employee during the leave if
15 the employee fails to return from leave after the period of leave has expired for a reason
16 other than the continuation, recurrence, or onset of a serious health condition that entitles
17 the employee to leave or other circumstances beyond the control of the employee.

18
19 There is no carry-over of unused leave; Family Care Leave does not accumulate from
20 year to year.

21
22 "Parent" means a biological, foster or adoptive parent, a stepparent, a legal guardian, or
23 other person who stood in loco parentis to the employee when the employee was a child.

24 "Child" means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of
25 an employee standing in loco parentis who is either under 18 years of age or is an adult
26 dependent child who is incapable of self-care because of a mental or physical disability.

27
28 If both parents of a child who are entitled to Family Care Leave under the first paragraph
29 of this article are employees of the District, the District shall not be required to grant leave
30 in connection with the birth, adoption, or foster care of a child that would allow the parents
31 Family Care Leave totaling more than a combined total of twelve work weeks in a twelve-
32 month period specified in the first paragraph of this article.

33
34 The employee shall provide reasonable advance notice to the District of the
35 need for Family Care Leave, the date the leave will commence, and the estimated

1 duration of the leave. If the need for a leave becomes known more than thirty (30) days
2 prior to the date a leave is to begin, the employee must provide at least thirty (30) days
3 written advance notice.

4
5 If verification is required by the District to verify the serious illness of the child, spouse,
6 parent, or employee, the District may accept medical verification by the treating health
7 professional.

8
9 Seniority protection - This leave does not constitute a break in service for seniority under
10 any collective bargaining agreement or employee benefit plan.

11
12 Family Care is an unpaid leave of absence unless an employee elects to use accrued
13 vacation or other appropriate paid leave. When available paid leave is exhausted, the
14 balance of the family leave, if any, is unpaid.

15
16 Employees who do not qualify for the Family Leave Act may be eligible for other leave
17 provisions provided by the contract. Pregnancy and Maternity Leave is in addition to
18 provisions of the Family and Medical Leave Act. (Refer to Article XIX - B, Leave:
19 Pregnancy and Maternity.)

20
21 Upon return from an FMLA leave, an employee is entitled to return to the same position
22 or to an equivalent position with equivalent benefits, pay, and other terms and conditions
23 of employment, including the same work site (if available). However, the employee has
24 no right to return to the same position if it is no longer available. The determination of
25 whether a position is equivalent shall be based on established school board policies and
26 collective bargaining agreements.

2. The duration of the leave of absence, including the date on which the leave shall commence and the date on which the employee shall resume duties, shall be determined by the employee and the employee's physician. The employee shall notify the District Superintendent of the projected date on which the leave is expected to commence and the probable date on which such leave will terminate. Such notice to be given not later than thirty (30) days prior to the expected commencement date.
3. The employer may request at any time that the employee provide a written statement from her physician attesting to the actual duration of the employee's physical incapacity.

ARTICLE XX

LEAVE: REQUESTED ABSENCE FROM ASSIGNED DUTIES

- A. When a circumstance occurs in which an employee requests permission to miss service days in order to attend an activity which is of professional interest to that individual and offers to pay all trip expenses involved, or when an employee requests permission to miss service days based upon a personal problem to that individual, the Superintendent is then charged with the responsibility of either granting or refusing authorization in each circumstance. Such request shall be made to the Superintendent at least three (3) days prior to the date the individual requests to be absent from the assigned duties. Further, it is the responsibility of the Superintendent, if authorization is granted, to consider each request individually and without precedent to any other like request and render decisions as to substitute pay responsibility, sick leave deduction, and travel expense with reference to District responsibility in the matter.
- B. Should an employee have an emergency which requires the possible application of this section without the opportunity of providing the advance request required, the employee should immediately advise the appropriate principal or immediate supervisor of that need. Such an action does not automatically signify that the absence will be approved. Within three (3) days of returning the employee must discuss the absence with the Superintendent who will then determine the appropriate financial decision as if the information had been submitted in advance.
- C. The Superintendent is to have complete authority in all such matters of this nature and his/her decisions are final so far as the District is concerned and are not appealable either to the Board of Education or through the grievance procedure.

1 **ARTICLE XXII**

2 **LEAVE: SICK**

- 3
- 4 A. A full time employee employed five (5) days a week is entitled to ten (10) days of
5 sick leave during a school year; such leave is to accumulate from year to year
6 without limit. An employee working less than full time shall be granted sick leave
7 in the same ratio that the employment bears to full time employment.
8
- 9 B. Use of current annual sick leave need not be accrued prior to taking such leave.
10 When an employee has exhausted the accrued annual ten (10) days of earned
11 sick leave, absences beyond that period shall be continued with pay for a period of
12 five (5) months from the end of that accrued earned sick leave period. During the
13 five (5) month period, the employee shall have deducted from his/her monthly
14 salary the sum actually paid a substitute to fill the position, or if no substitute is
15 hired, the amount which would have been paid to the substitute had one been
16 employed.
17
- 18 C. In cases of absence in excess of the extended five (5) month period, the employee
19 shall be granted a leave of absence without pay for the remainder of the school
20 year; however, the employee's medical and dental insurance shall be paid by the
21 District until the end of the year.
22
- 23 D. The District reserves the right to request verification of any absence including, but
24 not limited to, a physician's statement. Employees returning to work from
25 extended illness (including surgery) or injury absences shall be required to present
26 a doctor's release prior to returning to duty.
27
- 28 E. Employees on an extended contract will receive sick leave accumulation credit
29 prorated to an eight (8) hour day.
30
- 31 F. Sick leave shall be taken in morning or afternoon allotments and for this purpose
32 the District shall employ one-half (1/2) day substitutes should such substitute be
33 available.
34
- 35 G. Any employee who does not utilize more than two (2) days sick leave during any
36 school year shall, the following school year, be allowed an amount equivalent to
37 the cost of a full day substitute teacher to be used for classroom or other
38 educational purposes. The standard district purchasing procedures shall be
39 followed.

ARTICLE XXII-B

LEAVE: DONATION OF LEAVE FOR CATASTROPHIC ILLNESS

A. Upon written request, certificated employees may donate earned sick leave to the Catastrophic Leave Bank as eligible leave credits when an employee or that employee's family member suffers from a catastrophic illness or injury. Open contribution time will annually occur in May. If the Catastrophic Leave Bank is depleted of sick leave, contributions may be donated as needed during the school year. The Personnel Office in cooperation with the Roseville Teachers' Association, with permission of the requesting employee, will make known to all certificated employees the need for donations. The donation and receipt of such credits are subject to the following conditions:

1. Catastrophic illness or injury is defined to mean an illness or injury that is expected to incapacitate an employee or a member of an employee's family for an extended period of time, which incapacity requires the employee to take time off from work to care for that family member for an extended period of time, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave.
2. Eligible leave credits are defined to mean sick leave accrued to the donating employee. An employee cannot donate future sick leave that has not been accrued. An individual employee may not donate more than forty-five (45) sick leave days in any one school year.
3. Family member is defined to mean the employee's spouse, parents, parents-in-law, siblings, children and stepchildren, or any relative maintaining a bona fide family relationship living in the immediate household of the employee.
4. The employee who is, or whose family member is, suffering from a catastrophic illness or injury and who is requesting that eligible leave credits be donated:

- a. must submit completed form and provide medical verification to the Personnel Office. (A family member may submit form and medical verification if the employee is unable to make a written request because of the catastrophic illness or injury.)
- b. must exhaust all accrued paid leave credits.
- c. must use all leave credit that he or she continues to accrue on a monthly basis before receiving paid leave credits that are donated under this contract section.

5. The Personnel Office will refer eligible employees under the Catastrophic Leave provisions to the Catastrophic Leave Committee which will consist of four Roseville Teachers' Association members. To approve an employee's request for sick leave, there must be three affirmative votes.

6. An employee who chooses to donate eligible leave credits:

- a. must submit completed form to the Personnel Office of the intent to transfer the eligible leave credits.
- b. Acknowledges that all transfers of eligible leave credits are irrevocable and binding.
- c. must donate eligible leave credits of a minimum of one day. Additional eligible leave credits have to be donated in full-day increments.

7. Eligible credits donated into a "pool" will be distributed by the Catastrophic Leave Committee.

- a. The Catastrophic Leave Committee will determine the number of days eligible employees may receive.
- b. For eligible employees, the Catastrophic Leave Bank will supplement the District provided Income Protection Plan up to maximum of 100% of salary for one year.
- c. For eligible employees, the Catastrophic Leave Bank will provide a maximum of sick leave for one year to the extent of days available in Catastrophic Leave Bank.

1 d. The Catastrophic Leave Committee's decision to deny the
2 employee's request to receive donated leave credits is final and is not
3 subject to review or appeal under the grievance or any other
4 procedure.

5
6 8. If the Catastrophic Leave Bank exhausts all available sick leave, there is no
7 obligation to provide sick leave to any eligible employees.

8
9 9. If the option of the Catastrophic Leave Bank is negotiated out of the contract,
10 then the District and the Association agree to negotiate how the remaining
11 sick leave days will be utilized.

12
13 10. The Association will not be held responsible for the District's determination
14 of eligibility. The District will not be held responsible for the Association's
15 distribution of sick leave days in the Catastrophic Sick Leave Bank.

LEAVE: UNAUTHORIZED

- A. Unauthorized leave is defined as non-performance of those duties and responsibilities assigned by the District Administration including all duties and responsibilities as defined by statute, rules and regulations of the District and the State Board of Education, adopted job descriptions for certificated employees, which are incorporated by reference into this contract and may not be modified during the term of this contract, and the articles of this contract.
- B. Such unauthorized leave may include but is not limited to refusal to provide service, unauthorized use of sick leave, unauthorized use of other leave benefits, non-attendance at required meetings and failure to perform required supervisory functions at school sponsored activities.
- C. An employee is deemed to be on unauthorized leave when the employee is absent from such required duties. The employee will receive a deduction of pay for the period of such absence.

ARTICLE XXIV
GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is a claim by an employee that there has been a violation, misinterpretation, or misapplication, of a written provision of this Agreement.
2. A "day" is an employee duty day.
3. A "grievant" is the employee or the Association making the claim.
4. An "immediate supervisor" is the principal or supervisor having jurisdiction over the employee filing the grievance and who has the authority to resolve the grievance.
5. A "representative" is an employee or representative of the Association or legal counsel who participates in this procedure.

B. General

1. The purpose of this procedure is to secure, at the lowest possible administrative level, solutions to grievances. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. An employee may present grievances to the District and have such grievances adjusted without the intervention of the Association as long as the adjustment is not inconsistent with the terms of this agreement. The District shall not agree to the adjustment or resolution of a grievance until the Association has received a copy of the grievance and the proposed resolution, and has been given five (5) days to file a response.

3. Failure by the administration to adhere to decision deadlines constitutes the right for the grievant to appeal automatically to the next level. Failure of the employee to adhere to the submission deadlines shall mean that the employee is satisfied with the latest decision and waives any right to further appeal. However, nothing prevents the parties from extending the time limit by mutual agreement.
4. Until final disposition of a grievance takes place, the grievant is required to conform to the original direction of the supervisor.
5. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
6. Every effort will be made to schedule meetings for the processing of grievances at times which will not interfere with the regular work day and assignments of the participants. If any grievance meeting or hearing must be scheduled during the school day, any employee required by either party to participate as a witness in such meeting or hearing shall be released from regular duties without loss of pay for the amount of time necessary for the hearing.
7. When a grievance has been filed by an employee, the grievant may terminate the grievance at any time by giving written notice to the District. Failure to comply with time limits, to attend scheduled meetings, to discuss or hear the grievance, or to provide requested information at the grievant's disposal relating to the grievance shall be deemed a termination of the grievance by the employee. The District shall give written notice of such termination to the employee.
8. The grievant has the right to have a representative present at any formal level. The grievant, however, must be present at each level.

- 10. In the event a grievance is filed at such a time that it cannot be processed through all levels by the last day of the school year, and if left unresolved until the beginning of the following school year could result in harm to a grievant or to the District, the time limits will be reduced by agreement of the parties, so that the procedure may be exhausted as soon as practicable.

C. Non-Grievable

The following are not grievable:

- 1. The termination of services of or failure to reemploy any probationary employee.

- 2. The termination of services of or failure to reemploy any employee to a position for which extra compensation is received.

2 immediate supervisor and the employee shall meet and attempt to resolve

4 the intent of this informal meeting that at least one (1) personal conference
5 be held between the employee and the immediate supervisor.

6

9 a. Level 1 - If not settled at the informal level, a grievance shall be
10 presented in writing to the immediate supervisor within five (5) days.
11 The immediate supervisor shall meet with the grievant before
12 making a decision. The immediate supervisor shall make a decision
13 within five (5) days of having the meeting.

14
15 b. Level 2 - If the grievant is not satisfied with the decision at Level 1, or
16 if no decision is rendered within the time limits, the grievant may
17 appeal the decision to the Superintendent or his designee within five
18 (5) days. The Superintendent or his designee shall meet with the
19 grievant before making a decision. The Superintendent or his

23
24 c. Level 3 - If the grievance is not resolved at Levels 1 or 2, the
25 Association may submit the grievance to advisory arbitration. The
26 submission shall be filed with the Superintendent within ten (10)
27 days after receipt of the written decision at Level 2.

28
29 **3.** The parties shall select a mutually acceptable arbitrator. Should the
30 parties be unable to agree on an arbitrator within seven (7) days of the

5 the following limitations:

6
7 a. The arbitrator shall have no power to add to, subtract from,
8 disregard, alter, or modify any of the terms of this agreement.

9
10 b. The arbitrator shall have no power to establish salary structures or
11 change any salary.

12
13 c. The arbitrator shall have no power to change any practice, policy,
14 rule, regulation, or procedure of the District nor to substitute any
15 judgment for that of the District as to the reasonableness of any
16 such practice, policy, rule, regulation, procedure, or any action taken
17 by the District.

18
19 d. If either party should dispute the arbitrability of the grievance,
20 whether or not arbitrability has been raised in a prior step of this
21 procedure as a defense, such a claim shall be heard and a ruling
22 given by the arbitrator prior to any hearing on the grievance.

23
24 E. Miscellaneous

5 the taking of additional evidence.

6
7 4. Hearings under this procedure shall be conducted at a time and place
8 which will provide a fair and reasonable opportunity for all persons entitled
9 to be present to attend. The hearing shall be held at 1:00 pm unless there
10 is a mutual agreement for other arrangements. The District and
11 Association are responsible for the payment of their own representatives
12 and witnesses involved in any grievance meeting.

13
14 5. If a grievance rises as a result of any action or inaction by an administrator
15 higher than the immediate supervisor, the employee may present such
16 grievance at Level 2.

17
18 6. Time limits in this procedure may be extended by mutual agreement.
19 Failure at any level to communicate the decision on a grievance within the
20 specified time limit shall permit the grievant to appeal to the next level. Any
21 grievance not advanced from one (1) level to the next within the time limits
22 of that level shall be deemed resolved by the District's response at the
23 previous level.

24
25 7. All forms for grievances will be jointly prepared by the District
26 and the Association, and given appropriate distribution.

27
28 8. Grievances not written according to the form requirements may be rejected

TEACHER ON SPECIAL ASSIGNMENT - PRESCHOOL

The Roseville City School District ("District") and the Roseville Teachers' Association ("Association") enter into this Memorandum of Understanding ("MOU") regarding the Teacher on Special Assignment for 2021/2022 - 2022/2023 school year on the 21st day of September 2021.

1. A Teacher on Special Assignment is a teacher who performs teaching-related duties outside the classroom in a position other than a classroom teaching assignment. Duties shall include, supporting preschool staff in the implementation of effective preschool programs and teaching methods, demonstration lessons, data review, IEP development, and progress monitoring, assist in development and implementation of coherent curriculum across the preschool programs, develop and support staff in implementing effective practices for the transition from preschool to TK/Kindergarten, Assessment Coordinator for initial preschool eligibility assessment, support academic assessments for initial preschool eligibility assessments, admin designee for IEP meetings and attend transition meetings with ALTA regional center
2. TOSA duties may be altered by the Principal to address the needs of the program. In no case shall duties include evaluation or supervision of another bargaining unit member. Teacher on Special Assignment shall not be counted in the normal student-to-teacher ratios that govern class size averages and caps.
3. Teacher on Special Assignment shall work the same contractual year and day as a regular teacher and be paid the same as a regular teacher according to the District's salary scale. In recognition of TOSA's additional duties listed above, they are not included in any before or after-school student supervision duties. By mutual agreement, TOSA's may work an additional five (5) days per year beyond the regular contract days and be paid at the per diem rate or schedule flex days.
4. Teacher on Special Assignment positions shall be offered to all staff in the preschool program. Staff must be in permanent status or have at least three years of teaching experience. The Principal shall make the selection. If there are no qualified applicants in the program the TOSA position will be posted within the District.
5. At the completion of the 2022-2023 school year, or by request of the staff member, or by decision of the Principal, the staff member will return to a regular teaching position in the program. If at any time during the term of the TOSA there is a reduction in staff due to enrollment, the staff member, excluding the TOSA, with the least district seniority will be bumped. Upon returning to the classroom the TOSA will be included in the regular bumping process.

This MOU is non-precedent setting and is in effect through the 2022-2023 school year.
