A. The District shall take steps to maintain average class sizes as follows:

TK – 3	30	
4 – 5	32	
6 – 8	32	
P.E.	45	(Middle School)

B. Because of their unique characteristics, instrumental music and chorus are excluded from the class size averages.

C. It is recognized that certain specialty programs at middle schools will require class size limitations due to safety, facility limitations, and curriculum needs.

D. It is recognized that unusual and unforeseeable situations sometimes arise which make it impossible to maintain the above stated averages in the District classrooms.

E. In no case will unusually large classes (those exceeding 34) be maintained for more than four (4) weeks after the opening of school.

F. The District shall attempt to keep all classes within the stated averages. The parties understand that budgetary constraints and availability of classrooms are all primary factors that affect placement of students in classes.

G. Management will work towards maintaining heterogeneously balanced classes. Heterogeneous classes are evenly balanced in relation to boys/girls, academic abilities, differences in behavior and special needs students (including students with active IEPs or EL students).

Exceptions may exist at particular school sites as a result of collaborative efforts/or special programs designed to address the unique needs of students and staff.

CLASS SIZE
Continued

H. The staffing ratio for Speech and Language Pathologists will be 55:1 full-time SLP based on January/February caseloads plus 10% for growth.

- Number of sites
- Geographic area to be covered
- Travel time required
- Type and severity of disabling condition
- Type and amount of assessment and intervention

I. Any fourth through fifth grade class at an elementary site that has 30 or more full-time students and two or more S.D.C. students are mainstreamed into that class during the same interval of time, an instructional aide will accompany the students during their period of time in the general education classroom. Whenever possible, the instructional aides assigned to the S.D.C. class will accompany the students. If the classroom S.D.C. aides are unavailable, then all efforts will be made to provide additional instructional aide time during the specified time the S.D.C. students are mainstreamed into the general education class.

J. Every effort will be made to maintain reasonable class sizes in Special Day Class Program, (SDC), Autism Special Day Class Program (ASD), and Functional Skills Program (FSP) classes. Sufficient level of staff support will be made available to those classes with an unusually high number of students.

2. Transfers that are initiated at the request of the member on a voluntary basis
3. Reduction in staff

D. The District shall consider and determine the following in making transfers:

- The experience and recent training of the employee
- Seniority
- Quality of service to the District

Outside applicants may be considered for open positions upon completion of a five (5) day posting and interview of any interested permanent/probationary employee.

LEAVE: DISTRICT LIABILITY

- A. Both the Board and the District shall be free from any liability for the payment of any compensation or damages provided by law for the death or injury of any employee of the District employed in a position requiring certification qualifications when the death or injury occurs while the employee is on any leave of absence.

ARTICLE XIII

LEAVE: INDUSTRIAL ACCIDENT OR ILLNESS

- A. Industrial Accident or Illness Leave is granted to employees who have had an accident or illness arising out of and in the course of their employment with the District. All probationary and permanent certificated employees shall be entitled (in any one (1) fiscal year for the same accident or illness) to sixty (60) days of Industrial Accident or Illness Leave during which the schools of the District are required to be in session or when the employees would otherwise have been performing work for the District. Such Industrial Accident or Illness Leave shall commence on the first day of absence and shall be reduced by one day for each day of authorized absence regardless of a temporary disability indemnity award. (Part-time employees assigned to a full time position are not eligible.)
- B. Allowable leave shall not be accumulative from year to year, except when an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year. The employee shall then be entitled to only that amount of unused leave due him/her for the same illness or injury.
- C. During any paid industrial leave of absence, Temporary Total Disability checks will be sent directly to the employee. The District must make adjustment on payroll by reducing employee's regular check by the full amount of said benefit check(s). The District will notify the County Office that the adjustment is for Workers' Compensation and that the retirement contribution from the employee must be adjusted to an amount equal to the full amount of pay before the compensation benefit reduction. Workers' Compensation benefits are not taxable or subject to FICA, but the employee is entitled to full STRS retirement credit.
- D. If an employee returns to work during the period for which he/she has received a benefit check, the District is informed of the overpayment by Claims Management. Once the overpayment has been returned to Claims Management, the District refunds the reduction in salary to the employee.

ARTICLE XIX-A

LEAVE: FAMILY AND MEDICAL LEAVE

Employees who have completed one year of full-time service in probationary or permanent status during the previous one year period and are currently employed full time by the District have the right to request an unpaid leave of absence for up to 12 work weeks within a 12-month period for the purpose of caring for a new baby, a newly adopted baby, or a newly placed foster child or for a child, spouse, parent, or employee with a serious health condition.

Health insurance coverage to the level of the benefit cap shall be maintained and paid for by the District for the duration of the leave not to exceed 12 work weeks in a 12-month period. The District may recover the premium paid for the employee during the leave if the employee fails to return from leave after the period of leave has expired for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to leave or other circumstances beyond the control of the employee.

There is no carry-over of unused leave; Family Care Leave does not accumulate from year to year.

"Parent" means a biological, foster or adoptive parent, a stepparent, a legal guardian, or other person who stood in loco parentis to the employee when the employee was a child.

"Child" means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of an employee standing in loco parentis who is either under 18 years of age or is an adult dependent child who is incapable of self-care because of a mental or physical disability.

If both parents of a child who are entitled to Family Care Leave under the first paragraph of this article are employees of the District, the District shall not be required to grant leave in connection with the birth, adoption, or foster care of a child that would allow the parents Family Care Leave totaling more than a combined total of twelve work weeks in a twelve-month period specified in the first paragraph of this article.

The employee shall provide reasonable advance notice to the District of the need for Family Care Leave, the date the leave will commence, and the estimated

1 duration of the leave. If the need for a leave becomes known more than thirty (30) days
2 prior to the date a leave is to begin, the employee must provide at least thirty (30) days

5 If verification is required by the District to verify the serious illness of the child, spouse,
6 parent, or employee, the District may accept medical verification by the treating health
7 professional.

8
9 Seniority protection - This leave does not constitute a break in service for seniority under
10 any collective bargaining agreement or employee benefit plan.

11
12 Family Care is an unpaid leave of absence unless an employee elects to use accrued
13 vacation or other appropriate paid leave. When available paid leave is exhausted, the
14 balance of the family leave, if any, is unpaid.

15
16 Employees who do not qualify for the Family Leave Act may be eligible for other leave
17 provisions provided by the contract. Pregnancy and Maternity Leave is in addition to
18 provisions of the Family and Medical Leave Act. (Refer to Article XIX - B, Leave:
19 Pregnancy and Maternity.)

20
21 Upon return from an FMLA leave, an employee is entitled to return to the same position
22 or to an equivalent position with equivalent benefits, pay, and other terms and conditions
23 of employment, including the same work site (if available). However, the employee has
24 no right to return to the same position if it is no longer available. The determination of

LEAVE: PREGNANCY AND MATERNITY

A leave of absence shall be granted to any employee for that period of time during which the employee, in the judgment of her physician, is unable to perform her duties due to pregnancy, miscarriage or childbirth, and recovery therefrom.

1. The employee's allowable sick leave may be used for such leave.
2. The duration of the leave of absence, including the date on which the leave shall commence and the date on which the employee shall resume duties, shall be determined by the employee and the employee's physician. The employee shall notify the District Superintendent of the projected date on which the leave is expected to commence and the probable date on which such leave will terminate. Such notice to be given not later than thirty (30) days prior to the expected commencement date.
3. The employer may request at any time that the employee provide a written statement from her physician attesting to the actual duration of the employee's physical incapacity.
4. At the employee's request, and with the approval of the Superintendent, an employee may be granted a maternity leave without pay following or in lieu of the pregnancy leave.

ARTICLE XX

LEAVE: REQUESTED ABSENCE FROM ASSIGNED DUTIES

- A. When a circumstance occurs in which an employee requests permission to miss service days in order to attend an activity which is of professional interest to that individual and offers to pay all trip expenses involved, or when an employee requests permission to miss service days based upon a personal problem to that individual, the Superintendent is then charged with the responsibility of either granting or refusing authorization in each circumstance. Such request shall be made to the Superintendent at least three (3) days prior to the date the individual requests to be absent from the assigned duties. Further, it is the responsibility of the Superintendent, if authorization is granted, to consider each request individually and without precedent to any other like request and render decisions as to substitute pay responsibility, sick leave deduction, and travel expense with reference to District responsibility in the matter.
- B. Should an employee have an emergency which requires the possible application of this section without the opportunity of providing the advance request required, the employee should immediately advise the appropriate principal or immediate supervisor of that need. Such an action does not automatically signify that the absence will be approved. Within three (3) days of returning the employee must discuss the absence with the Superintendent who will then determine the appropriate financial decision as if the information had been submitted in advance.
- C. The Superintendent is to have complete authority in all such matters of this nature and his/her decisions are final so far as the District is concerned and are not appealable either to the Board of Education or through the grievance procedure.

ARTICLE XXII

LEAVE: SICK

- A. A full time employee employed five (5) days a week is entitled to ten (10) days of sick leave during a school year; such leave is to accumulate from year to year without limit. An employee working less than full time shall be granted sick leave in the same ratio that the employment bears to full time employment.
- B. Use of current annual sick leave need not be accrued prior to taking such leave. When an employee has exhausted the accrued annual ten (10) days of earned sick leave, absences beyond that period shall be continued with pay for a period of five (5) months from the end of that accrued earned sick leave period. During the five (5) month period, the employee shall have deducted from his/her monthly salary the sum actually paid a substitute to fill the position, or if no substitute is hired, the amount which would have been paid to the substitute had one been employed.
- C. In cases of absence in excess of the extended five (5) month period, the employee shall be granted a leave of absence without pay for the remainder of the school year; however, the employee's medical and dental insurance shall be paid by the District until the end of the year.
- D. The District reserves the right to request verification of any absence including, but not limited to, a physician's statement. Employees returning to work from extended illness (including surgery) or injury absences shall be required to present a doctor's release prior to returning to duty.
- E. Employees on an extended contract will receive sick leave accumulation credit prorated to an eight (8) hour day.
- F. Sick leave shall be taken in morning or afternoon allotments and for this purpose the District shall employ one-half (1/2) day substitutes should such substitute be available.
- G. Any employee who does not utilize more than two (2) days sick leave during any school year shall, the following school year, be allowed an amount equivalent to the cost of a full day substitute teacher to be used for classroom or other educational purposes. The standard district purchasing procedures shall be followed.

ARTICLE XXII-B**LEAVE: DONATION OF LEAVE FOR CATASTROPHIC ILLNESS**

A. Upon written request, certificated employees may donate earned sick leave to the Catastrophic Leave Bank as eligible leave credits when an employee or that employee's family member suffers from a catastrophic illness or injury. Open contribution time will annually occur in May. If the Catastrophic Leave Bank is depleted of sick leave, contributions may be donated as needed during the school year. The Personnel Office in cooperation with the Roseville Teachers' Association, with permission of the requesting employee, will make known to all certificated employees the need for donations. The donation and receipt of such credits are subject to the following conditions:

1. Catastrophic illness or injury is defined to mean an illness or injury that is expected to incapacitate an employee or a member of an employee's family for an extended period of time, which incapacity requires the employee to take time off from work to care for that family member for an extended period of time, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave.
2. Eligible leave credits are defined to mean sick leave accrued to the donating employee. An employee cannot donate future sick leave that has not been accrued. An individual employee may not donate more than forty-five (45) sick leave days in any one school year.
3. Family member is defined to mean the employee's spouse, parents, parents-in-law, siblings, children and stepchildren, or any relative maintaining a bona fide family relationship living in the immediate household of the employee.
4. The employee who is, or whose family member is, suffering from a catastrophic illness or injury and who is requesting that eligible leave credits be donated:

- a. must submit completed form and provide medical verification to the Personnel Office. (A family member may submit form and medical verification if the employee is unable to make a written request because of the catastrophic illness or injury.)
- b. must exhaust all accrued paid leave credits.
- c. must use all leave credit that he or she continues to accrue on a monthly basis before receiving paid leave credits that are donated under this contract section.

5. The Personnel Office will refer eligible employees under the Catastrophic Leave provisions to the Catastrophic Leave Committee which will consist of four Roseville Teachers' Association members. To approve an employee's request for sick leave, there must be three affirmative votes.

6. An employee who chooses to donate eligible leave credits:

- a. must submit completed form to the Personnel Office of the intent to transfer the eligible leave credits.
- b. Acknowledges that all transfers of eligible leave credits are irrevocable and binding.
- c. must donate eligible leave credits of a minimum of one day. Additional eligible leave credits have to be donated in full-day increments.

7. Eligible credits donated into a "pool" will be distributed by the Catastrophic Leave Committee.

- a. The Catastrophic Leave Committee will determine the number of days eligible employees may receive.
- b. For eligible employees, the Catastrophic Leave Bank will supplement the District provided Income Protection Plan up to maximum of 100% of salary for one year.
- c. For eligible employees, the Catastrophic Leave Bank will provide a maximum of sick leave for one year to the extent of days available in Catastrophic Leave Bank.

1 d. The Catastrophic Leave Committee's decision to deny the
2 employee's request to receive donated leave credits is final and is not
3 subject to review or appeal under the grievance or any other
4 procedure.

5
6 8. If the Catastrophic Leave Bank exhausts all available sick leave, there is no
7 obligation to provide sick leave to any eligible employees.

8
9 9. If the option of the Catastrophic Leave Bank is negotiated out of the contract,
10 then the District and the Association agree to negotiate how the remaining
11 sick leave days will be utilized.

12
13 10. The Association will not be held responsible for the District's determination
14 of eligibility. The District will not be held responsible for the Association's
15 distribution of sick leave days in the Catastrophic Sick Leave Bank.

LEAVE: UNAUTHORIZED

- A. Unauthorized leave is defined as non-performance of those duties and responsibilities assigned by the District Administration including all duties and responsibilities as defined by statute, rules and regulations of the District and the State Board of Education, adopted job descriptions for certificated employees, which are incorporated by reference into this contract and may not be modified during the term of this contract, and the articles of this contract.
- B. Such unauthorized leave may include but is not limited to refusal to provide service, unauthorized use of sick leave, unauthorized use of other leave benefits, non-attendance at required meetings and failure to perform required supervisory functions at school sponsored activities.
- C. An employee is deemed to be on unauthorized leave when the employee is absent from such required duties. The employee will receive a deduction of pay for the period of such absence.

ARTICLE XXIV
GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is a claim by an employee that there has been a violation, misinterpretation, or misapplication, of a written provision of this Agreement.
2. A "day" is an employee duty day.
3. A "grievant" is the employee or the Association making the claim.
4. An "immediate supervisor" is the principal or supervisor having jurisdiction over the employee filing the grievance and who has the authority to resolve the grievance.
5. A "representative" is an employee or representative of the Association or legal counsel who participates in this procedure.

B. General

1. The purpose of this procedure is to secure, at the lowest possible administrative level, solutions to grievances. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. An employee may present grievances to the District and have such grievances adjusted without the intervention of the Association as long as the adjustment is not inconsistent with the terms of this agreement. The District shall not agree to the adjustment or resolution of a grievance until the Association has received a copy of the grievance and the proposed resolution, and has been given five (5) days to file a response.

GRIEVANCE PROCEDURE
Continued

3. Failure by the administration to adhere to decision deadlines constitutes the right for the grievant to appeal automatically to the next level. Failure of the employee to adhere to the submission deadlines shall mean that the employee is satisfied with the latest decision and waives any right to further appeal. However, nothing prevents the parties from extending the time limit by mutual agreement.
4. Until final disposition of a grievance takes place, the grievant is required to conform to the original direction of the supervisor.
5. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
6. Every effort will be made to schedule meetings for the processing of grievances at times which will not interfere with the regular work day and assignments of the participants. If any grievance meeting or hearing must be scheduled during the school day, any employee required by either party to participate as a witness in such meeting or hearing shall be released from regular duties without loss of pay for the amount of time necessary for the hearing.

The District shall give written notice of such termination to the employee.
8. The grievant has the right to have a representative present at any formal level. The grievant, however, must be present at each level.

2. The termination of services of or failure to reemploy any employee to a position for which extra compensation is received.

D. Procedure

1. Informal. Employees who believe there is a grievance shall present the grievance orally to the immediate supervisor within five (5) days after the circumstances occurred which form the basis for the

grievance. Failure to do so will render the grievance null and void. The immediate supervisor and the employee shall meet and attempt to resolve the matter within three (3) days after the presentation of the grievance. It is the intent of this informal meeting that at least one (1) personal conference be held between the employee and the immediate supervisor.

2. Formal

a. Level 1 - If not settled at the informal level, a grievance shall be presented in writing to the immediate supervisor within five (5) days. The immediate supervisor shall meet with the grievant before making a decision. The immediate supervisor shall make a decision within five (5) days of having the meeting.

b. Level 2 - If the grievant is not satisfied with the decision at Level 1, or if no decision is rendered within the time limits, the grievant may appeal the decision to the Superintendent or his designee within five (5) days. The Superintendent or his designee shall meet with the grievant before making a decision. The Superintendent or his designee shall make a decision within five (5) days of the meeting. The written decision shall be provided to the grievant and to the Association president.

c. Level 3 - If the grievance is not resolved at Levels 1 or 2, the Association may submit the grievance to advisory arbitration. The submission shall be filed with the Superintendent within ten (10) days after receipt of the written decision at Level 2.

3. The parties shall select a mutually acceptable arbitrator. Should the parties be unable to agree on an arbitrator within seven (7) days of the Association's submission to advisory arbitration, submission shall be made to the American Arbitration Association, who shall be requested to supply a list of names to the parties. Thereafter, the parties shall follow the rules and

procedures of the American Arbitration Association.

4. It shall be the function of the arbitrator to make an advisory recommendation to resolve the grievance. The arbitrator shall be subject to the following limitations:

b. The arbitrator shall have no power to establish salary structures or change any salary.

c. The arbitrator shall have no power to change any practice, policy, rule, regulation, or procedure of the District nor to substitute any judgment for that of the District as to the reasonableness of any such practice, policy, rule, regulation, procedure, or any action taken by the District.

d. If either party should dispute the arbitrability of the grievance, whether or not arbitrability has been raised in a prior step of this procedure as a defense, such a claim shall be heard and a ruling given by the arbitrator prior to any hearing on the grievance.

E. Miscellaneous

1. No reprisals of any kind will be taken by either party against the other party.

2. All costs for the services of the arbitrator, including but not limited to per diem expense, travel and subsistence expenses, and the cost of any hearing room, will be borne equally by the District and the Association. All other costs will be borne by the party incurring them.

3. Upon receipt of the recommendation, the Board shall render its decision

within thirty (30) days. It alone has the power to render a final and binding determination of a grievance. The recommendation of the arbitrator shall only be advisory and if, upon review, the Board determines that it is unable to render a final determination on the record, it may reopen the record for the taking of additional evidence.

4. Hearings under this procedure shall be conducted at a time and place which will provide a fair and reasonable opportunity for all persons entitled to be present to attend. The hearing shall be held at 1:00 pm unless there is a mutual agreement for other arrangements. The District and Association are responsible for the payment of their own representatives and witnesses involved in any grievance meeting.

5. If a grievance rises as a result of any action or inaction by an administrator higher than the immediate supervisor, the employee may present such grievance at Level 2.

6. Time limits in this procedure may be extended by mutual agreement. Failure at any level to communicate the decision on a grievance within the specified time limit shall permit the grievant to appeal to the next level. Any grievance not advanced from one (1) level to the next within the time limits of that level shall be deemed resolved by the District's response at the previous level.

7. All forms for grievances will be jointly prepared by the District and the Association, and given appropriate distribution.

8. Grievances not written according to the form requirements may be rejected and returned to the grievant.

9. The Superintendent and the Association President shall meet on a regular basis to discuss mutual concerns.

PROFESSIONAL LEARNING COMMUNITIES

The Roseville City School District (District) and the Roseville Teachers' Association (RTA) enter into the Memorandum of Understanding to outline the focus and intent of Professional Learning Communities.

Professional Learning Communities (PLC) occur each Wednesday as designated on the school year calendar. PLC's commence twenty minutes after school dismissal and continue until the end of the contractual work day for certificated staff.

The District and R.T.A. will mutually select three Wednesdays for report card preparation (one per trimester) and three Wednesdays for progress report preparation (one per trimester) to be determined when the school year calendar is developed and approved by the Board of Education.

It is the intent of the Memorandum of Understanding to focus PLC time on a systematic process in which teachers work together interdependently to analyze and impact professional practice to improve our individual and collective student results. District and R.T.A. share a belief that all students can learn and commit to using the critical corollary questions to guide our PLC work:

1. What is it we expect students to learn?
2. How will we know when they have learned it?
3. How will we respond when they don't learn?
4. How will we respond when they already know it?

PLC Wednesdays are a coveted time to support the learning of all students in our district.

ROSEVILLE VIRTUAL ACADEMY

The Roseville City School District ("District") and the Roseville Teachers' Association ("Association") enter into this Memorandum of Understanding ("MOU") regarding the implementation of a virtual learning program for the 2022/2023 school year.

The parties agree there is a need to provide a virtual learning program for families who choose to enroll their students in an alternative educational setting while school sites are open for in-person instruction. This agreement is in effect for the 2022/2023 school year and shall not be precedent-setting for future contract negotiations:

1. District will determine staffing needs according to student requests to participate in the virtual learning. Staffing will be based upon the number of positions needed for each grade level/subject. Counselors, Specialized Academic Instruction, SLP, and Psychologist services will be provided based on the needs of students.
2. Article IX - Transfer/Reassignment Procedure will be used to assign current staff to fill virtual learning positions. Staff members shall apply to the in-house pool for the virtual learning program on Edjoin.
3. At the end of the 2022-2023 school year, all voluntary and/or involuntary transfers into the distance learning program shall have the right to return to their original site. Should a reduction due to enrollment occur at the site, the person with the least district seniority will be bumped which will include teachers returning from RVA.
4. Should enrollment dictate a decrease in staffing during the school year or at the conclusion of the school year, the staff member teaching the class being collapsed will be moved back to a school site and may bump a temporary staff member if the site is employing a temporary staff member with the same credential.
5. Staff members will adhere to state regulations for virtual learning including daily and weekly documentation of student participation, utilizing curriculum equivalent to in-person instruction, and daily live interaction with staff and peers for students. Staff members are expected to record and post lessons for student use. Primary grades will teach a maximum of two grade levels.
6. The program will be assigned a budget and staff will be provided with necessary supplies and equipment as needed. On a voluntary basis, staff will be compensated at Appendix B, Class VII rate for any pre-approved planning during summer non-contractual days.
7. Staff members will follow the negotiated contract between the Roseville City School District and the Roseville Teachers' Association with the following exceptions:

Article V. Hours

- i. F. - Current allotment of preparation time will be followed, but may be provided in different formats.
- ii. G.1.b - Professional responsibilities - staff will follow the contract with exception of school day supervision. Staff will attend PLCs with the Virtual Academy cohort. Staff may choose to participate in school site grade-level meetings.

Article VIII. Evaluations

- iii. Regular supervision schedule will be followed. The principal will participate in virtual lessons in place of in-person observations.
- 8. Staff members who are ill or injured (Non-COVID-19 related) or who are caring for an immediate family member who is ill or injured (Non-COVID-19 related) during a school day and are not able to provide the daily instruction shall notify their supervisor and submit an absence in Absence Management/AESOP.
- 9. Staff members absent will communicate with parents and share assignment plans with students and the principal unless the absence is an emergency. If a teacher is absent for an extended period of time, a substitute will be hired.
- 10. District will follow the negotiated contract and any laws related to COVID-19 or other types of leave.
- 11. It is understood the development of the distance learning program is fluid and the District and Association will mutually review and discuss the provisions of the MOU as necessary.

This agreement is in effect for the 2022/2023 school year and shall not be precedent-setting for future contract negotiations.

This MOU shall expire on June 7, 2023, but may be extended by mutual agreement.

PROFESSIONAL LEARNING COMMUNITIES

The Roseville City School District (District) and the Roseville Teachers' Association (RTA) enter into the Memorandum of Understanding to outline the focus and intent of Professional Learning Communities.

Professional Learning Communities (PLC) occur each Wednesday as designated on the school year calendar. PLC meetings are 75 minutes long commencing twenty minutes after school dismissal and continuing until the end of the contractual work day for certificated staff.

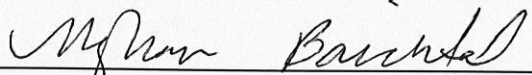

The District and R.T.A. will mutually select three Wednesdays for report card preparation (one per trimester) and three Wednesdays for progress report preparation (one per trimester) to be determined when the school year calendar is developed and approved by the Board of Education.

It is the intent of the Memorandum of Understanding to focus PLC time on a systematic process in which teachers work together interdependently to analyze and impact professional practice to improve our individual and collective student results. District and R.T.A. share a belief that all students can learn and commit to using the following critical questions to guide our PLC work:

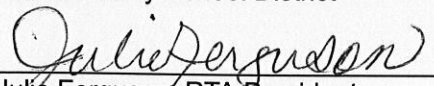

1. What is it we expect students to learn?
2. How will we know when they have learned it?
3. How will we respond when they don't learn it?
4. How will we respond when they already know it?

PLC Wednesdays are a coveted time to support the learning of all students in our district.
